

**A350 MELKSHAM-SEMINGTON DIVERSION**

The various Traffic Orders/Notices required for measures associated with the construction of the Melksham-Semington Diversion are:-

- (a) **De-restriction Orders** as a result of the installation of street lighting systems
- (b) **30 mph restriction** - lowering the existing 40 mph restriction on Semington Road
- (c) **Weight restriction** (except for access) on Semington Road between Western Way and Hampton Park
- (d) **Closure** at a point between Hampton Park and the Canal Bridge except for buses, pedal cycles and permit holding agricultural vehicles
- (e) **Closure** of superseded A350 at the southern end at its junction with the new road (except for cycles)
- (f) Installation of twin **Toucan signal controlled crossings** at two locations
- (g) Installation of **Zebra crossing** on Semington Road near Townsend Farm in conjunction with widened footway
- (h) Conversion of existing Pelican crossing to **Zebra crossing** in Semington High Street
