Dear Peter

**Re: Former Church, Charles Road, Durrington**

I have finally had a response from Wiltshire County Council. They have concluded that as one of the main reasons they are seeking to relocate their existing Centre is conflict with adjoining residential properties, that the Church would not be suitable for their needs, especially if additional residential units are being built either upstairs or adjoining.

No doubt you will let me know the outcome of your planning application and we can discuss marketing at a later stage.

Kind Regards.

Yours sincerely

Dear Mr. Speer,

**THE FORMER CATHOLIC CHURCH, CHARLES ROAD, DURRINGTON**

At the meeting of the Parish Council held on 27<sup>th</sup> September, 2005, complaints were made concerning the run down state of the area around the former Catholic Church in Charles Road, Durrington. Councillors were concerned that the area is attracting youngsters who are leaving litter and are vandalising the area. Also there is a holly tree which is overhanging the pavement and so needs cutting back.

Could you contact the new owners of the site to ask them to clean up the area and make it secure so that the residents are not disturbed by young people at all hours of the day and night and also to cut back the vegetation which is obstructing the pavement.

Many thanks for your help in this matter.

Yours sincerely,

Clerk of the Council
