## Chairman's Announcements

<b>Subject:</b>	<b>Carers in Wiltshire: Joint Strategy 2016 - 2020</b>
<b>Officer Contact Details:</b>	<b>Karen Walters, Community Commissioner (Carers)</b>

Wiltshire Council and NHS Wiltshire Clinical Commissioning Group, in consultation with their other strategic partners (especially Carer Support Wiltshire, Wiltshire Parent Carer Council and Spurgeons) and over 50 carers have developed a new strategy for carers. The draft document is now available for the public to view and comment on before being finalised. It can be viewed in full on the council's consultations webpage:

Information postcards and leaflets are also available at this meeting.

Publicity materials can be provided from Karen Walters, Wiltshire Council, for any partners who would be willing to support spreading the message or if you would like to invite her to attend any local carer groups or meetings during the consultation period.

### Who do we mean when we talk about carers?

Anyone can become a carer. A carer is someone of any age, including a child (young carer), who provides unpaid support to a family member or friend who could not always manage without this help. This could be caring for a relative (a parent, grandparent, sibling, child, spouse, partner) or friend who is ill, frail, disabled or who has mental health or substance misuse problems. They should not be confused with paid or volunteer support workers.

Most people are likely to be undertaking a caring role at some point in their lives, with many of us needing to access some form of information, advice and support during this difficult time.

### Have we got things right in the new strategy?

We believe we have a strategy that is truly representative of the needs of Wiltshire carers. However, now is the time for you to have your say and influence the way services are commissioned over the next 4 years.

We invite members of the public, especially carers, to comment on this document to influence the future commissioning of support for carers in Wiltshire. We need you to tell us if we have got things right. We also want to

## **Chairman's Announcements**

know if you, as a carer, feel represented within this strategy and if not, what is it you would like to see added or changed. What services do you currently access (if any) that you value and why they are important to you?

We invite organisations and business in Wiltshire to comment on the document and to inform us of any contributions they are already making or could make, in order to support the delivery of this strategy.

A detailed action plan will be developed once the strategy is finalised to support its delivery.

### **Why is this strategy needed?**

A Carers UK press release on 12 November 2015 stated "Unpaid carers save the UK **£132 billion a year** – the cost of a second NHS." <sup>1</sup>

70% of the 47,608 <sup>2</sup>carers living in Wiltshire continue to remain hidden and it is believed that many of these people will not be aware of their carer status. Accessible information and advice is therefore vital to ensure that these people know where to get help and support when they need it.

The Care Act places additional duties on social care services in assessing and addressing the needs of carers. Carers now have parity of esteem with those people they care for. We need to ensure that carers' of people with mental health issues are able to access appropriate services to meet their needs. There is a requirement for all health, social care and educational professionals to identify young carers and ensure their needs are being met and that they are not carrying out inappropriate caring roles.

The 2015 Healthwatch report "Unpaid Carers in Wiltshire: help in a crisis" highlights the need to review how we support carers in a crisis. Whilst early intervention and prevention measures is expected to reduce the likelihood of this point being reached, there will be unavoidable circumstances when a carer reaches crisis point and it is vital targeted support is available to help them when they reach this point.

### **Our shared vision for carers in Wiltshire:**

Wiltshire cares for carers by ensuring that carers living in Wiltshire are identified and accepted as expert partners in care; are well informed; and maintain a good quality of life and healthy lifestyle outside of their caring responsibility.

To find out more please read the full strategy and / or contact Karen Walters direct.

