# Report

**Report subject** : Progress Report on the Four Rivers, Mere and Nadder Valley Community Plans  
**Report to** : Western Area Committee  
**Date** : 19 July 2007  
**Author** : Alesha Hayward

---

## 1. PURPOSE OF THIS REPORT

The purpose of this document is to highlight the progress made on the actions in the Four Rivers, Mere and Nadder Valley Community Plans.

## 2. BACKGROUND

The final drafts for Four Rivers and Mere community plans were approved by the Western Area Committee on 7<sup>th</sup> October 2004 and were published in January 2005. The Nadder Valley Community Plan was approved by the Western Area Committee on 6<sup>th</sup> January 2005 and published in June 2005. The plans cover a five year period, 2004-2009. The purpose of the plans is to publish the results of what local people want to see, as well as influencing partner organisations of South Wiltshire Strategic Alliance to address priorities in each community area.

## 3. MONITORING THE PLANS

It has been agreed that the Alliance will provide annual monitoring reports for the Community Plans and report to each Area Committee. Progress was also reported at the SWSA Conference in February 2006. By obtaining and monitoring updates on the actions in the community plans, and publishing them, we are identifying progress towards each action and demonstrating accountability. We make it clear which organization has done the work - the Alliance does not take credit for the work of others, but uses the update reports as a tool to inform on progress locally.

In seeking an update from partner organisations, we have requested that wherever possible, they provide quantified information, and provide the update in the context of 'what difference has this made to people's lives'. Also included are examples of other successes or new relevant activities, which are being carried out by partner organisations.

Awarded in:  
Housing Services  
Waste and Recycling Services

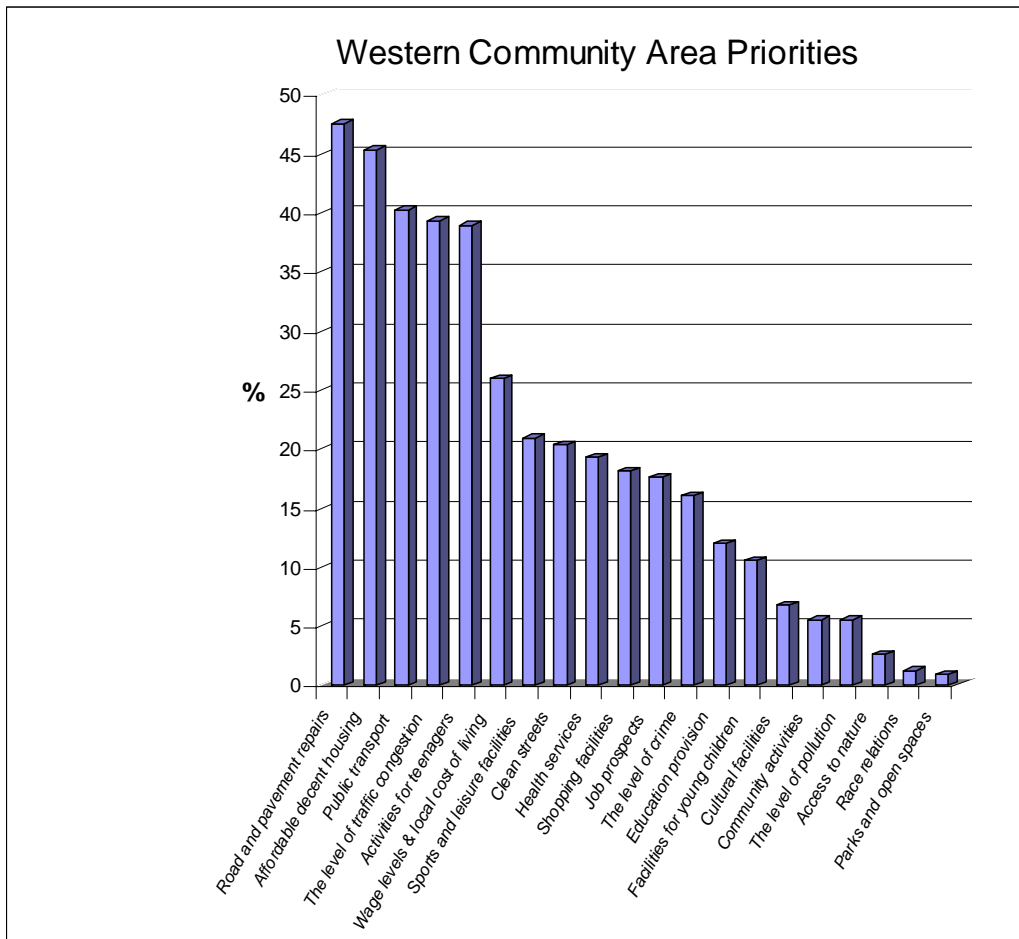

The practical benefits in monitoring the actions in the community plans, ensures that they do not fall off the radar. If actions have been achieved, then that is good news for the community, if not, then we can identify why the action has not been achieved and take appropriate action to address this issue. In some instances, however, actions in the community plans will no longer be relevant or will have been completed prior to the current update and their status between updates will not change. In other cases, actions are aspirational or more long-term, so may not show much progress from year to year. When we come to the next cycle of community planning, we will be better positioned to know what actions have been achieved and why those not achieved have failed.

