What are the Fatal Five?

- Careless driving
- Drink and drug driving
- Not wearing a seatbelt
- Distracted (using a mobile phone)
- Speeding

Road users who commit one of the Fatal Five offences are far more likely to be involved in a fatal collision than those who do not.

People are dying on our roads as a result of motorists' poor driving, reckless decisions and momentary lapses in concentration.

Fatal collisions are heart-breaking - for the family, for the community, and for the responding emergency services staff who have to witness the tragedy and subsequent aftermath and we've seen too many this year already.

Stopping any more deaths from occurring as a result of something unnecessary and totally avoidable is a top priority for us.

Across the Summer, our Community Policing Teams, along with speed enforcement officers and the Roads Policing Unit will be making sure motorists are being safe and driving smart.

Our Community Road Safety Officers have been meeting with vulnerable road users at the Chat Cafe.

The Open Door Warminster Chat Cafe is held every Thursday at the Athenaeum Centre and this week's session was their busiest ever with more than 40 visitors and 10 volunteers attending to talk all things related to road safety.

That included vision, mobility, hazard perception and even the chance to wear impairment goggles that simulates the effect of being drunk.

If you're interested in the Chat Cafe, check out the link here:

Warminster Community Policing officers PC 70165 CARR and PCSO 9469 REVERS have been out conducting speed checks this afternoon along Copheap Lane Warminster. These areas have been requested specifically by members of the local community for checks to be carried out.

Wiltshire Police is determined to crack down on the Fatal Five offences - the five offences which are statistically the most likely to lead to death or serious injuries on the roads.

These are drink and drug driving, careless and dangerous driving, distraction such as mobile phones, inappropriate excess speed and failing to wear a seatbelt.

We are happy to report, that on this occasion, not one motorist was recorded travelling over 30mph.

If you have any specific areas you would like us to attend please comment below or email [warminsterreactpt@wiltshire.police.uk](mailto:warminsterreactpt@wiltshire.police.uk).
