

RESPONSES TO PUBLIC CONSULTATION EXERCISE

Summary of 20 Consultation Responses

1	Suggested adding local crime and disorder partnership as a consultee. Commented on display of materials - which is already covered by conditions.
2	Signed petition - no further comments attached.
3	Voiced concerns re effects on women and questioned why churches are included as inappropriate proximity.
4	Suggested amendments to consultees and suggested distance between establishments be extended to 20 miles. Raised issue on moral grounds not being considered.
5	Fully supports draft policy.
6	Suggested Licensing Committee consider all applications.
7	Clarification on 'market' and 'at risk' definitions and commented on six monthly review and distance guidance.
8	Suggested consulting with church organisations and wider consultation. Suggested limit number of sex shops either 0 or 1. Suggestion increasing distance and granting any initial licence for six months only.
9	Recommending zero limit on sex shops in Trowbridge, and concerns about effect on the character of the area.
10	Suggested widening consultation process, and potential limit on numbers. Recommended that reference is made to the character of the area. Suggested adding to list of inappropriate proximity routes used regularly by under 18's.
11	Supported draft policy - sensible and measured.
12	Suggested inclusion of Social Services as consultees and add areas where residential homes and people with learning difficulties to inappropriate proximity list.
13	Unanimously agreed draft policy and sought clarification of the six miles limit.

14	<p>Requested that nursery schools be added to inappropriate proximity list.</p> <p>Suggested that a radius of six miles is used.</p>
15	<p>Suggested an increase of the distance within inappropriate proximity to at least 500 metres and define how distance is to be measured.</p> <p>Suggested all applications to go to Licensing Committee.</p>
16	<p>Suggested an increase of the distance within inappropriate proximity to at least 500 metres and define how distance is to be measured.</p> <p>Suggested all applications to go to Licensing Committee.</p> <p>Suggested adding children's playgrounds to inappropriate proximity list.</p>
17	<p>Suggested increased distance in inappropriate proximity to 200 metres.</p> <p>Suggested removing six mile distance, increasing limit and allowing market forces to determine number of establishments.</p>
18	<p>Supported sex shops.</p>
19	<p>Supported the draft policy to prevent establishments being sited in unsuitable locations.</p>
20	<p>Supported the draft policy as a reasonable control measure.</p>