#### 4. PRIORITIES BY LOCAL RESIDENTS

In September 2006, the Salisbury District Council's 2006-07 Best Value Performance Indicators (BVPI) General Survey was sent out to a random sample of 2,500 people throughout the district. The survey is carried out every three years by the District Council and is intended to collect information on a range of topics from people living in private households in South Wiltshire. The information is used by central and local government departments and other organisations for planning, policy and monitoring purposes, and to present a picture of households, families and people in South Wiltshire.

Questions in the survey are set down by the DCLG in order to remain consistent across all councils in the UK. A report presenting the results of a question in the survey which asked 'Which five of the things listed most needs improving?' provided the following results for the Western Community Area;

## 5. UPDATE ON COMMENTS AND QUESTIONS

The second monitoring report was presented to WAC on the 11<sup>th</sup> May 2006, and the following issues were raised. The delay in reporting back these responses is due to a vacancy in the post of Assistant Partnership Manager between June 2006 and March 2007.

### **Action 79: Moped access project provides opportunity to secure employment or further education and mopeds allocated to those with the greatest need.**

Issue: Members would very much like the Moped Access project to continue and feel as much pressure as possible should be exerted to ensure this is the case.

Update: The Wheels to Work project has gone County-wide from July last year. They now have a fleet of 20 mopeds covering the whole of the Wiltshire and Swindon areas and currently have mopeds located as far North as Hinton Parva in Swindon and as far South as Mere in South Wiltshire. They provide mopeds to people living in rural areas that are struggling to access work and paid training due to transport problems. Mopeds are occasionally given to help people living in urban areas who work in a rural setting. They are looking to expand the fleet of mopeds and the project has funding for another 2 years.

### **Action 285: Wiltshire County Council Travelwise team to work with schools through school travel plans.**

Issue: Members queried whether the school travel plans were bearing any fruit. The Area Coordinator informed Members that a Review of School Transport was currently being undertaken and would be considered by a future Environment and Transport Overview and Scrutiny Panel meeting.

Update: See update in Appendix 1.

## 5. SUMMARY – WESTERN AREA COMMUNITY PLAN MONITOR 2004-09

### **Four Rivers, Mere and Nadder Valley Community Plan Update – July 2007:**

ACTION STATUS	SYMBOL	July 07		April 06	
		No.	%	No.	%

**PROGRESS REPORT ON THE  
WESTERN AREA COMMUNITY PLANS**

**July 2007**

*We*  *South Wiltshire*

**CONTENTS:**

1. ACCESS TO SERVICES .....	2
2. COUNTRYSIDE AND LAND-BASED ISSUES .....	4
3. CRIME AND COMMUNITY PROTECTION .....	7
4. CULTURE.....	12
5. THE ECONOMY .....	19
6. EDUCATION, SKILLS & LEARNING.....	24
7. HOUSING AND THE BUILT ENVIRONMENT .....	27
8. SOCIAL CARE AND HEALTH .....	30
9. TRANSPORT .....	36

**1. ACCESS TO SERVICES**

Access to services cuts across several priorities and can be improved by transport, shared services and better information. The South Wiltshire Strategic Alliance has adopted Access to Services as one of their key priorities in the Community Strategy launched in June 2005.

#	Action	Theme	Priority	Community Area	Lead Organisation	Update April 2007	Progress Apr 07
<b>Key:</b> ☺ Completed Actions, ✓ Actions Achieved on Ongoing Basis, * In progress, ✖ No Progress, <b>NA</b> No Longer Applicable, ? No Information							
1	SWSA priority to improve access to services across the district by 2009.	Access to Services	Access	City 4 Rivers Mere Nadder Southern Stonehenge	SWSA	Following an initial meeting with local stakeholders, further contact has been made with most of the service providers in the Tisbury area over the last year to establish the main accessibility issues and to help build an evidence base. In addition, as several Parish Councils in the area have either completed or are completing their Parish Plans, these have been used to identify what issues local people have with accessing services. Recurring themes in the Parish Plans include: requests for improvements to bus services, recruitment and publicity issues concerning Link schemes, information about what services are available in parishes, delivery of prescriptions, access to NHS dentists, access to opticians, new footways. Following further analysis, an action plan will be developed in summer 2007 for implementation by a local working group.	*

Progress Report on the Western Area Community Plans – July 2007

#	Action	Theme	Priority	Community Area	Lead Organisation	Update April 2007	Progress Apr 07
<b>Key:</b> ☺ Completed Actions, ✓ Actions Achieved on Ongoing Basis, * In progress, ✖ No Progress, NA No Longer Applicable, ? No Information							
2	The County and District 'one-stop shop' facilities such as Mere Information Point (MIP) should be extended into rural communities.	Access to Services	Access	Mere	WCC & SDC	A peripatetic Information Point service was piloted in three locations, Downton, Wilton and Tisbury with local consultation and a strong local campaign to promote the service. These pilots ran for 10 months, and a review recommended that Downton should be maintained, but the other two locations discontinued due to lack of take up.	*
1A	<b>OTHER SUCCESSES OR NEW ACTIVITIES:</b>	Access to Services	Access	Mere	Churches Together	The family centre, operating from redundant accommodation within the Mere School site is now operating under the name of FOOTPRINTS and has been set up in its own right as an Industrial and Provident Society for the benefit of the Community. This means that any member of the community can take an interest in the project by buying a £1 share. This will enable them to vote at the AGM each year. At Footprints there is KIDZONE (breakfast and after school club) which operates between 8 - 9 am and 3.15 - 6 pm. Salisbury College, Wiltshire College and the Family Learning Team from the County Council are going to be running a programme of adult education courses for both work needs and leisure. A comprehensive programme will be in place for September, but there will be some shorter taster courses starting in May. The Family Support is still of utmost importance to the work of Footprints. The National Children's Home in Salisbury is working closely with the Young Families Peer Support Worker to make Footprints an outpost Children's Centre, providing services to help families in the community.	
1B	<b>OTHER SUCCESSES OR NEW ACTIVITIES:</b>	Access to Services	Access	Mere	Mere Parish Council	The Parish Council has commissioned someone to set up a Mere website which will have links to as many businesses, organisations and facilities in the locality as possible.	

