### **CALNE ORDER: PROPOSED WAITING RESTRICTIONS**

#### **Purpose of Report**

To:

- (i) Consider objections to the advertised proposals for parking controls at various locations within Calne
- (ii) Recommend the making of the Traffic Regulation Order with minor amendments to the advertised proposals

#### **Consultation**

As part of the Town centre parking review the Town Council was consulted prior to the advertisement process and seven locations within Calne were put forward to advertisement

During the advertisement period a total of 26 items of correspondence were received in response to the proposals contained within the advertised Traffic Regulation Order (TRO). Of the 26 items of correspondence received, 13 expressed support for the Council's proposals, 13 objected to the proposals in their current form

Details of correspondence can be found in **Appendix 1** together with a summary of comments.

Officer response to the comments can be found in **Appendix 2**

#### **Options Considered**

To:

- (i) Implement the proposals as advertised
- (ii) Not implement the proposals
- (iii) Implement the proposals with amendments

**Reason for Decision**

The comments set out in **Appendix 2** on the various objections received indicate that it is considered appropriate to introduce the scheme with the minor amendments detailed in **Appendix 3**
