PROPOSAL TO CREATE A RESOURCE BASE AT CLARENDON JUNIOR SCHOOL, TIDWORTH

Purpose of Report

To approve the Council to make a prescribed alteration to Clarendon Junior School, Tidworth by creating a resource base (special educational needs provision).

Consultation

It was agreed with Clarendon Junior School to start the statutory four-week consultation period on 29 April 2024. During this formal consultation period there were three responses, all in favour of the proposal to create the resource base.

Options Considered

Creating the resource base for the 2024-25 academic year will help meet the identified need for specialist SEN school places in the Tidworth and East Wiltshire area. The alternative 'do nothing' would carry the risks identified in this paper.

Reason for Decision

To provide specialist SEN school places for children in the Tidworth and East Wiltshire area assessed as needing this provision based on their Education, Health and Care Plan (EHCP).

DECISION MADE

Following consultation, I give notice that I have made the decision set out in the attached report.

This decision was published on 14 June 2024 and will come into force on 24 June 2024.

The following report and appendices are attached:
