PEDESTRIAN CROSSING - B4534 PURTON ROAD, PURTON

Purpose of Report

To consider two comments and one objection in connection with the proposed PUFFIN crossing on Purton road, Purton, adjacent to a residential area known as Moulden View (see Appendix 2).

Consultation

Consultations have been undertaken with the Fire Service, Police and Ambulance Service and also with the relevant bus companies, the Town Council and the Local Member. Advertisements have been posted in the local press and notices were posted in prominent positions at the site (see Appendix 1).

Options Considered

To:

- (i) Implement the proposals as advertised.
- (ii) Not implement the proposals.
- (iii) Implement the proposals with amendments.

Reason for Decision

The introduction of a PUFFIN crossing (built to accommodate a change to a TOUCAN crossing when required) will provide a safe means of crossing Purton Road for residents of Moulden View. The crossing will facilitate pedestrian access to the new school and access to bus stop facilities on the new Ridgeway Farm development.

DECISION MADE

I approve that the proposals be implemented as advertised.

This decision was published on 28 August 2018 and will come into force on 5 September 2018
