## **HTW-01-17: NEW ROAD, CHIPPENHAM - WAITING RESTRICTIONS**

### **Purpose of Report**

To consider the comments received following the formal advertisement of proposed amendments to parking and waiting restrictions in New Road, Chippenham.

### **Consultation**

The Traffic Regulation Orders were formally advertised during February and March 2017. During this period three comments in objection were received, including a response from Chippenham Town Council.

Copies were also sent to the locally elected Wiltshire Council Member, Chris Caswill. He acknowledged receipt and outlined no objection to the proposal.

### **Options Considered**

To:

- (i) Implement the advertised changes.
- (ii) Abandon the proposals and retain the existing restriction.

### **Reason for Decision**

The proposals have been developed to ensure that safe and appropriate access is maintained for cycle users. Failure to enable access will result in a compromised cycle facility and increase the potential risk of injury to users.

## **DECISION MADE**

I approve that:

- (i) The proposals be implemented as advertised.
- (ii) The objectors be informed accordingly.

**This decision was published on 8 June 2017 and will come into force on 16 June 2017.**