## **Army Basing Briefing for the Amesbury, Pewsey, Tidworth and Warminster Area Boards - Updated 29 April 2016**

### **Background**

*The Ministry of Defence's Army Basing Programme will be delivered by 2020 and it is planned that all the Service personnel and their families who are due to relocate to Wiltshire from Germany, will do so by the summer of 2019. This will see some 4,000 Army personnel and approximately 3,200 dependants relocating to Larkhill, Bulford, Tidworth Ludgershall and Upavon. The MOD plans to invest in excess of £1 billion in Wiltshire under the programme, in these settlements as well as building more than 900 family homes and the additional levels of infrastructure and services to be provided by Wiltshire Council.*

### **May 2016 Update**

#### **Planning Applications**

The three applications for Service Family Accommodation at Ludgershall, Bulford and Larkhill were considered by the Strategic Planning Committee (SPC) on 13 April 2016. The committee resolved to grant permission for all three applications subject to the conditions recommended by the planning officer to the SPC and agreement of a Section 106 Agreement (which will define the contributions by the MOD) that must also make reference to the provision of affordable housing, should the houses be sold on the open market in the future. There were additional caveats:

- In respect of **Ludgershall and Bulford**, that additional "informatives" relating to speed limits on roads surrounding the development site be made to address road safety. *(It should be noted that Informatives allow the local planning authority to draw an applicant's attention to other relevant matters, but cannot be used in lieu of planning conditions).*
  
- In respect of **Larkhill**:
  - that the final design of the new roundabout access to the SFA must take account of Historic England's comments in respect of the assessment of visual impacts, including a night skies assessment, to demonstrate the outstanding universal value of the Stonehenge World Heritage Site is protected;
  - that prior to its determination, assessment be given of the relative merits of a 3-legged or 4-legged design for the roundabout access to the site and, if necessary, changes to that access being incorporated into the proposed development;
  - that in dealing with boundary treatments beside the Golf Centre, specific reference was to be made to consider the risk from wayward golf balls impacting upon the SFA site.

Planning permission for the main camp works at Tidworth, Larkhill and Bulford is being considered under delegated powers and are expected to be determined shortly. Permission for development at Perham Down was given in July 2015. The application for **Upavon's** redevelopment is expected shortly. It is later than the other applications as there is far less work required and therefore the development programme is shorter than that for the other camps.

## Section 106 Agreement

The MOD's Defence Infrastructure Organisation and Wiltshire Council have attended a series of meetings to finalise the section 106 agreement (s106). The final version will reflect upon any changes that may be required from the outcome of the SPC deliberations and it is hoped to sign and seal the agreement in May 2016. The s106 will cover:

- Off-site road junction improvements
- Provision of sustainable transport measures
- Land and contributions for education provision
- Delivery of community land / facilities at Ludgershall and Larkhill
- Access to MOD sports and community facilities
- Provision and maintenance of on-site public open space and play facilities
- Contributions towards collection of waste
- Delivery of the Larkhill medical facility to be made available for NHS GPs
- Ecology provisions – including: terms of reference for the Salisbury Plain Environmental Steering Group and Hydrology Steering Group, provision of recreation pressure mitigation in respect of breeding Stone Curlew, the detail and implementation of the Recreational Access Action Plan
- Affordable Housing commitments in the event the MOD sells the SFA covered by the applications.

## Community Infrastructure

The local Steering Group (SG) comprising Ludgershall Town Council (LTC), Wiltshire Council, the NHS, local health surgeries, MOD representation and the Community Engagement Manager met again on 14<sup>th</sup> April. Progress is being made to determine how the building being offered by the MOD can be best utilised and to ensure it is economically viable.

## Somme Road Shared Use (Cycle & Pedestrian) Path

The cycle path at Somme Road is nearing completion. DIO have completed the surfacing of the base and all that remains is for the 26<sup>th</sup> Royal Engineers unit to install lighting, complete the road markings and make good local groundworks. The unit is due to complete the work by July. It is hoped that the path will be officially opened in August, before the 2016/17 academic year starts. This is a good example of partnership working between Wiltshire Council, the DIO and Army to benefit local communities.

