TISBURY ORDER - PROPOSED WAITING RESTRICTIONS

Purpose of Report

To:

- (i) Consider objections to the advertised proposals for parking controls at various locations within Tisbury.
- (ii) Recommend the making of the Traffic Regulation Order with minor amendments to the advertised proposals.

Consultation

As part of the Town centre parking review the Town Council was consulted prior to the advertisement process. The review resulted in three locations in Tisbury being put forward to advertisement.

During the advertisement period a total of 30 items of correspondence were received in response to the proposals contained within the advertised Traffic Regulation Order (TRO). Of the 30 items of correspondence received, 2 expressed support for the Council's proposals, 26 objected the proposal in its current form and 2 commented on.

Details of correspondence can be found in **Appendix 1** together with a summary of comments. Officer response to the comments can be found in **Appendix 2**.

Options Considered

To:

- (i) Implement the proposals as advertised.
- (ii) Not implement the proposals.
- (iii) Implement the proposals with amendments.

Reason for Decision

The comments set out in **Appendix 2** on the various objections received indicate that it is considered appropriate to introduce the scheme with the minor amendments detailed in **Appendix 3**.

DECISION MADE

I approve that:

- (i) The restrictions be implemented as advertised, subject to the minor amendments detailed in **Appendix 3**.
- (ii) The objectors be informed accordingly.

This decision was published on 19 March 2018 and will come into force on 27 March 2018

The following supporting documents are attached:
