However the village has very limited community facilities with no shop or pub. The Village Hall is therefore the focus of village life. The Hall has holds facilities for approx 80 people and includes a kitchen and serving space. The Village hall is widely used by the local community, inside and outside the village, by groups including pre-school, special interest, social and private occasions. Approx. 2000 people will benefit by the continuing use of the Hall though this figure could be higher.			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

The Village Hall obtains income from bookings and it also has an active fundraising committee to help support its activities.

It is therefore able to sustain its use for the foreseeable future.
