L3-22 - AREA BOARD DECISIONS - ONLINE MEETINGS (PERIOD 12)

Purpose of Report

This report sets out decisions requested from Malmesbury Area Board on 22 February 2022.

Online Area Board meetings have been accessible to the public via Microsoft Teams for those wishing to take part and contribute to discussions on grant funding, decisions on delegations and key priorities. In addition, meeting recordings could be viewed through a link provided on the agenda and meeting page from the council website (published 5 clear days in advance).

This report seeks a decision from the Leader of the Council to confirm decisions, following the discussions and recommendations at the Area Board meetings held online. It has not been possible for all Area Boards to formally make the decisions at this time, as they have not met in person based on public-health advice relating to the COVID-19 pandemic.

Consultation

The Leader will make funding decisions, delegations and agreed priorities following discussion and reflecting subsequent questions of the Area Board members and members of the public.

All items will be detailed within the agenda packs for the relevant Area Boards and available to view online (available 5 days prior to the meeting dates). Members of the public wishing to make representations on the decisions should feed this in at the relevant Area Board meeting to be factored into the Board's recommendation to the Leader. An account of any feedback and recommendations made at each Area Board will be presented to the Leader.

Options Considered

Since not all formal (in-person) Area Board meetings are taking place during the COVID-19 pandemic it is considered that determination by the Leader (following recommendation from the Area Board) ensures timely and transparent decision-making with local area input.

An alternative option would be for the Leader to make the decisions following recommendation from the local members, however the proposed process is preferred as it also allows for discussion with the public about grant applications at online meetings.

Malmesbury Area Board's funding decisions will be considered on its merits and in light of representations received from Area Board members and the public during the 5 days consultation period ahead of the meeting, and any raised during the meeting.

Reason for Decision

To ensure community priorities are met by the projects identified by allowing determination of Area Board funding decisions in a timely manner.

DECISION MADE

I approve that all funding decisions, decisions on delegations, and key priorities taken at Malmesbury Area Board, held online on 22 February 2022, be approved.

Details of all funding applications considered by the Area Board is available via the links to supporting documents below.

If you would like to make any representations to me on this issue please do so by 17 March 2022 via the relevant Area Board or c/o Democratic Services Officer matthew.hitch@wiltshire.gov.uk.
