WILTON ORDER: PROPOSED WAITING RESTRICTIONS

Purpose of Report

To:

- (i) Consider comments received to the advertised proposals for parking controls at two locations within Wilton.
- (ii) Recommend the making of the Traffic Regulation Order with minor amendments to the advertised proposals.

Consultation

As part of the town centre parking review the Town Council was consulted prior to the advertisement process and two locations within Wilton were put forward to advertisement.

During the advertisement period a total of 14 items of correspondence were received in response to the proposals contained within the advertised Traffic Regulation Order (TRO). Of the 14 items of correspondence received, 7 expressed support for the Council's proposals, 2 objected to the proposal in its current form and 9 commented on it.

Details of correspondence can be found in **Appendix 1** together with a summary of comments.

Officer response to the comments can be found in **Appendix 2**.

Options Considered

To:

- (i) Implement the proposals as advertised.
- (ii) Not implement the proposals.
- (iii) Implement the proposals with amendments.

Reason for Decision

The comments set out in **Appendix 2** on the various objections received indicate that it is considered appropriate to introduce the scheme with the minor amendments detailed in **Appendix 3**.
