<b>What community benefits will your project provide and, who are the beneficiaries (e.g. numbers of people, age, gender, particular groups)</b> IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES) All Saints Church Netheravon dates back to Saxon times, and is of significant historic interest. It is the largest church in a benefice that consists of Enford, Fittleton, Netheravon, Figheldean, Milston and Bulford and is de facto the focal point of the benefice. Importantly it provides an ecclesiastical focus for the many military personnel who pass through the area. It is therefore a church used by more than just the people of Netheravon. It is the Vicar's and PCC's intention to encourage greater use of the building by the community. We hold or have held choir concerts, music concerts, art exhibitions, annual Christmas fairs, a village Open Meeting (the village Hall not being big enough), suppers and PCC meetings. We intend to have the church open to the public during daylight hours; this has been precluded in the past by lack of any security for the music group's amplifier, keyboard and other instruments and also church valuables. We have recently made the vestry secure to take moveable church property but it is impracticable to move the music equipment. We have asked a local joiner to build a piece of church furniture to house the equipment which will thereby be secure. This project will benefit all sections of the community who wish to visit the church other than for formal worship.			

**Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?**

Once built and installed there will be no ongoing expense

**3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures**

**Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.**

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

Many locals and visitors are unable to visit the church for personal or research reasons at present and the church is thereby cutting itself off from the people for whom it should provide permanent access. There is no particular group that will benefit specifically, but the larger church will benefit.
