The Committee gave consideration to a schedule of applications for planning permission. Copies of the schedule were circulated to all Members of the Council with a copy of the Agenda prior to the meeting. It was

RESOLVED

THAT the applications be determined as detailed below:

List No. of Schedule / Application No.
Location / Development

- (1) **K/57071/F**
MARKET LAVINGTON – Land adjacent Fiddington Folly, 1 Fiddington Hill – Chalet bungalow with internal garage.

GRANTED as recommended with the following additional condition:

1. Before any work commences on site the ground floor slab levels shall be agreed in writing with the local planning authority. Development shall be carried out in accordance with the approved details.

REASON:

In the interest of visual amenity.

2. Mr J Whitton (agent) spoke in support of his application.

DEFERRED AND DELEGATED to the Planning Services Manager to grant full planning permission subject to the slab level of the dwelling being reduced by negotiation between the Planning Services Manager and the applicant.

2. The contents of two letters of objection were reported to the Committee.
3. Mr Crouch spoke in objection to the application.

- (3) **K/56826/F**

DEVIZES – Beggars Roost, Wick Lane – Replacement of detached bungalow with two storey dwelling and detached garage.

REFUSED against officer recommendation for the following reasons:

1. The proposed dwelling would have an adverse impact on the amenity of neighbouring properties by reason of its size and design, overlooking 'Fairfield' to the rear and presenting a far greater bulk towards adjacent properties than the existing bungalow. The result would be that the dwelling would represent an overdevelopment of the site, out of context with its neighbours. This would conflict with policy PD1 of the Kennet Local Plan 2011.

Note

1. Mr B Smith spoke in objection to the application
2. Mrs V Cukow spoke in objection to the application.

DEVIZES – 17, The Brittox – Use of paved area in front of coffee shop as an

area for tables and chairs in association with the coffee shop use of the existing building.

REFUSED against officer recommendation for the following reason:

1. The proposal would create a safety hazard to pedestrian users of the public highway by creating an obstruction of the highway at a particularly busy point, making it difficult for people to pass safely. This would conflict with policy PD1 of the Kennet Local Plan 2011.

1. Mr M Penny spoke in objection to the application
2. Mr N Jarman (agent) spoke in support of his application

(7) K/56936/F

REASON:

To secure harmonious architectural treatment.
