### PROCEDURAL RULES FOR THE HEARING OF LICENSING ACT 2003 APPLICATIONS

#### 1 Purpose

- 1.2 The rules set out a framework for how applications are to be heard and explain the role of the participants at the Hearing.

#### 2 Definitions

- 2.1 The following definitions describe the participants at and the subject matter of a Hearing:

**“Applicant”** means the person who has submitted an Application for consideration by the Committee.

**“Applicant’s Premises”** means premises subject to the Application.

**“Applicant’s Representative”** means a person attending a Hearing to assist or represent an Applicant including a lawyer.

**“Application”** means an application for the Grant/Variation/Transfer/Review and any other decision to be made by the Committee/Sub-Committee in respect of a Licence.

**“Chairperson”** means the Member who is the Chairperson of the Committee for the particular Hearing.

**“Committee”** means the Council’s Licensing Committee and includes any Sub Committee of the Licensing Committee.

**“Committee Lawyer”** means the Council’s Lawyer (including an external Lawyer instructed by the Council’s Legal & Democratic Services Manager) who is present at a Hearing to advise the Chairperson and the Members.

**“Committee Manager”** means the Council’s Officer who is present at a Hearing to take minutes.

**“Committee Report”** means the Licensing Officer’s written report to the Committee concerning an Application, a copy of which has been previously made available to the Applicant or their Representative, a Responsible

**“Responsible Authority”** means a person who is present at a Hearing to make representations in respect of an Application in their capacity as Responsible Authority and includes any person who is present to assist or make representations on behalf of the Responsible Authority including a Lawyer.

### **3 Key Principles**

- 3.1 The principles of ‘natural justice’, and Article 6 ‘Right to a Fair Trial’, which is one of the Convention Rights in the Human Rights Act 1998, require that there is a fair Hearing of Applications.
- 3.2 Natural justice is an umbrella term for the legal standards of basic fairness. This will include that:
  - 3.2.1 the Applicant has an opportunity to make representations before a decision is made;
  - 3.2.2 those making representations have an opportunity to voice their representations before a decision is made;
  - 3.2.3 the Applicant has an adequate opportunity to consider and respond to any submissions made by a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation;

- 3.2.4 the Committee does not exclude an Applicant from a Hearing in order to consider submissions from a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation.
- 3.3 It is also fundamental that there is an orderly presentation of submissions at a Hearing so that the relevant issues are properly understood, evidence is tested and that oral statements made at the Hearing are accurately recorded.
- 3.4 Ultimately the Chairperson determines the application of these rules, having regard to any submissions being made by those present and in particular the Committee Lawyer.

## **4 The Hearing**

- 4.1 The Hearing shall take place in public.
- 4.1.1 The Committee may exclude the public from all or part of the Hearing where it considers it to be in the public interest to do so and, in accordance with the Local Government (Access to Information) Act 1985, as amended. Public includes a party and any person assisting or representing a party.
- 4.1.2 The Committee may require any person attending the Hearing who, in its opinion, is behaving in a disruptive manner, to leave the Hearing and may:
- A refuse to permit them to return;
  - B permit them to return only on such conditions as the Committee may specify;
  - C in the event that a person is required to leave a Hearing that person may, before the end of the Hearing, submit to the Committee in writing any information which they would have given orally.
- 4.2 Prior to the Hearing commencing, the Chairperson shall advise the parties of the procedure it proposes to follow at the Hearing.
- 4.3 Where a party has previously requested permission for a person(s), other than their representative, to appear at the Hearing then the Committee shall consider whether to permit that request.
- 4.4 The Committee will allow the parties an equal maximum period of time in which to exercise their rights.
- 4.5 This equal maximum time may have been notified in advance of the Hearing;
- 4.6 Where there are a number of people who have attended the Hearing to make the same representation then the Committee would normally require that a spokesperson be appointed by them to make the representations on behalf of all of those who have made Relevant Representations .

## **5 Presentation of Submissions**

- 5.1 The Chairperson will introduce the Application.
- 5.2 In the event that the Licensing Authority has given notice to a party requiring clarification on a point(s) then that party shall respond to the points raised by the Licensing Authority.
- 5.3 Submissions shall be made in the following order unless the Chairperson directs otherwise:
  - 5.3.1 The Licensing Officer will orally present the Committee Report and will in particular advise the Committee as to:
    - A the options available to it;
    - B the considerations that are relevant in reaching its decision.
  - 5.3.2 The Applicant (or the Applicant's Representative) will orally present its submission which may include:
    - A presenting their case in accordance with the papers, which will have been circulated with Agenda papers;
    - B confirming key information and answer pertinent questions; and
    - C calling witnesses in support of the Application (see paragraph 4.3).
  - 5.3.3 A Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation will orally present their representations in turn which shall include:
    - A the grounds of the representation to the Application; and
    - B any condition(s) that the Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation would be happy to have the Application granted subject to which would cause the representation to be withdrawn.

