

10 Conclusion

- 10.1 This Development Brief is designed to provide a framework which will require a better quality of new development in Salisbury. It is therefore intended to encourage innovation.
- 10.2 In order to optimise success all parties involved at Old Sarum should adopt a positive approach to the challenge and opportunities the development represents.
- 10.3 The full planning application package should comprise:-
- Application forms, certificates and plans.
 - Relevant planning application fee.
 - Planning Statement.
 - Design Code incorporating the Master Plan.
 - Environmental Statement and Appendices.
 - Transport Assessment.
