EXTENSION OF CONTROLLED ZONE - BATH ROAD, ATWORTH

Purpose of Report

To consider the comments received following the formal advertisement of the extension to the controlled zone at Bath Road, Atworth and to recommend an appropriate way forward.

Consultation

A plan outlining the extent of the proposal was provided to Atworth Parish Council for its information and consideration. During the advertisement period for the extension of the controlled zone, four letters of comment have been received, three of which are objections and one letter of support. No comment was received from the affected Wiltshire Council Member.

Options Considered

To:

- (i) Implement the advertised changes.
- (ii) Amend the advertised changes in accordance with the comments made.

Reason for Decision

The shortening of the advertised outbound controlled zones is considered to be reasonable. It is not considered that the overall safety will be compromised and the changes address the concerns raised.
