Second Tranche

Ref. no.	Application	Amount Requested	Applicant Contribution/ Funding Raised	Parish Council Comment	Officer Priority Rating	Panel Recommendations
NAC/05-06/T1/02	Durrington Parish Council	£4,500	£5,230.00	N/A	Medium - High	The Review Panel had a certain amount of difficulty in determining this application due to several queries in relation to the application. In fairness to the applicant, the Panel did not wish to defer the application further and have written to request that a representative from Durrington Parish Council attend the Northern Area Committee meeting to explain the application to members and answer any further questions. The review panel did not feel in a position to make a recommendation and request that the Committee make the decision following the presentation.
NAC/05-06/T2/01	Shrewton Recreational Charity	£5,000	£6,500	Fully supports	High	This application has been submitted as part of the Village Hall Capital Grants scheme. Under this scheme Salisbury District Council is asked to make an award of up to 20% of the total cost subject to Wiltshire County Council granting 50% and the applicant raising 30%. It is recommended that 1. A grant of up to 20% of the total project cost be awarded up to a value of £5000. 2. That the applicant be asked to demonstrate to the SWAG review panel that the 30% contribution has been raised by themselves by 10 th January 2006. Following investigations it was determined that R2 money cannot be used for this project however, the Review Panel members indicated that while they were supportive of the application they would have preferred to see greater evidence of local fundraising towards this project.
