Dear Mrs Squires,

Thank you for your phone call of 11th January. As you know we had shown interest in using the old Catholic church building. We were very interested in your proposal for us to rent the building to run nursery/after school/holiday clubs and would like this to be proposed at your planning meeting. We have nearly 4 years experience running the Griffin School and have a thriving nursery, after school and holiday club in Salisbury and are looking to expand.

Yours sincerely,

Christine Hind.