## **6 Questioning of Submissions**

- 6.1 The Chairperson will regulate the order in which questions are asked by Members.
- 6.2 The Chairperson and Members, voiced through the Chairperson, may question any party following the completion of their submission.
- 6.3 The Chairperson will normally permit the Applicant, a Responsible Authority/Authorities or any person/s who have made a Relevant Representation to ask questions through them of the other parties.
- 6.4 The Chairperson may direct that questions which are not relevant to the Application or one of the four Licensing Objectives are not formally put or answered.

## **7 Documentation**

- 7.1 No party shall present new documentation to the Committee at the Hearing other than with the consent of all of the other parties. This does not preclude the Licensing Officer from correcting errors, providing updated information or an extract from a local map showing the Applicant's Premises in the context of the surrounding premises and any person/s who have made a Relevant Representation . If any party is granted permission to present supplementary papers at the Hearing they shall provide at least 10 copies at the start of their submission.

## **8 Intervention**

The Chairperson shall permit the following interventions at any point in the Hearing:

- 8.1 The Committee Lawyer to advise the Committee on issues of law, procedure and relevant considerations on decision making. If necessary, the Chairperson may require the Committee, the Committee Lawyer and the Committee Manager to leave the Hearing so that advice can be given.
- 8.2 The Committee Manager to advise the Committee on procedure generally, or to request that statements made are repeated for reasons of clarity and so that they can be properly recorded.
- 8.3 The Licensing Officer to seek to clarify statements that have been made in light of information held on their file.

## **9 Failure of Parties to Attend Hearing**

- 9.1 If a party has informed the Licensing Authority that it does not intend to attend or be represented at a Hearing, the Hearing may proceed in its absence.
- 9.2 If a party has not indicated that it does not intend to attend or be represented at a Hearing and fails to attend or be represented at the Hearing then the Licensing Authority may:
- 9.2.1 where it considers it be necessary in the public interest, adjourn the Hearing to a specified date; or
- 9.2.2 hold the Hearing in the party's absence.
- 9.3 Where the Licensing Authority holds a Hearing in the absence of a party, it shall consider at the Hearing the application, representations or notice made by that party.

## **10 Closing Submissions**

- 10.1 The Chairperson shall allow first, the Responsible Authority/Authorities and any person/s who have made a Relevant Representation to make a closing oral submission(s) and secondly invite the Applicant or the Applicant's Representative an opportunity to make an oral closing submission in support of the Application.

## **11 Decision**

- 11.1 The Committee, the Committee Lawyer and the Committee Manager, shall retire so that the decision may be considered in private, and to consider any legal issues raised by the Members.
- 11.2 The decision, and reasons for the decision, of the Committee shall be communicated orally by the Chairperson to the parties after the Committee has deliberated in private on the Application.

#### 1. Purpose of Report

- 1.1 To determine an application for a variation of a Premises Licence in respect of Center Parcs, Longleat Forest, Warminster, Wiltshire, BA12 7PU made by Center Parcs Limited.

#### 2. Background Information

- 2.1 An application for a variation of a Premises Licence in respect of Center Parcs, Longleat Forest has been made by Center Parcs Limited for which one relevant representation has been received.
- 2.2 Wiltshire Council (as the Licensing Authority) must hold a hearing to consider the application having regard to the representations. In accordance with Section 35(3) of The Licensing Act 2003 the Licensing Sub Committee is required to take such of the steps listed in 2.4 below as it considers appropriate for the promotion of the licensing objectives. In considering the application and the relevant representations, the Sub Committee must also have regard to relevant Government guidance and the Council's Licensing Policy.
- 2.3 The licensing objectives are:
- i) The Prevention of Crime and Disorder;
  - ii) Public Safety;
  - iii) The Prevention of Public Nuisance; and
  - iv) The Protection of Children from Harm.
- 2.4 Such steps are:
- i) To modify the conditions of the licence.
  - ii) To reject the whole or part of the application.
  - iii) To grant the application as applied for.
- 2.5 On 1 August 2016 an application for a variation of the existing premises licence, was received and accepted as a valid application.

2.6 The details of the variation applied for, are as follows:

- Update licensed area, to exclude accommodation, car park & arrivals lodge.
- Update plans of each individual unit, with unit name changes reflected.
- Addition of indoor sporting events.
- Increase numbers, from 4,999 to 8,700 to include ‘changeover days’.
- Add the following condition:  
 “Temporary bars will be placed in various locations within the perimeter of Center Parcs licensed areas for special events, including:
  - Winter Wonderland (Nov-Dec): temporary bar outside of the Sports Café and at Village Square
  - New Year’s Eve: temporary bar outside the Jardin Des Sports
  - Sporting events: temporary bars in each of the above locations
 For any additional temporary bars, Center Parcs will notify Wiltshire Council at least 7 days in advance of the event and confirm the location of the temporary bar, the date(s) it will be in place and the hours of operation.”

A copy of the application form is attached as **Appendix 1**. The plans accompanying the application are attached as **Appendix 2**.

