**WPE-009-11 - LAND ADJOINING 35 AND 36 THE HALVE,
TROWBRIDGE**

Purpose of Report

To approve the disposal of an area of land of approximately 42 square metres in the area indicated edged red on the plan to the owners of 35 and 36 The Halve, Trowbridge on terms to be agreed by the Head of Strategic Property Services.

Background

The land shown edged red on the plan (**Appendix 1**) formed part of a grass verge between the rear of 35 and 36 The Halve and the footway at St. Thomas' Road. The householders have fenced the land and incorporated it into their gardens. As well as the land ownership/encroachment issue, the action taken contravenes planning legislation. Enforcement of the planning legislation can only be taken against the land owner, which is not possible as Wiltshire Council would have to take action against itself. The householders have indicated that they would like to buy the land. If terms can be agreed, selling the land will resolve both issues as enforcement action under the planning acts could then be taken against the householders if it should be necessary.

Consultation

Internal consultation with relevant departments has been carried out and there is no Council requirement for this land.

Options Considered

To:

- (i) Dispose of the land.
- (ii) Not dispose of the land.

Reason for Decision

To dispose of a small parcel of land which is of little use to the Council, obtain a capital receipt and resolve the encroachment onto the area by the adjoining owners.

DECISION MADE

I approve that land adjoining 35 and 36 The Halve, Trowbridge, approximately as indicated edged red on the plan at Appendix 1 be disposed of to the adjoining owners on terms to be agreed by the Head of Strategic Property Services.

This decision was published on 17th October 2011 and will come into effect on 25th October 2011.