## Progress Report on the Western Area Community Plans – July 2007

### 2. COUNTRYSIDE AND LAND-BASED ISSUES

These issues are to do with the environment, recycling, composting, and wildlife conservation.

#	Action	Theme	Priority	Community Area	Lead Organisation	Update April 2007	Progress Apr 07
<b>Key:</b> ☺ Completed Actions, ✓ Actions Achieved on Ongoing Basis, * In progress, ✖ No Progress, NA No Longer Applicable, ? No Information							
117	SDC, Wiltshire Waste Partnership and the Wiltshire Wildlife Trust are actively working together to promote home composting.	Countryside & Land Based Issues	Composting	Nadder	SDC	Work at Weaveland Road site is complete and site is operational. SDC, WWT, and WWP continue to actively promote home composting.	✓
118	A community composting site will be established by the end of 2005.	Countryside & Land Based Issues	Composting	Nadder	WWT	Site now operating at full capacity. Local management group set up. Four new volunteers recruited. Regular monthly shredding service operated.	☺
119	Encourage community groups to start composting schemes.	Countryside & Land Based Issues	Composting	Nadder Southern	WWT	Communal composting continues at Downton. Successful Christmas Tree shredding event held at Downton. No current information on Tisbury.	☺
121	A community composting scheme is being developed in Maiden Bradley.	Countryside & Land Based Issues	Composting	Mere	WWT & Maiden Bradley PC	No information.	?
123	It is now permissible to put suitably packaged dog waste into litter bins.	Countryside & Land Based Issues	Dog Waste	City 4 Rivers Mere Stonehenge	SDC	Ongoing.	✓
128	SDC and its partners, the Wiltshire Waste Partnership, are working to achieve the 31% recycling target by 2010.	Countryside & Land Based Issues	Recycling	City 4 Rivers Mere Nadder Southern Stonehenge	SDC	The Council has challenging recycling targets to meet and is still investigating the best methods of achieving these.	*
129	New mini recycling schemes to be set up in some villages.	Countryside & Land Based Issues	Recycling	4 Rivers Nadder Southern Stonehenge	SDC	There are now 70 mini-recycling centres in villages around South Wiltshire. The range of recyclates that can be deposited at these sites will be reviewed in 2008/09.	✓

145	Have and carry out one long term wildlife project, with support from Wiltshire Wildlife Trust.	Countryside & Land Based Issues	Wildlife	4 Rivers Mere Southern Stonehenge	WWT	No information.	?
146	Mere PC has a management plan for Castle Hill & Kingsmere open spaces which includes tree planting and wildlife monitoring.	Countryside & Land Based Issues	Wildlife	Mere	Mere Parish Council	This project is still ongoing. Management Plan for Castle Hill has been produced but it is now unlikely that English Heritage will allow us to have an archaeological dig or mark out the footings of the old Castle. Parish Council will now continue with management of the Hill and erecting interpretation/explanation boards for heritage and wildlife.	*
149	Identify what wildlife there is of importance in the area.	Countryside & Land Based Issues	Wildlife	City 4 Rivers	WWT	WWT is currently reviewing their Biodiversity Action Plan.	*
150	Develop a nature walk and wildlife conservation area on Castle Hill in Mere.	Countryside & Land Based Issues	Wildlife	Mere	WWT	No information.	?

## Progress Report on the Western Area Community Plans – July 2007

### 3. CRIME AND COMMUNITY PROTECTION

Although Wiltshire is one of the safest counties in the country, crime and anti-social behaviour are still a concern within the Mere Area.

#	Action	Theme	Priority	Community Area	Lead Organisation	Update April 2007	Progress Apr 07
<b>Key:</b> ☺ Completed Actions, ✓ Actions Achieved on Ongoing Basis, * In progress, ✖ No Progress, <b>NA</b> No Longer Applicable, ? No Information							
201	Consider the extension of Alcohol Free Zones to more areas.	Crime & Community Protection	Alcohol	City Southern Stonehenge	SDC Community Initiatives SWCSP	Toolkit is still available to Parish Councils who may wish to pursue the provision of an alcohol exclusion zone.	*
202	Police and Parish Councillors to review the effectiveness of the new Licensing Act.	Crime & Community Protection	Alcohol	City 4 Rivers Mere Nadder Southern Stonehenge	Police	The impact of the new Act is still being assessed. However it is recognised both nationally and locally that violent crime and particularly that linked to the night-time economy has increased. A number of Police operations have targeted this and there is a joint operation, 'Tackling Underage Sales of Alcohol Campaign' (TUSAC), planned between the Police and Trading Standards to run from early May to mid July 2007.	*
203	Encourage greater participation in the Mere & District Community Safety Partnership by all eight parishes.	Crime & Community Protection	Anti-social Behaviour	Mere	Police Mere & District Community Safety Partnership & PC's	The Mere Neighbourhood Policing Team is due to be rolled out on 23rd April and the Police Community Support Officer in post will encourage greater community engagement.	*
205	The police work with partners to identify areas of nuisance and anti social behaviour to ensure that these offences are tackled using combined resources to best effect.	Crime & Community Protection	Anti-social Behaviour	4 Rivers	SDC Community Initiatives SWCSP	South Wiltshire Community Safety Partnership funds Data Analysts who provide regular and up to date mapped information about crime and anti-social behaviour hotspots in order that multi-agency resources can be appropriately deployed and problems can be tackled.	*

