BULFORD ROAD, DURRINGTON - PROPOSED NO WAITING AT ANY TIME

Purpose of Report

To consider the comments received following the formal advertisement of the proposal to amend the waiting restrictions at the northern junction of Bulford Road and Avon Down Road, Durrington.

Consultation

The proposals have been consulted upon through the Traffic Regulation Order (TRO) process.

Options Considered

To:

- (i) Implement the advertised changes.
- (ii) Abandon the proposals.
- (iii) Implement the amended proposals.

Reason for Decision

The scheme has been proposed to improve safety for vehicles entering and exiting Avon Down Road. Removing the length of proposed no waiting at any time restriction from outside of 106 Bulford Road is not considered to compromise the aims of the scheme.

DECISION MADE

I approve that:

- (i) The proposals be implemented as amended.
- (ii) The correspondents be informed accordingly.

This decision was published on 8 September 2017 and will come into force on 18 September 2017.
