IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

To give up to 35, 11 - 18 year old boys and girls in Malmesbury and the locality the opportunity to benefit from regular high quality hockey coaching on a 'new' surface. The coaching will be delivered by a local coach who can offer greater expertise to the players. It will be made available to those who have already played some hockey for the school, but also places will be reserved for those who wish to experience the sport for the first time. This opportunity will build on the already excellent extra curricular sports made available at the secondary school and extend these into the wider community, hopefully encouraging those involved to look a little wider into their surroundings to access the opportunities made available to them.

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

The continuation of the project is likely dependent on funding from the individuals involved once any grant received runs out. Access to sponsorship will also be investigated from local businesses. Any monies received would all be spent on the coaching and hire of the facilities. The cost of transport would be covered by the participants, to try to maximise the 'coaching' time available.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

Key aim of the project is to increase the involvement of both boys and girls in hockey. The availability of all weather surfaces in Chippenham, Cirencester and Wootton Bassett has seen an increase in the number of participants in hockey both in and out of school. It is hoped that exposure to this facility for up to 3 sessions will inspire and encourage those involved from Malmesbury and the locality to take the extra step and join the club local to them. As we only have grass pitches at school, the season is very short and although there is a great deal of enthusiasm for hockey at the school the number of children playing for the local hockey clubs is low. Part of the reason for this is lack of experience and therefore lack of confidence when playing on astroturf. The vast majority of club hockey is played on astroturf and this fact inhibits a number of 'our' players from taking the next step as they don't feel that they have the skills to cope with the game. It is hoped that with exposure to the all weather surface, strong links will be forged between the school, the clubs and the participants to increase the number of children who currently attend the local clubs. The game of hockey played on an all weather surface is very different to that on grass and I feel that with increased opportunities for children to experience this game then we could see a growth in the number of youngsters who join teams and play regularly of an evening and weekends.
