Purpose of Report

To consider the comments received following the review of speed limits on a number of C class roads and to recommend an appropriate way forward.

Consultation

The initial results of the review were disseminated to the relevant Town and Parish Councils who were invited to make comment on the recommendations and were given the opportunity to put forward their case, should they wish to see a different result from that proposed by the review. Following the initial consultation period, a number of the affected Town and Parish Councils, as well as Wiltshire Councillors, commented on the proposals.

To:

- (i) Implement the review recommendations.
- (ii) Retain the existing speed restrictions and delete the proposal from the implementation programme.

Reason for Decision

The proposals have been assessed and are in accordance with the guidance provided by the Department for Transport, Circular 01/13 'Setting Local Speed Limits'.
