**WAITING RESTRICTIONS - WYCHURCH HILL (HOLLOWAY),
MALMESBURY**

Purpose of Report

To:

- (i) Consider the comments received following the formal advertisement of proposed waiting restrictions on Wychurch Hill, Malmesbury.
- (ii) Recommend the making of the Traffic Regulation Order (TRO hereafter).

Consultation

Consultation has been undertaken with:

- The elected Wiltshire Council Member representing Malmesbury through the statutory TRO consultation process.
- Members of the public through the statutory TRO consultation process.
- Emergency services through the statutory TRO consultation process.
- The Town Council through the Community Area Transport Group

Options Considered

To:

- (i) Implement the proposed waiting restrictions as advertised.
- (ii) Amend the proposals in consideration of the comments received.
- (iii) Abandon the proposals.

Reason for Decision

The proposal is intended to improve road and pedestrian safety by the provision of a new footway and the removal of a length of on-street parking. The proposals will also be in accordance with both Priority 2 and Priority 4 of the Council's Business Plan. Whilst the potential impact on the employees of St Joseph's school is noted, it is not considered to be substantive enough to amend the proposals, given the alternative parking provision available.

DECISION MADE

I approve that:

- (i) the proposals be implemented as advertised.
- (ii) the objectors be informed accordingly

This decision was published on 10 September 2018 and will come into force on 18 September 2018.
