HTW-44-18 EXPERIMENTAL TRAFFIC REGULATION ORDERS, VARIOUS LOCATIONS, SALISBURY

Purpose of Report

To:

- (i) Consider the comments received following the formal advertisement of two Experimental Traffic Regulation Orders (ETROs hereafter) in Salisbury.
- (ii) Recommend the introduction of the ETROs as advertised on a permanent basis.

Consultation

Consultation has been undertaken with:

- The elected Wiltshire Council Members representing Salisbury Divisions
- Salisbury City Council
- Salisbury Business Improvement District
- Representatives of the Emergency Services
- Members of the public through the statutory ETRO consultation process

Options Considered

To:

- (i) Continue with the ETROs in Butcher Row, Fish Row and Silver Street on an experimental basis.
- (ii) Introduce the amendments in Butcher Row, Fish Row and Silver Street on a permanent basis.
- (iii) Revert back to the restrictions in place in in Butcher Row, Fish Row and Silver Street prior to the introduction of the ETRO.

Reason for Decision

The proposals support the Council’s aim of making Salisbury City Centre more pedestrian friendly. Whilst the concerns raised by Pritchetts are acknowledged the ready availability of alternative loading and unloading facilities in close proximity is considered to mean that only a minor change to the operation of the business is required.

The proposals are in accordance with Priorities 1, 2 and 4 of the Council’s Business Plan.

<p><u>DECISION MADE</u></p> <p>I approve that:</p> <p>(i) The amendments in Butcher Row, Fish Row and Silver Street be introduced on a permanent basis.</p> <p>(ii) Correspondents be informed accordingly.</p> <p>This decision was published on 19.11.18 and will come into force on 27.11.18</p>