***NB: Now that there is positive news on the applications and only Upavon's main camp works requires any further planning consideration, these regular briefings to the Amesbury, Pewsey, Tidworth and Warminster Area Boards will cease. However, if there are any issues of significance or interest, they will be produced on an "ad hoc" basis for the benefit of the relevant board.***

**END OF ANNOUNCEMENT**

*(Briefed previously - but repeated for reference if required)*

**School Infrastructure**

The following additional school infrastructure is to be provided by the summer 2019:

- Funding for the additional 150 places currently being built at Bulford, Kiwi which will be ready for the new academic year (summer 2016) to accommodate children from the incoming 5 RIFLES unit. Planning permission to extend Bulford Kiwi Primary was granted on 18th December 2015. The extension to Bulford St Leonard’s has completed and will also be available for these and other children. This has not required funding from the ABP.
- The transfer and expansion of St Michael’s Primary School from Figheldean to Larkhill, adjacent to the proposed new 444 SFA development will be available by the summer 2018. Conceptual plans for the new St Michael’s Primary school building were displayed at a local exhibition in the Larkhill Community Centre on 25th January.
- The provision of 60 Early Years places to be incorporated into the above school will also be available by the summer 2018.
- Extension of both Avon Valley College and Wellington Academy to provide some 375 additional places. The MOD is also offering two hectares of land to extend Wellington Academy.
- Provision of a new primary school at Ludgershall alongside the MOD’s proposed 246 SFA development. This will be available by summer 2019.
- The provision of 30 Early Years places to be incorporated into the above school will also be available by summer 2019.

## Briefing Note

**Topic:** Wiltshire Good Neighbours De commissioning briefing

**Further Enquiries to:** Sue Geary

**Date Prepared:** 22<sup>nd</sup> March 2016

### **Introduction and background**

This briefing note has been prepared to give an update on the de-commissioning arrangements for the Wiltshire Good Neighbours Service (WGN) and to set out considerations for area boards.

The Care Act (2014) introduced general duties for local authorities to ensure that everyone living within a community has access to information and advice about their local care and support system and a general duty to prevent, reduce and delay needs arising across a community. The Wiltshire Good Neighbours service (WGN) did not meet this requirement as it was only delivered in rural areas in Wiltshire.

A decision was made to not renew the contract for the WGN service and that the funding should be fully devolved to Area Boards from April 1<sup>st</sup> 2016.

### **Health and Wellbeing Groups (HWB).**

The Health and Wellbeing Groups will provide a local forum to facilitate the coordination of joined up services for older people living within a community area. They are intended to gather the views of local older people and ensure these views are represented at the Local Area Board. The groups will focus on working with community commissioners to identify the needs of a local population and support the development of services that will meet these needs.

It is anticipated the groups will identify how best to co-ordinate support for vulnerable people in their area in a way that is more inclusive than the current good neighbour service and makes best use of the existing community capacity.

### **Older Peoples and Carers Champions**

To support the development of these groups funds are being devolved to the area boards to appoint Older People and Carer champions.

Each of the area boards have been asked to appoint local older peoples champions and carers champions. The champions will be part of the HWB group, identifying the needs of carers and older people and working to highlight and address these needs through initiatives supported by the HWB group.

Community Engagement Managers (CEMs) will work closely with the appointed champion(s) in order to ensure that the community groups they represent are included in area board discussions.

## **Funding**

An annual budget of £6,700 will be devolved to each Area Board to support and facilitate HWB group activities. This represents the full budget that previously was used to commission GNS.

It is anticipated that HWB groups will draw on local resources and assets in order to generate support for local initiatives.

A further £1000 will be provided annually to each of the area boards to support the appointment of older people and carer champions.

## **De-commissioning Good Neighbours**

The GNS will formally come to an end on 31<sup>st</sup> March 2016. People who were supported by GNS have either been referred to Adult Social Care teams or signposted to other Voluntary Sector support groups.

The GNS supported a number of groups in the areas they worked. The intention was that these groups should not rely on GN input and be self-sustaining. HWB groups or the Area Board can consider if they wish to support these groups with the funding they have if they are considered important to the community.