#	Action	Theme	Priority	Community Area	Lead Organisation	Update April 2007	Progress Apr 07
<b>Key:</b> ☺ Completed Actions, ✓ Actions Achieved on Ongoing Basis, * In progress, ✖ No Progress, NA No Longer Applicable, ? No Information							
206	The community will work with Community Safety Partnership Anti-Social Behaviour (ASB) Reduction Officer who co-ordinates multi-agency responses to complaints of ASB.	Crime & Community Protection	Anti-social Behaviour	City 4 Rivers Mere	SDC Community Initiatives SWCSP	ASB Reduction Officer has managed 50 complaints since April 2006 that required multi-agency responses. This has involved working with a number of different agencies including the Police, Youth Offending Team and Wiltshire Youth Service and various departments within SDC to name a few. At present there are 6 Anti-Social Behaviour contracts in operation with 4 pending and 7 Anti-Social Behaviour Orders have been issued since April 2006, with 3 being issued in 2007.	✓
208	SDC provides term-time sports activities linked to anti-social behaviour Reducing Crime.	Crime & Community Protection	Anti-social Behaviour	4 Rivers	SDC Community Initiatives	SDC provides Sports Stars Coaching Programmes which are targeted at all schools, not just specific to Wilton. Children from Wilton will attend sessions. Community Sports Coach has supported Wilton Youth Centre with football and tag rugby activities. Youth Action Wiltshire is currently supporting Wilton Youth Club with football coaching sessions. The intention is for the youth club to develop a football section that takes part in regular competitions, with the club working towards Charter Standard.	✓
209	CCTV in Wilton marketplace is monitored and utilised at the appropriate times.	Crime & Community Protection	CCTV	4 Rivers	Police	Monitoring and appropriate action continues.	✓
211	Salisbury Domestic Violence Forum to raise awareness of domestic violence in rural areas as an important issue and hidden crime, whilst recognising the difficulties victims/survivors have in seeking help and receiving services.	Crime & Community Protection	Domestic Violence	City 4 Rivers Mere Nadder Southern Stonehenge	Domestic Violence Intervention Partnership	The South Wiltshire Domestic Violence Forum continues to be active and work across the whole district. The education project in schools is ongoing and will be delivered at St Edmunds Girls school in the summer term 2007. Recent achievements in terms of raising awareness about issues and services include the production of a new leaflet detailing services available to victims and survivors and a coffee morning event run as part of the National Awareness Raising week in November 2006.	✓

8	Wiltshire Youth Arts Partnership provides access to creative opportunities for young people aged 13-21 years.	Culture	Arts	City 4 Rivers Mere Nadder Southern Stonehenge	WCC Wiltshire Youth Arts Partnership	<p>Drama Xpress 2 - Young people successfully applied for WYPOF (Wiltshire Young People's Opportunity Fund) to design, manage and have real input in this groundbreaking project. There will be groups across the county including Salisbury and Netheravon. The groups will meet weekly over a year. All participants will have a chance to see professional theatre work in action. Young people are involved at every stage and have interviewed drama teachers. They are on the Steering Group that directs the project. In Autumn 2007, all will have the chance to attend the "Performing Futures" career workshop and gain valuable information and ideas about pursuing a career in theatre. In Spring 2008, all participants will have a chance to be involved in "Theatre Rocks", either front or backstage. This project is in partnership with Salisbury Playhouse, Pound Arts Centre, WYAP and Wiltshire County Council Youth Development Service.</p> <p>Music Xpress is a vibrant and exciting project that has received a hugely positive response from young people throughout Wiltshire. The project offers young people the opportunity to create their own music using the most current software around. Through tuition from experienced and inspiring tutors, young people have been able to write, mix and record their own tracks. There are outreach sessions at Youth Development Centres throughout Wiltshire and WYAP is also running intensive courses in the Easter, Summer and Half Term holidays at Salisbury College.</p> <p>Young Assessors - an ongoing programme for young people to be involved in the quality assurance of projects (young people involved county-wide).</p> <p>Arts Awards - WYAP involved in the delivery of the award at bronze, silver and gold level to accredit young people's achievements in the arts.</p> <p>Evolving Landscapes - (awaiting funding) a new project that will work with young people from the Stonehenge area to create soundscapes about the natural heritage of Wiltshire, festival and exhibition planned for Easter 08 at Salisbury Museum.</p> <p>Website - www.wyap.org.uk launched 20th March 2007 Music Express is regularly accessed by young people from the Mere area.</p>	✓

11	Promote and encourage the use of www.southwilts.com	Culture	Information	City 4 Rivers Mere Nadder Southern Stonehenge	Community First taken over from SDC DSU	Management of the community web has now passed to Community First following the launch of the Wiltshire Community Web project in 2006 where it is continuing to flourish.	✓
12	Look at community IT facilities in areas where no community resource.	Culture	Information	4 Rivers	SDC	No new Information. Nov 05 update: As part of Sunshine Healthy Living project, a community access IT point has been installed at the Countryside Unit, Barford St Martin. Partners in the project are Alabare Christian Centre and The Learning Curve. This is the first of four computers to be made available in the area west of Salisbury, through the Sunshine Healthy Living Project. Other possible sites identified are in Mere, Zeals, Fovant and Tisbury.	*
15	Increase mobile library services given there is a library in Tisbury and mobile services are not usually provided in a two-mile proximity. Need to assess demand for a mobile library plus stop in the hinterlands of Tisbury. Local community to identify where such a stop would be best sited.	Culture	Library	Nadder	WCC	Public consultations on mobile routes held in June/July 2006. No demand for new stops in the Tisbury area.	N/A
16	AONB Community grant fund to be available for specific community projects.	Culture	Local Facilities	Nadder	AONB	This year (2006-7) the Local Action Fund has grant aided eight projects around the AONB. Two of these were Ashmore Recreation Ground and Village Hall; Tisbury pre-school. The Local Action Fund will be available during 2007-8 but the total budget has unfortunately been reduced from £5,000 to £2,500.	✓

18	More parishes to identify their character, needs and term objectives through parish planning process.	Culture	Local Facilities	4 Rivers Mere Nadder Southern Stonehenge	SDC Community Initiatives	Work is ongoing. SDC continues to work closely with parishes through parish plans. Dinton parish plan completed and endorsed by WAC. Donhead St Mary plan completed and awaiting validation by SDC. Parish/town plans in progress for Berwick St John, East Knoyle, Tisbury and Wilton. Quidhampton and Swallowcliffe have expressed an interest in commencing a parish plan.	*
27	Consultation with parishes through Community First on demands on village halls and local strategies to maintain facilities by 2006.	Culture	Local Facilities	4 Rivers Mere Nadder Southern Stonehenge	Community First	No information.	?
30	Project group to be developed to explore the possibility and need for a mobile cinema for the Four Rivers Community Area.	Culture	Local Facilities	4 Rivers	SDC Community Initiatives Weaving Wilton's Future (WWF)	No information.	?
34	Mere Parish Council has an ongoing programme of development to include an all-weather pitch and outdoor bowling green.	Culture	Sporting Facilities	Mere	Mere PC	The Multi Use Games Area (all-weather pitch) is in the process of being constructed, thanks to funding provided by the Football Association and Sport England. The outdoor bowling green has been completed and is being well used and enjoyed by the community. The old school swimming pool was refurbished last summer to enable Mere Swimming Club to make use of the facilities. The pool had over 2000 uses last summer and the Club has gone from strength to strength. The Parish Council has now been approached to accommodate archery and youth cricket. The archery requires no special equipment or funds but the youth cricket will require a new cricket wicket. Parish Council is currently obtaining quotes to provide an all-weather cricket wicket which, we hope, will be funded from Policy R2 Developer's contributions.	*

107	Work with partners to provide a larger library in Wilton (no site identified yet).	Education, Skills & Learning	Libraries	4 Rivers	WCC	Possible options are still being explored for improved library facilities.	*
108	The community planner to work with the leader of the WCC Smart Place Project to develop internet facilities via secure kiosks placed in library foyers or other suitable places.	Education, Skills & Learning	Libraries	Stonehenge Mere	WCC	Smartplace, the e-wiltshire broadband project, closed last August and the Wiltshire Customer First Partnership (WCFP) has no current plans to further develop internet facilities via secure kiosks placed in library foyers or other suitable places. However, an e-wiltshire Smartbusiness initiative is being delivered as a rural renaissance project (SWRDA funding). The Smartplace Programme was working with representatives from Upper Avon, The Stonehenge School and Castledown School. For example the 'Virtual Classroom' project was very successful at two schools where the concept was developed by the 'Salisbury Plain Consortium' and was backed by the Learning & Skills Council and the Smartplace Partnership. There was a separate project to extend opening hours at County Council buildings for community use. Extended opening was established at six centres, five schools and one library, Trowbridge. Self-issue machines were supplied to Amesbury, Marlborough, Tidworth, Devizes, Bradford-on-Avon and Chippenham libraries by the end of the project to enable staff to extend opening times.	✓
109	Encourage consultation on the needs for pre-school requirements.	Education, Skills & Learning	Pre-school	Nadder	WCC	There will be 2 children's centres in Salisbury, one at Woodlands Primary School in Bemerton Heath and they hope to find a site in the City area to set up a drop in centre to provide people with information about Children's Centres in surrounding areas, this is being run by the NCH. In Mere the Children's Centre Services have developed a Footprint centre located at a local school. This will provide outreach to Mere and Tisbury (see 1A).	*

