## 2. Updates for the above issues:

All updates are available online at [www.wiltshire.gov.uk/southernwiltshireareaboard](http://www.wiltshire.gov.uk/southernwiltshireareaboard), then click on issue tracking. If you would like to be sent hard copied of the issues and updates contact Tom Bray on [tom.bray@wiltshire.gov.uk](mailto:tom.bray@wiltshire.gov.uk) or 01722 434252.

A verbal report will be given at the meeting.

## 3. Issues not submitted via the issue system:

Where possible we would like issues to be raised through the online issue system or paper version of the form. However we also recognise various other forms of communications in the form of emails and letters.

### Transport:

The board has received a letter from a pupil of Pitton Primary School raising the issue of rural transport facilities. In order to look at ways of addressing the particular problems faced in Pitton, the Division Councillor Chris Devine and the Chairman of the board will be meeting with the school in the New Year.

Further to this, issues have been raised around the problems faced by people living outside of Salisbury city centre due to the bus service stopping after 5.15pm. This was raised at the Community Area Young People's Issue Group (CAYPIG).

## 4. Issues Sheet

Enclosed as an appendix to this report is a paper copy of the issues sheet which can be filled out by anyone who feels that they have a community issue affecting their area. Alternatively the online version can be found on the webpage given above.
