### **MELKSHAM ORDER - PROPOSED WAITING RESTRICTIONS**

#### **Purpose of Report**

To:

- (i) Consider objections to the advertised proposals for parking controls at various locations within Melksham.
- (ii) Recommend the making of the Traffic Regulation Order with minor amendments to the advertised proposals.

#### **Consultation**

As part of the town centre parking review the Town Council was consulted prior to the advertisement process. The review resulted in five locations in Melksham being put forward to advertisement.

During the advertisement period a total of 53 items of correspondence were received in response to the proposals contained within the advertised Traffic Regulation Order (TRO). Of the 53 items of correspondence received, 0 expressed support for the Council's proposals, 53 objected to the proposal in its current form and 0 commented on.

Details of correspondence can be found in **Appendix 1** together with a summary of comments. Officer response to the comments can be found in **Appendix 2**.

#### **Options Considered**

To:

- (i) Implement the proposals as advertised.
- (ii) Not implement the proposals.
- (iii) Implement the proposals with amendments.

## **Reason for Decision**

The comments set out in **Appendix 2** on the various objections received indicate that it is considered appropriate to introduce the scheme with the minor amendments detailed in **Appendix 3**.

### **DECISION MADE**

I approve that:

- (i) The restrictions be implemented as advertised, subject to the minor amendments detailed in **Appendix 3**.
- (ii) The objectors be informed accordingly.