<b>Key:</b> ☺ Completed Actions, ✓ Actions Achieved on Ongoing Basis, * In progress, ✖ No Progress, NA No Longer Applicable, ? No Information							
160	Sunshine Healthy Living Project - improving basic rural facilities with new outreach services that have encouraged healthier lifestyles, reduced social isolation and increased access to advice on health.	Social Care & Health	Health	4 Rivers Mere Nadder	Sunshine Healthy Living Partnership (SHLP)	Full figures are not yet available for 2006-07. To date our disability advice worker gave information and advice to 265 people. The CAB debt advice project in Tisbury and Mere is currently helping clients tackle an average of over £13,500 per client. 15 parents and 18 children have been befriended and supported by Homestart volunteers, helping to relieve stress on families and prevent family breakdown. Fourteen people with learning disabilities are taking part in Mencap and SDC's weekly exercise class at Tisbury Sports Centre. A third Community Garden has been opened at Hindon and currently has 25 regular volunteers. The Mere and Tisbury Community Gardens continue to flourish - surplus produce from both was donated to local residential homes and primary schools. Twenty six frail elderly people have taken part in a regular exercise class and have seen improvements in their mobility as a result. Twenty four primary schoolchildren have taken part in an animation project on issues relating to alcohol and drug awareness. Two support groups for women continue to run in Mere and Tisbury with the support of the CVS women's rural development worker. Between Jan and March 07 alone, over 100 people have received free, tailored home energy advice - the average household saving on fuel bills by those completing home energy surveys is £38 per household. Healthy eating workshops have been held helping people to improve their diet and cooking skills and confidence.	*
161	Wiltshire Health Promotion Service encourages healthy eating and physical activity - an on-going rolling programme of work.	Social Care & Health	Health	Nadder	PCT	Please note that Public Health is now led from Devizes and has been for some time so some of this information is not available. In the City the Sunshine partnership up and running. Schools Nutrition Action group established with paid lead (LA) and school food strategy. Dietician in post, and delivering Driving Obesity Strategy in South Wiltshire. With regards to sports & physical action and walks, the responsibility for these devolved to Devizes.	*

162	The Wiltshire Strategic Board aims for Wiltshire to become the healthiest county in England by 2012.	Social Care & Health	Health	City 4 Rivers Mere Nadder Southern Stonehenge	WiSB	<p>The Healthy Communities "block" of the Local Area Agreement has been developed, agreed by partners and signed of by the Government Office of the South West (GOSW). This has incorporated all the work previously included in the LPSA. A range of new outcomes and targets have been included e.g. for alcohol harm prevention. Two development programmes have been added focusing on childhood accidents and on mental health/emotional wellbeing. This will lead to new activities which will be incorporated in the refreshed LAA for 2008. The Exemplar Employer Programme in particular is asking all WiSB employers to "pledge" 2 additional activities to support the overall aims and specifically those of the LPSA. These could include; having a named lead in each organisation in relation to smokefree legislation; linking website to information on local support; putting information in staff newsletters; circulating information with payslips; displaying posters providing local smoke cessation clinic details; providing in house support to staff who want to stop smoking; ensuring Learning and Development opportunities are made available e.g. 'Health for Life' courses on either the Nutrition &amp; Health or the Healthy Eating Level 2; enabling staff to have access to healthy eating options via vending machines / staff canteens; encouraging staff participation in sharing good practice e.g. through sharing recipes on web sites etc; providing a nominated lead to develop healthy eating advice and practice in the organisation; providing reduced fee gym membership and actively encouraging employees to use it; setting up workplace walking / running clubs and/or simply displaying maps of local walking/running routes; encouraging exercise and/or dance classes developing or promoting other sports activities and events; providing a nominated lead to develop sports and physical activity clubs; Employers through the annual WiSB conference and subsequently have been encouraged to participate in the alcohol harm reduction and health promotion campaigns.</p>	*

314	Wiltshire Fire and Rescue Service will deliver Road Traffic Collision roadshows to every potential school leaver/new car driver in the South Wiltshire Area	Social care and Health	Safety and Reducing Crime	City 4 Rivers Mere Nadder Southern Stonehenge	Wiltshire Fire and Rescue Service	In 2006 over 9000 school pupils in years 11 attended the roadshows. The aim is to reduce the annual totals of young deaths and injuries on our Districts roads. In the autumn of 2007 the shows will be held once again.	✓

## Progress Report on the Western Area Community Plans – July 2007

### 9. TRANSPORT

Here transport is considered in its widest sense to include footpaths and pedestrian safety, parking, public transport and road maintenance.

#	Action	Theme	Priority	Community Area	Lead Organisation	Update April 2007	Progress Apr 07
<b>Key:</b> ☺ Completed Actions, ✓ Actions Achieved on Ongoing Basis, * In progress, ✖ No Progress, NA No Longer Applicable, ? No Information							
237	WCC in partnership with Liftshare, has launched Car Share Wiltshire - a service to match up people wanting to car share.	Transport	Car Share	City 4 Rivers Mere Nadder Southern Stonehenge	WCC	Action is completed in that service has been launched. Car Share Wiltshire currently has 960 registered users across Wiltshire, 149 (15.5%) of these have SP postcodes. This has been boosted by the erection of road side boards on several key city routes (example pictures included on the Britford Rd). More will follow this financial year.	☺
238	Expand free disabled parking in North Street, Wilton.	Transport	Disabled Access	4 Rivers	JTT	The Disabled Access Group does not feel that this is a pressing issue. Further consultation to be carried out with Town Council to confirm if there is demand.	*✖
239	Invite disabled residents/shoppers in Wilton to meetings of Salisbury Disabled Access Group.	Transport	Disabled Access	4 Rivers	JTT	Disabled and residents of Wilton are attending meetings.	✓
244	Identify where there is clear need for new footpaths and cycle ways.	Transport	Foot / Cycle Paths	City 4 Rivers Mere Nadder Southern Stonehenge	WCC	This is ongoing work. Requests for new footpaths & cycleways from Parishes and others go to the County Council. The County will not generally provide them directly but will help facilitate them through third party funders, e.g. as planning gain from new developments. Also note that the County Council cannot compulsory purchase land for new footpaths, but it can help improve existing paths or footways or negotiate with developers for land or right of access. Regarding improvements, WCC assesses all suggested walking and cycling improvements against certain criteria using a standard methodology. Parish Councils may wish to write to WCC Integrated Transport to formally request that specific links be 'priority assessed'. If successful these are funded through the Local Transport Plan allocation (see 295) although pedestrian crossings and traffic calming usually take precedence over creating or improving footpaths, footways or cycleways.	*✖