Good Neighbours staff will be made redundant on the 31<sup>st</sup> March. Some Area Boards have created new roles around their HWB groups that these staff will be appointed to.

The Council continues to build on the information and advice portal [www.yourcareyoursupportwiltshire.org.uk](http://www.yourcareyoursupportwiltshire.org.uk). The portal has a wealth of helpful guides and a resource directory of local activities and resources.

## **What Area Boards Currently Doing?**

Area Boards are at different stages around what to do next. Some areas already have existing groups that will take on the role of the HWB group, others will be starting from scratch and are starting to form a new group.

A Terms of Reference has been drafted for these groups, but Area Boards are encouraged to adapt this to suit how they want to meet these needs in their area.

Healthwatch Wiltshire are keen to support the development of these groups and the Community Commissioners are discussing the best way for Healthwatch to support CEMs and Area Boards.

Most Area Boards are yet to appoint their Older people and Carer champions.

## 1. Purpose

### **Definition of a Well Being Group**

The Chair of the group will be decided locally and could be any member of the wider Well Being Group. ## **5. Funding**

**AREA BOARD PROJECTS AND COUNCILLOR LED  
INITIATIVES APPLICATION FORM 2016/2017.**

<b>Area Board Project</b>
<p><b>1. What is the Initiative?</b></p> <p>This is a member initiative sponsored by Cllr Christopher Williams, to be paid from the 2016/17 capital budget.</p> <p>The request is for funding to provide the more advanced equipment required for Hikes, Expeditions (including Duke of Edinburgh Scheme Expeditions) and Senior Scout activities. These have been identified by the older Scouts themselves in conjunction with qualified outdoor expedition experts and the appropriate guidance handbooks from the B-PSA and D of E.</p>
<p><b>2. Where is the initiative taking place?</b></p> <p>Ludgershall &amp; Surrounding Area</p>
<p><b>3. When will the initiative take place?</b></p> <p>2016</p>
<p><b>4. What is the Community benefit/evidence of need/links to Community Plan/Community Issue?</b></p> <p>The 5th Wiltshire B-P Scout Group is a successful and growing Baden-Powell Scout Association Group serving Ludgershall and the surrounding area with an active group of young people and adults (17 Beavers aged 6 to 8, 18 Wolf Cubs Aged 8 to 11, 14 Scouts and Senior Scouts aged 11 to 18, 10 Rover Scouts aged 18+). The Group currently has 9 fully warranted Adult leaders and waiting lists in all sections.</p> <p>Over the next year the Scout and Senior Scout sections will more than double in size as the current Wolf Cubs and Scouts move up increasing the need for the equipment in this request. This doubling excludes any influx of new members created by the numerous local housing developments underway and the incoming 35 Engineer Regiment to Ludgershall.</p> <p>Each year the Group holds or takes part in an average of 12 camps and thanks to our initial funding in 2013 from the Area Board and Aster Communities has a good set of basic camping equipment which is kept in dry, secure storage in Andover to keep it in mint condition albeit at a cost to the group of £1k per year.</p> <p>However, against this positive background with the steady increase in the number of over 13's in the Group we suffer from a total lack of the more advanced equipment required for them to undertake their Hikes and Expeditions (including Bronze D of E) and the other more adventurous</p>

and self-sufficient outdoor activities our programme includes.

The Group is also playing an active part in the build up towards the next World Federation of Independent Scouts World Jamboree in England in 2018 which is open to all those in the Group over the age of 7 and will give them an unmissable opportunity to mix with others from as a far afield as Canada, Spain, Denmark and the Czech Republic.

## 5. What is the desired outcome of this initiative?

It is hoped that this initiative will contribute to tackling Child Poverty issues in the Tidworth Community Area as highlighted at the November 2015 Area Board.

