ROAD CLOSURE – PART OF THE HIGH STREET WYLYE AND PART OF CHURCH STREET WYLE

1. The council has a power to make an order closing roads for the period requested pursuant to Section 21 of the Town Police Clauses Act 1847.
2. The council has received an application from Mr Ivan Holliday, chairman of the Wylde Parish council and organiser of the annual Wylde village fete to be held on Saturday, 2nd September 2006. He has requested permission to close the High Street between the Post Office and the Recreation Ground between 10.00am and 6.00pm, as in previous years.
3. Wiltshire County Council, as highway authority and Wiltshire Constabulary have been consulted and have confirmed there are no objections to the Closure. WS Atkins, current agents for the Highways Agency, have also been consulted to confirm that the closure will not cause any problem to the A303, which passes nearby. We await hearing from them, but anticipate a favourable response, as they have agreed to the closure in the past. The making of the Order will, therefore be subject to this final point, but in order to prevent a last minute decision we recommend the Council's agreement in principle.
4. The Parish Council has consulted local residents and the majority is in favour of the fete proceeding.
5. It is not essential that the Order be published and is not intended to publicly advertise, but the Order will be confirmed to Wiltshire County Council.
6. The council's legal costs will be £150.00 and Mr. Holiday has agreed to meet these costs.
7. It is proposed that the council should agree to make the Order pursuant to Section 21 of the Town Police Clauses Act 1847 subject to the council's legal costs being met and confirmation from WS Atkins.