246	Resurface Burton to Mere footpath and have regular maintenance.	Transport	Footpaths	Mere	WCC	The District maintains the footpath and stops it becoming impassable. There may be an aspiration to resurface this footpath like hundreds of others across the County. The county wide Rights of Way Improvement Plan will identify & prioritise which footpaths most need resurfacing and develop an Action Plan to tackle them.	*
247	Establish meetings in 2005 to assess starting a Good Neighbour Link Scheme in the Tisbury area.	Transport	Link Schemes	Nadder	JTT	Scheme operational and meeting local needs.	✓
251	Two new Park & Ride sites at Wilton and Britford for 2005.	Transport	Park & Ride	City 4 Rivers Southern	JTT	Wilton now being used by 222 cars per day (315 passengers per day). Britford now being used by an average of 230 cars per day (334 passengers per day). Passenger figures are return trips (for single journeys, double this amount). This data is based on the averages over the last six months.	☺
254	Work with WCC and bus operators to explore the scope for integration of rural bus services into Wilton Park & Ride	Transport	Park & Ride	4 Rivers	WCC	Action completed. This issue will be examined again when bus contracts are reviewed and retendered on spring/summer 2008. Note 2006 update: This has been considered by WCC but no action is proposed. There would be no significant benefits to passengers and no savings in operating costs unless the rural buses terminated at the park & ride sites and passengers had to change onto the P&R buses. This would be extremely unpopular with passengers and would have a very detrimental effect on the attractiveness of the rural services. There would probably also be capacity problems at peak times.	✓

Progress Report on the Western Area Community Plans – July 2007

<b>Key:</b> ☺ Completed Actions, ✓ Actions Achieved on Ongoing Basis, * In progress, ✖ No Progress, NA No Longer Applicable, ? No Information							
262	There are plans to develop the following:- Wilton Road Bus Priority; Quidhampton to Wilton Cycle Route; Improve traffic management in Lower Road Quidhampton.	Transport	Public Transport	4 Rivers	JTT	Wilton Road bus lane remains unfunded and is very unlikely to be implemented, due to the high cost of such a scheme. Options for a Wilton to Quidhampton cycle route are currently being investigated in partnership with Sustrans. Funding for this has not been secured. This would utilise a combination of LTP, developer contributions and lottery funding over a five year period. Delivery would be dependent on securing lottery funding in late 2007, and on Sustrans successfully negotiating permissive routes with landowners.	✖
266	Keep the opening of Wilton Railway Station and the possibility of introducing London Waterloo service and Cardiff to Portsmouth service high on the agenda of the Regional Transport Strategy.	Transport	Public Transport	4 Rivers	JTT	Despite making representations, the draft RSS does not include plans for re-opening of stations at Wilton and Porton. Both remain a long term aspiration of SDC and WCC, but cannot be delivered without central government funding, which is not available towards new stations.	✖
267	Produce clearer integrated timetables for public transport.	Transport	Public Transport	Mere	WCC	West, North and East Wiltshire booklets have now been issued. Still no plans to produce similar booklet for Salisbury area as Wilts & Dorset already produce high quality leaflets.	*
268	Discuss timetabling with local bus companies through the Shaftesbury & Gillingham Area Transport Forum.	Transport	Public Transport	Mere	Mere PC	Work is ongoing. Mere Parish Council has a representative who attends meetings of Shaftesbury & Gillingham Area Transport Forum.	*
269	Support 'Wigglybus' to improve inter-village connections.	Transport	Public Transport	Mere	WCC	Public transport budget for 2007-8 has been increased to allow Mere Wigglybus to continue after Government Challenge funding runs out in 2007. Service is currently being reviewed and re-tendered to try and improve cost-effectiveness while maintaining similar level of service; all Wigglybus services are being re-launched during 2007 under the new 'Connect 2 Wiltshire' identity.	✓

293	Speed restriction pilot in Barford to be evaluated	Transport	Speed Restriction	4 Rivers	Police	No information on evaluation. This pilot has been implemented and a road narrowing scheme at the Barford School is now in place. This road is also covered by the Road Safety Camera Unit. There have been no further complaints of speeding in this area.	*
294	WCC to continue to apply criteria for justifying changes to speed limits and review where appropriate.	Transport	Speed Restriction	4 Rivers	WCC	<p>A strategy for local speed limits was considered by the Members of the County Council on 6th March 2007. Following indication of support for the strategy by the Members, the following has been agreed by the Cabinet Member for Environment, Transport and Economic Development as policy:</p> <p>I. The Department for Transport Circular 01/2006 is adopted as guidance for the setting of speed limits in Wiltshire. (DfT Circular 01/2006 can be viewed on <a href="http://www.dft.gov.uk">www.dft.gov.uk</a>)</p> <p>II. A review of speed restrictions on the County's Group 1 roads be undertaken to enable changes to be implemented by 2011 in accordance with Government requirements.</p> <p>III. Requests for extensions to established speed restrictions are considered against the partnership arrangements agreed at the March 2006 meeting of the Environment Advisory Panel.</p> <p>IV. Requests for speed restrictions on Non Group 1 roads are assessed as part of a comprehensive review at a time to be agreed. At that time a development criteria be formulated to enable effective 30mph speed limits to be introduced on Class 111 and unclassified roads where the requirements of DfT Traffic Advisory Leaflet 01/04 are not fully satisfied.</p> <p>V. Within villages where 30mph speed limits have been introduced, in accordance with TAL 01/04, but speeds remain above enforcement thresholds, consideration will be given to the installation of permanent Vehicle Activated Signs.</p>	*