2.7 Since 24 November 2005, the premise has benefited from a Premises Licence issued under the Licensing Act 2003. The original licence allowed the following:

<b>Licensable Activity</b>	<b>Hours</b>
Films (Indoors)	Monday-Sunday 00:00-24:00
Live Music (Indoors & Outdoors)	Monday-Sunday 00:00-24:00
Recorded Music (Indoors & Outdoors)	Monday-Sunday 00:00-24:00
Performances of Dance (Indoors & Outdoors)	Monday-Sunday 00:00-24:00
Anything of a similar description to that falling within (e), (f) or (g) (Indoors & Outdoors)	Monday-Sunday 00:00-24:00
Late Night Refreshment (Indoors & Outdoors)	Monday-Sunday 23:00-05:00 (Next Day)
Supply of Alcohol (On and Off)	Monday-Sunday 00:00-24:00

2.8 The Premises Licence was subsequently varied in July 2006. The application was to carry out the following:

1. Vary the existing licensed area to include an additional area.
2. Remove the conditions and embedded restrictions from licenses transferred under the transitional provisions of the Licensing Act 2003.

3. Replacement of existing conditions with conditions set out in the application.
4. To allow outdoor dancing in the areas shown on the plan.

2.9 The Premises Licence was varied again in January 2007. This application was to carry out the following:

1. Vary the licensed area to delete reference to specific areas.
2. Variation of conditions.
3. Addition of plays to licensable activities.

The current Premises Licence is attached as **Appendix 3**.

2.10 A general licensing inspection was carried out at the premises on 25 February 2016. It was following this inspection that I advised Center Parcs that they needed to apply for a variation. This was as a result of some of the plans attached to the premises licence being outdated and the 5,000 person limit on the site at any one time potentially being exceeded.

### 3. Consultation and Representations

3.1 The application process requires a public notice (on pale blue paper) to be posted on the premises for a period of 28 days together with a publication of notice in a local news paper within 10 working days, starting on the day the authority receives the application. During the consultation period one relevant representation has been received from Horningsham Parish Council.

#### 3.2 Responsible Authorities

- None

#### 3.3 Interested Parties

- Horningsham Parish Council

3.4 A summary of the representations made is detailed in the table below:

Representation	Licensing Objective	Accepted	Comments
That the traffic from the further 3700 persons will cause even more public safety issues than were being had at present.	Public Safety	Yes	-

3.5 The relevant representation is attached as **Appendix 4**.

### 4. Legal Implications

4.1 This hearing is governed by the Licensing Act 2003 (Hearings) Regulations. These provide that hearings should be held in public unless the Licensing

Authority considers that the public interest in excluding the public outweighs the public interest in the hearing taking place in public.

4.2 The Applicant and Responsible Authority who have made representations have been informed of the date, time and location of the hearing and their right to attend and be represented.

4.3 At the hearing the applicant and the Responsible Authority who have made representations are entitled to address the Sub Committee and to ask questions of the other party, with the consent of the Sub Committee.

## **5. Officer Recommendations**

5.1 Officers are not permitted to make a recommendation – the decision is to be reached by the members of the Licensing Sub Committee.

## **6. Right of Appeal**

6.1 It should be noted that the Premises Licence Holder, and the Responsible Authority who have made representations may appeal the decision made by the Licensing Sub Committee to the Magistrates Court. The appeal must be lodged with the Magistrates Court within 21 days of the notification of the decision.

6.2 In the event of an appeal being lodged, the decision made by the Licensing Sub Committee remains valid until any appeal is heard and any decision made by the Magistrates Court.

6.3 A Responsible Authority or any person may apply to the Licensing Authority for a Review of a Premises Licence. Whether or not a Review Hearing takes place is in the discretion of the Licensing Authority, but, if requested by a person other than a Responsible Authority will not normally be granted within the first 12 months except for the most compelling circumstances.

## Notes for Guidance

**This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.**

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.
2. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
4. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
5. For example (but not exclusively), where the activity will occur on additional days during the summer months.
6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
7. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.

Dear Hannah

The Parish Council met tonight and discussed the above application. I have added the minute decision below giving the Parish Councils reply that it does not support this application under Public safety, the traffic is already causing near misses with queuing traffic into Centre Parcs and traffic trying to go past, several incidents have been witnessed.

Application for a Variation to a Premises Licence: Centre Parcs, Longleat Forest, Warminster  
Application by: Centre Parcs Limited

Resolved: that under public safety, the Council did not support this application. That there was concern that the traffic from the further 3700 persons will cause even more public safety issues than were being had at present. "Increase 5,000 person limit at any one time on the premises to 8,700 people to include 'changeover days'" Council wished to know how would they deal with the traffic entering Centre Parcs, should the license be approved. The volume of traffic is already causing issues. Proposed Councillor Steve Crossman Seconded Councillor Ken Windess. All were in favour it was agreed that Centre Parcs would be invited to the September meeting to discuss the issues had at present.

Kind regards

Sarah Jeffries MILCM
