**CS-001-12 - PROVISION OF TIER 2 CHILD AND ADOLESCENT
MENTAL HEALTH SERVICES CAMHS (HEALTHY MINDS) SERVICE
BY OXFORD HEALTH FROM 1 APRIL 2012**

Purpose of Report

To support a decision to award Tier 2 Child and Adolescent Mental Health Services presently delivered by the council to Oxford Health NHS Foundation Trust.

Consultation

This proposal has been discussed by the Corporate Leadership Team. Corporate Procurement and Legal have been contacted in relation to the procurement route and unions and affected staff have been consulted and informed by HR and managers.

Options Considered

Not delivering a service, continuance of existing provision, integration with locality teams and integration of Tier 2 with Tier 3 and 4 specialist CAMHs.

Reason for Decision

The only option that will address existing issues, deliver improved services and best value is the integration of Tier 2 services with Tier 3 and 4 services, through Oxford Health.

DECISION MADE

I approve the the integration of Healthy Minds with Specialist CAMHs through a direct contract award to OH by Wiltshire Council. Council staff delivering Healthy Minds will be TUPE transferred to OH.

This decision was published on 3rd April, 2012 and will come into force on 13th April, 2012.