295	Local communities and police to identify particular spots where there is a persistent problem with speeding and work with parish councils to ensure that WCC place these locations on the list of schemes awaiting funding for traffic calming measures, pedestrian crossings and footpaths.	Transport	Speed Restriction	City 4 Rivers Mere Nadder Southern Stonehenge	WCC Transportation and Development	Initially complaints about speeding will be referred to the speed camera partnership who will apply the County's Speed Management Strategy. Also the County Council is allocated funding by the Government, via our Local Transport Plan (LTP) settlement, for 'integrated transport' measures, which are schemes principally intended to reduce traffic accidents and encourage walking, cycling and the use of public transport - in line with Government objectives, for which there are a number of national targets. This funding is also used for traffic calming and traffic management measures as there is no other source of funding available to the County Council to cover these types of schemes. Requests for transport improvements of this type (300 last year) are assessed against a number of criteria, prioritised, and considered for potential inclusion within the future LTP works programme, including all requests that come in via parish councils. No money has been specifically allocated to traffic calming measures for the 07/08 financial year because, as a result of the assessment process, pedestrian crossings have taken precedence. For example, investigation and feasibility work for a potential pedestrian crossing on Ashley Road, Salisbury will be undertaken in 2007/08. Following the investigation work undertaken in 2006/07, it is hoped that crossing facilities can be further developed at Wilton Rd, Salisbury, Earls Court Rd / Boscombe Rd, Amesbury and Minster Street, Wilton, with a view to implementing schemes in late 2007/08 or in 2008/09.	*
297	WCC does not allocate funding for enhancement of street lighting. However, the upgrading of street lighting is generally included in traffic schemes.	Transport	Street Lighting	Nadder	WCC	No information.	?
298	Highways Agency to put up 'preferred route' signs on A303 to assist in deliveries to essential local businesses.	Transport	Traffic Management	Mere	Highways Agency	No progress.	✖

302	The County Council will look to see if the area might benefit from setting up a local freight partnership working group.	Transport	Traffic Management	4 Rivers	WCC	The County Council is currently developing an appraisal mechanism to equitably assess the number of local freight issues raised by local communities. Concerns regarding HGVs along the B3089 and in Fovant could be considered as part of this process. The problem of lorries accessing the business parks south of Dinton by coming in from the south on Catherine Ford Lane has been raised before; it's not felt appropriate as they come through Fovant. Advisory direction signs have been put up as lorries approach from Fovant to sign lorries via Barford St Martin and a letter drop was undertaken to businesses in the parks asking them to use this route. However, the number of lorries coming through Fovant was very low at the time - too low for a statutory weight limit to be imposed.	<b>N/A</b>
303	Relief roads for the Wyllye Valley and Harnham / Brunel Link are included in the Local Transport Plan.	Transport	Traffic Management	4 Rivers	WCC	Wyllye Valley Relief Road has been rejected by government so is not now in 2006-2011 Local Transport Plan. In relation to the Harnham/Brunel Link, the Government has indicated that no funding would be made available for this until at least 2016.	<b>N/A</b>

Progress Report on the Western Area Community Plans – July 2007

<b>Key:</b> ☺ Completed Actions, ✓ Actions Achieved on Ongoing Basis, * In progress, ✖ No Progress, <b>NA</b> No Longer Applicable, ? No Information							
304	Reduce heavy lorries through Maiden Bradley village	Transport	Traffic Management	Mere	WCC Rob Murphy	Mouchel Parkman produced a final report recommending various weight limits in the area. WCC Cabinet considered a report in January 2007 and resolved to approve the advertisement of Traffic Regulation Orders for the following weight restrictions as proposed in Mouchel Parkman's report entitled 'Proposed Weight Restrictions – A362, A3098 and B3092 – Implementation Proposals Report'; 7.5 tonnes weight restriction on the A3098 (both directions); 7.5 tonnes weight restriction on the B3092 (both directions); 18 tonnes weight restriction on the A362 (both directions); 7.5 tonnes weight restriction on the B3089 to be revoked in order to address safety concerns at the A350/A303 junction. A Brief has been issued to Mouchel Parkman design and executes a bespoke consultation exercise for the above proposals.	*
305	Traffic management issues to be discussed further as part of the Local Transport Plan consultation in 2004/05 taking account of road access constraints.	Transport	Traffic Management	Nadder	WCC	The second Wiltshire Local Transport Plan was produced in March 2006 following extensive consultation with communities and stakeholders. Specific traffic management issues in Community Area Plans and Parish Plans, along with any ad hoc requests submitted will be considered for funding as part of the Local Transport Plan process.	☺
