

Dear Sirs,

Thank you for your letter of the 4th November, re the amendment to the Hillview planning application. Unfortunately, I am unable to attend the Northern Area Committee meeting on the 11th Nov.

I would only reiterate my previous objections to the various amendments. Bourne View is a narrow, very busy cul-de-sac of low profile buildings; Mr Rhind-Tutt's proposed extension would be completely out of character with the existing houses and bungalows, being almost a half larger than the original permitted development.

The original permission for a four bedroomed property was considered the maximum development allowable without too much impact on the surrounding area.

Please keep to the original permission and refuse this latest attempt to enlarge his proposed property.

Yours sincerely

Elaine Jones (Mrs)