- Number of children in poverty in Tidworth Community Area – 480

**Significantly higher** than Wiltshire average

- Key Stage 4 free school meal attainment gap 54.3% (31.1%)
- % Children who are obese/overweight, Reception Year 25.5% (21.2%)

## 6. Who will Project Manage this initiative?

The 5th Wiltshire B-P Scout Group Leaders

Our Parish Councillors do not feel that we should ask our residents to contribute more and therefore seek a Community Grant to match our villager's contribution.

**5. Project title?**

Everleigh WW1 Commemoration Stone

**6. Project summary:**

There is currently no war memorial in Everleigh. This project is part of our commemoration of the 100th anniversary of WW1 and aims to erect an oolitic limestone stone with a suitable plaque to commemorate those men and women from Everleigh who served their country during WW1 five of whom paid the ultimate sacrifice. Lest we forget

All residents of Everleigh young and old will benefit from this WW1 Commemoration Stone by reminding us of the importance of service and sacrifice for our country.

The benefit of this project will be apparent by the number of people who stop and consider this commemoration stone which will be sited in the heart of Everleigh by the Bus Shelter on the A342. This is the key indicator for success and will be monitored by councillors on a periodic basis.

Collingbourne Cricket Club has had an influx of Under 10 Children join in the last 12 months. Up until now they have been playing soft ball cricket Kwik Cricket but are now moving into hard ball cricket. In the past Collingbourne Cricket Club have applied for kit through the Lords Taverners scheme but this no longer exists and we do not have any Under 11 safety equipment for these new players to use. I would like to be able to purchase such kit along with coaching equipment to allow them to play the sport of cricket safely and correctly.

In the last year we have gained an additional 10 Under 11 playing members and now boast a total of 20. The majority of these members will be playing hard ball cricket for the first time and struggle to afford to buy all the required kit to allow them to do this within the ECBs safety Guidelines. We will be running 1 Under 11 team this year and have an additional 9 Under 9s coming through who will benefit from having access to this equipment going forward. The additional coaching kit is to allow us to train the players in multiple skills from age 7 to 13. Our whole Colts section of 40 children

**14. How will you monitor this?**

The Kit will be stored at the Clubs home Collingbourne Village Hall in secure lockers. It will be used in every game 12 arranged for the summer of 2016 at Under 11 so far and along with the coaching kit at all practices. 2 a week from April to September

**15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?**

Any further equipment will be bought by Collingbourne Cricket Club we could just do with a hand in getting the main bulk first.

**16. Is there anything else you think we should know about the project?**

The whole project will cost 750 to get all the equipment we wish for. We can currently comfortably supply half of that.

Improve disabled access and disabled car park marking to Village hall

**6. Project summary:**

The original main entrance to Collingbourne Ducis Village Hall was installed over 30 years ago. It is ramped but some of the paving stones are cracked and worn also there is a lip at the top of the ramp in the door entrance. This creates difficulties for wheelchair users people with

mobility issues and mothers with prams. We are seeking to replace this with a continuous ramped access. Disabled parking adjacent to the village hall is non-existent. We wish to mark out two disabled bays to enable improved and safe parking for disabled users. The village hall car park is heavily used particularly in term time. The two bays would ensure that car owners with mobility problems would be able to park as near to and as safely as possible to the Hall.

## Change is coming to the NHS: Local health organisations and communities forge blueprint for improved health and wellbeing

Over the next few months, leaders from health and care organisations from Wiltshire, Bath and North East Somerset (BANES) and Swindon will be working together to develop a 'Sustainability and Transformation Plan' (STP) so that the aims of the [NHS Five Year Forward View](#) – improved health and wellbeing, transformed quality of care delivery, and sustainable finances – can become reality. The collaboration gives the opportunity to make big changes to the way we address the needs of local people at a time when quality, services and finances are all under immense pressure.

The BANES, Swindon and Wiltshire (BSW) plan is being led by James Scott, the Chief Executive of Royal United Hospital in Bath. James has been Chief Executive at RUH since 2007, and will oversee and coordinate a team drawn from the leaders of each of the health and social care organisations included in our STP 'footprint' area.

