B3107 HOLT TO MELKSHAM - PROPOSED SPEED LIMIT CHANGES

Purpose of Report

To consider the comments received following the formal advertisement of proposed changes to the speed limits on the B3107 between Holt and Melksham and recommend an appropriate way forward.

Consultation

During the formal consultation period two items of correspondence were received in response to the advertised Traffic Regulation Order (TRO). Of these items one expressed support for the Council's proposals and one objected to the proposal in its current form.

Options Considered

To:

- (i) Implement the proposals as advertised.
- (ii) Implement the proposals as advertised with amendment.
- (i) Abandon the proposals.

Reason for Decision

The proposed limit meets the criteria set by Wiltshire Council policy and the guidance given by the Department for Transport. The alternative suggested by the Parish Council does not do this.

INTENTION TO MAKE DECISION

Following consultation with officers I give notice that I intend to make the decision set out in the attached report. If you would like to make any representations to me on this issue please do so by 13 April 2021.

The following report and appendices are attached:
