INTENTION - TEMPORARY CLOSURE OF ODSTOCK TRANSIT SITE

Purpose of Report

To seek authority to temporarily close the transit site from 16th December 2013 to enable the council to undertake refurbishment work to Oak Tree Field and Dairyhouse Bridge sites in Salisbury.

Consultation

Consultation on the proposals for the development of this site have taken place with the residents on the site, the local Member and the Area Board Chair.

Options Considered

1. Not to close the transit site
2. To close the transit site

Reason for Decision

Temporarily closing the transit site will allow the council to temporarily house residents from two of its permanent sites in Salisbury and enable refurbishment work to take place on both sites. The request is to close the transit site from 16th December 2013 to enable the council time to provide further facilities to enable permanent residents to temporarily relocate to the site on a rolling basis.

INTENTION TO MAKE DECISION

Following consultation with officers I give notice that I intend to make the decision set out in the attached report. If you would like to make any representations to me on this issue please do so by 2 December 2013.
