**HTW-03-20 - STATION ROAD, CALNE, PROPOSED 20-MPH
SPEED LIMIT AND WAITING RESTRICTIONS**

Purpose of Report

To:

- (i) Consider the objections to the advertised proposal for a 20-mph speed restriction and waiting restrictions on Station Road Calne and surrounding areas.
- (ii) Recommend the making of the Traffic Regulation Order (TRO) to implement the 20-mph speed limit as per the advertised proposal.

Consultation

The extents of the proposed 20-mph speed limit and waiting restrictions were agreed with Wenhill Residents Association and Calne Town Council prior to the formal advertisement process.

During the statutory advertisement period four residents wrote in to support the proposals and one objection was received to implement a 20-mph speed limit. Whilst the majority of comments supported waiting restrictions in the Station Road area, eleven comments were received asking for changes to the proposals. Calne Town Council is in support of all the proposals.

Details of the advertised proposals can be found in Appendices 1 and 2.

The points of objection received, alongside the officer comments, can be found in Appendices 3 and 4.

Options Considered

To:

- (i) Implement the proposals as advertised.
- (ii) Not implement the proposals.

Reason for Decision

After consideration of the correspondence received alongside the officer's comments it is considered appropriate to introduce the 20-mph speed limit and implement the waiting restrictions as per the advertised proposal.

DECISION MADE

I approve that:

- (i) The 20-mph speed restriction and waiting restrictions be implemented as advertised.
- (ii) The objectors be informed accordingly.
