COMMUNITY INFRASTRUCTURE LEVY REVISED REGULATION 123 LIST AND REVISED PLANNING OBLIGATIONS

Purpose of Report

To seek approval for:

- (i) Consultation to be undertaken on the 'Wiltshire Community Infrastructure Levy - Draft Revised Regulation 123 List (January 2016)' together with the Draft Revised Planning Obligations Supplementary Planning Document (SPD) for six weeks; and
- (ii) The Revised Regulation 123 List and Draft Revised Planning Obligations SPD to be finalised in the light of the consultation for consideration by Cabinet and, in the case of the SPD, for subsequent approval by Council.

Consultation

The Wiltshire Community Infrastructure Levy (CIL) - Draft Revised Regulation 123 List, prepared by officers, is based on projects within the 'Infrastructure Delivery Plan (IDP) September 2013'. The IDP forms the infrastructure evidence that underpins the Wiltshire Core Strategy and the CIL Charging Schedule. It has been developed in consultation with infrastructure service providers and has since been updated to reflect their changing requirements. Consultation will be undertaken on the Draft Revised Regulation 123 List and Draft Revised Planning Obligations SPD before it is finalised for consideration by Cabinet and, in the case of the SPD for subsequent approval by Council. The draft updated IDP will be made available for comment at the same time.
