The Warminster Adventure Sports Club is a multi-activity adventure sports club serving 91 members in the West Wilts Area. The club aims to make adventure sports like climbing, kayaking, canoeing and caving widely available to people in this area. The age of members ranges from 4 to 65, there is a mix of families, single people and some disabled.

The community benefits are:

- increased participation in adventure sports by a wide cross-section of the community.
- improved links between the local garrison and the town - some of our members are serving in the armed forces.
- there is no other club like us anywhere nearby so it enriches the area.
- there is positive community-building.
- younger members can learn from positive role models - eg. two members started climbing at the age of 16 and within one year had climbed Mont Blanc.
- improved employment opportunities - some of our members have been inspired to gain employment in this field and their experiences with the club have improved their employability.
- we also run kayaking/canoeing sessions as an outreach programme with the local secondary school Kingdown, this adds an activity to their sports programme.
- improved respect for the environment as a valuable resource.

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

We have enough income from members to pay for running costs. We are looking for a grant to enable us to buy one whitewater spec. open canoe.
