CS-002-12 - SCHOOL TERM AND HOLIDAYS 2013-14

Purpose of Report

The purpose of this report is to ask the cabinet member to agree the school term and holiday dates for 2013/14 for Wiltshire's Community, Voluntary Controlled and Community Special Schools.

Consultation

A protocol for the setting of school term & holiday dates has been endorsed by the Teachers Joint Consultative Committee and County Secretaries (see Appendix A). In line with the recommendations set out in this protocol, two 195 term day calendars were proposed for consultation based on the Local Government Association's Standard School Year.

Consultations with schools, neighbouring authorities, members, public and other interested parties have been completed (see Appendix B).

The Joint Consultative Committee considered and noted the consultation responses at its meeting on 15th March (see Appendix C) and is recommending the consultation dates proposed in Option 1 of Appendix C.

Options Considered

It was decided to consult on a 195 term day calendar for 2013/14 based on the results of previous years' consultation. This had revealed that the majority of schools were not in favour of options showing less than 195 days due to the lack of flexibility offered for the setting of teacher development days and therefore the difficulties in securing quality trainers.

DECISION MADE

I have taken into account the views of those responding to the consultation, the opinions of the Joint Consultative Committee, and the views of members. I approve the 195 day calendar for School Term & Holiday Dates for 2013-14 as shown in Option 1 of appendix C. This decision was published on the 21st May and will come into force on the 29th May, 2012.
