### **HT-15-16 CHIPPENHAM AND CHIPPENHAM WITHOUT ORDER: PROPOSED WAITING RESTRICTIONS**

#### **Purpose of Report**

To:

- (i) Consider comments received to the advertised proposals for parking controls at various locations in the Chippenham and Chippenham Without Order.
- (ii) Recommend the making of the Traffic Regulation Order with minor amendments to the advertised proposals.

#### **Consultation**

The Chippenham Town Council was consulted as part of the advertisement process for the proposals and the recommendations have been discussed with the Wiltshire Councillors for Chippenham and Chippenham Without.

As a result of the public advertisement, 212 letters of representation were received. There were 188 comments of support and 24 of objection. A petition letter supporting proposals on Station Road was also received with 132 signatures.

These are listed in **Appendix 1** together with a summary of their comments and officer comments on the points raised.

A petition from residents of Langley Road was received outside the time-frame for formal comments to the advertised proposals. The petition requested the introduction of parking restrictions on the eastern side of Langley Road, citing that inconsiderate parking was causing issues for residents when exiting their driveways, in particular residents off the access to Wade Mews. The proposals hereby considered did include restrictions on the eastern side of Langley Road, and it is considered that they address the concerns raised in the petition.

#### **Options Considered**

To:

- (i) Implement the proposals as advertised.
- (ii) Not implement the proposals.
- (iii) Implement the proposals with amendments.

**Reason for Decision**

The comments set out in **Appendix 1** on the various objections received indicate that it is considered appropriate to introduce the scheme with the amendments detailed in **Appendix 3**.

**DECISION MADE**

I approve that:

- (i) The restrictions be implemented as advertised, subject to the amendments detailed in Appendix 3.
- (ii) The objectors to be informed accordingly.

This decision was published on 12 July 2016 and will come into force on 20 July 2016
