For the following reasons:

- 1 The proposed development of a 3,980 square metre food store, separated by a car park from the primary retail frontages, in this edge of town centre location for which there is no proven retail need would be contrary to Policies SP1 and SP3 of the West Wiltshire District Plan - 1st Alteration 2004.**

- 3 The proposed layout of the car park together with the servicing route for the proposed food store, library and existing retail premises would result in conflict between users including lorries, cars, cyclists and pedestrians to the detriment of safety and convenience of users of the town centre contrary to Policies SP1 and SP3 of the West Wiltshire District Plan - 1st Alteration 2004.**
- 4 The proposals, which would result in the loss of bus parking and waiting areas, make inadequate provision for public transport contrary to Policies SP1, SP3 and T9 of the West Wiltshire District Plan - 1st Alteration 2004.**
- 5 The proposed scale, mass, height, design and location of the supermarket and library would not be in keeping with the scale and spatial characteristics of the area and would be harmful to the character and appearance of the conservation area contrary to**
