Report

Report subject: Rural Transport Issues

Report to: Western Area Committee

Date: 1st May 2008

Author: Tom Bray, Western Area Coordinator

RURAL TRANSPORT ISSUES

1. **Report Summary:**

In response to Councillor Parker's request (minute 114) that the Western Area Committee discuss rural transport issues, a list of reference material has been compiled to inform the discussion.

2. **Key Reference Material:**

1. Wiltshire Local Transport Plan 2006/7 - 2010/11 (the following chapters are enclosed in the agenda)
 - Introduction
 - Problems and Opportunities (chapter 3)
 - Consultation and Participation (Chapter 4)
 - Strategy and priorities (Chapter 5)
 - Delivering accessibility (Chapter 6)
 - Appendix 2 (Accessibility Strategy)
 - Mere, Tisbury and Wilton Consultations in 2004

The complete plan can be found at <http://www.wiltshire.gov.uk/transport/transport-policy-service/local-transport-plan/local-transport-plan-2.htm> - ltp2

*Please note some of the diagrams in this document are missing and I have raised this problem with Wiltshire County Council and they are in the process of rectifying it.

2. Salisbury Transport Plan – this can be found at:
<http://www.salisbury.gov.uk/transport/sustainable-transport/salisbury-transport-plan.htm>

3. **Recommendations:**

That Members discuss rural transport issues and raise any relevant concerns that affect their ward.
