**REFERENCE: HTW-42-18**

---

**HTW-42-18 LUDGERSHALL, TIDWORTH AND COLLINGBOURNE  
DUCIS - WEIGHT LIMIT AND SPEED LIMITS**

**Purpose of Report**

To consider one objection and to note ten representations of support to the proposed speed limits and weight restrictions in Tidworth, Ludgershall and Collingbourne Ducis (see Appendix 2).

**Consultation**

Consultations have been undertaken with the Fire Service, Police and Ambulance Service and also with the relevant bus companies, the Town Council and the Local Members. Advertisements have been posted in the local press and notices were posted in prominent positions at all the sites (see Appendices 1a, 1b, 1c and 1d).

**Options Considered**

To:

- (i) Implement the proposals as advertised.
- (ii) Not implement the proposals.
- (iii) Implement the proposals with amendments.

**Reason for Decision**

The 40 mph speed limit on the new link road meets the statutory guidance for the design of road that has limited estate road accesses and no direct property frontages.

The introduction of various weight restrictions will provide long needed relief from HGVs to residents in Butt Street and reduce severance in the High Street, Ludgershall.

**DECISION MADE**

I approve that the proposals be implemented as advertised.

This decision was published on 12 November 2018 and will come into force on 20 November 2018.

**The following supporting documents are attached:**

Appendices 1a, 1b, 1c and 1d – Site notices  
Appendix 2 – Representations Made

**The following supporting documents are available from the officer named above:**