This means that BSW plan brings together our three hospitals (Royal United Hospital, Great Western Hospital and Salisbury Foundation Trust), the three Clinical Commissioning Groups; BANES, Swindon and Wiltshire Councils, South West Ambulance Service and Avon and Wiltshire Mental Health Partnership Trust. The providers of our community services – Wiltshire Health and Care, Seqol and Sirona – and the Wessex Local Medical Committee (representing GPs from across the BSW area) complete our organisational grouping. Working together to cover a combined population size of approximately one million people, the BSW grouping will bid for and receive a transformation fund from 2017/18 onwards, which will be used to pay for health and social care services for people living in our area.

You can read more about Sustainability and Transformation Plans, how they will work across the country and what they mean for the NHS here: [www.england.nhs.uk/2016/03/footprint-areas/](http://www.england.nhs.uk/2016/03/footprint-areas/)

Details of how you can hear more information through public meetings and other engagement opportunities will be posted on [Wiltshire CCGs website](#), so please keep checking for details.

## Living healthily in middle life can double your chances of being healthy at 70 and beyond

Public Health England has launched **One You**, a ground breaking campaign, aimed to encourage adults to take control of their lives and become healthier.

Our lifestyles can be unhealthier than we think and around 40% of all deaths in England are related to behavior. Modern day life makes it hard for people to live healthily and many of us will have dramatically increased our chances of becoming ill later in life.

The environment in which we live, work and play can make it really tough to choose healthy options – with many of us sitting at a desk for eight hours a day, technology making it easier to shop, being entertained and keep in touch with friends and family all from the sofa.

Whether we are eating the wrong things, drinking more than we should, continuing to smoke, or just not being active enough, all of these small things can add up to an unhealthy you.

**One You** gives you the chance to change your lifestyle choices by providing you with all the tools, support and encouragement you need to help improve your health right away.

Take the **One You** health quiz [‘How Are You?’](#) to see how you score and start the fight back to a healthier you

Giving you the support to make better choices today can have a huge influence on your health, and could help prevent diseases such as type 2 diabetes, cancer and heart disease and will also reduce your risk of suffering a stroke or living with dementia, disability and frailty in later life.

It’s up to all of us to make a change and shape our further health - Take the quiz now – it’s never too late to get your health back on track

## Area Board Update - April 2016

### Consultation on proposed changes to the Wiltshire Council charging policy

Wiltshire Council is consulting on a number of proposed changes to its policies relating to charging for certain care services. The Consultation started on Tuesday 1st March and closes on Monday 30th May. Healthwatch Wiltshire wants to hear from local people about the changes which include changes to its charging policy for adult social care. We are holding a number of public meetings around the county where you can hear from the Council about the proposed changes and have your say. There is also a survey which can be completed online. If you cannot get to a meeting or complete the online survey, we still want to hear your views. Please get in touch with us! We will be writing a report based on what we hear from local people for the Council which it will consider when it makes its final decision. More information can be found here: <http://www.healthwatchwiltshire.co.uk/news/take-part-consultation-process-proposed-changes-wiltshire-council-charging-policy>.

Make sure your views are heard!

### Care Quality Commission (CQC) inspection of Avon and Wiltshire Mental Health Partnership NHS Trust

The CQC is the independent regulator of all health and adult social care in England. On 23rd May 2016 the CQC will be inspecting the services provided by the Avon and Wiltshire Mental Health Partnership NHS Trust. It wants to hear from local people about their experiences of services to help them to understand what is good and bad about the care provided.

If you would like to provide any feedback on your experiences of services, please contact the CQC: telephone 0300 0616161; email [enquires@cqc.org.uk](mailto:enquires@cqc.org.uk); website <http://www.cqc.org.uk/share-your-experience-finder>. Alternatively you can contact Healthwatch Wiltshire as we work closely with the CQC to support its inspections.
