

Update from:	Luckington & Alderton Parish Council
Date of Area Board Meeting:	11 November 2009

Headlines/Key Issues:

- Safe Routes to School in Luckington - the need is a priority issue. Of particular importance is the replacement in the short term of a substantial length of the pavement in The Street which in places is positively dangerous.
- Highways are aware of the situation and endeavours are being made via County Councillor Thomson to ensure this item is included in the agenda for the meeting on 11th November. Cllr George Lynham will be present at the meeting to speak on behalf of Luckington & Alderton Parish Council.

Signed: Roger Mackney, Clerk to Luckington & Alderton Parish Council

Date: 20th October 2009
