Agenda Item 1

Chairman's Announcements

Subject:	New fly-tipping campaign: We're Targeting Fly-tippers
Web contact:	peter.white@wiltshire.gov.uk

Wiltshire Council has launched a new reward campaign to prevent fly-tipping in the county.

The We're Targeting Fly-tippers (WTF) campaign aims to combat the scourge of fly-tipping by offering residents a reward of up to £200 in high street vouchers if they report information that leads to the successful prosecution of an offender or the payment of a Fixed Penalty Notice (FPN).

If anyone has any information about fly-tipping in Wiltshire, they are requested to report it using the My Wiltshire app with as much information as possible. If this information leads to a successful prosecution or payment of a Fixed Penalty Notice, the person who reported it will earn a voucher of up to £200.

We want residents to provide information as possible, such as where the fly-tip is, the registration and make or model of the vehicle they saw, plus any description or photographs of the alleged fly-tippers. **However, it is essential that people do not attempt to confront anyone who is fly-tipping or put themselves in danger in any way. We also ask people not to try to rummage through or disturb the waste, as this could affect the scene and put people in danger.**

Fly-tipping costs Wiltshire Council more than £180,000 each year, it is unsightly and it is a danger to people, wildlife and the environment.

In Wiltshire, most fly-tip reports are of a commercial nature, where waste is cleared for a fee and then dumped to avoid lawful disposal costs. Penalties for offenders include an unlimited fine and/or five years' imprisonment; a £50,000 fine and/or 12 months' imprisonment; or a FPN of £400 if they are caught fly-tipping small-scale waste.

Chairman's Announcements

Subject:	Warm and Safe Wiltshire – help available this winter
Web contact:	https://www.warmandsafewiltshire.org.uk/

Warm and Safe Wiltshire is a single point of contact cold homes and energy saving advice service set up specifically to assist the health service in Wiltshire. The service is run by the Centre for Sustainable Energy (CSE), an independent charity, on behalf of Swindon Borough Council and Wiltshire Council.

The service provides a range of support both over the phone and through home visits. The telephone advice line is available to all residents and provides support which includes information about insulation and heating, guidance on heating systems, advice on understanding energy bills, help with ensuring a client is on the best energy deal, signing residents up to the Priority Services Register and fuel debt support.

Home visits are provided on a case-by-case basis and are especially useful where issues are challenging or difficult to discuss and support over the phone. As a guide, householders should have a vulnerability, such as an older occupant, low-income or health condition(s), to receive a home visit.

Wiltshire Community Foundation administer a Surviving Winter grant of £300 per person to help vulnerable residents pay for winter costs.

Warm and Safe and Age UK are the referral partners who can help clients complete the application form process and compile the necessary evidence for Wiltshire Community Foundation to make their decision.

The grant is administered on a first-come-first-served basis and it is in two rounds this winter. It should be noted that funds are limited.

- Round 1 opened 21 October and is open until 13 December 2019 **(Please note Warm and Safe have allocated all grants in this round but are adding clients to a waiting list for round 2)**
- Round 2 opens 13 January to 20 March 2020

Chairman's Announcements

Subject:	Wiltshire Green Pledge
Web contact:	http://www.wiltshire.gov.uk/green-economy-climate-emergency

Earlier this year Wiltshire Council pledged to be carbon neutral by 2030, and its councillors have agreed to seek to make the county of Wiltshire carbon neutral by 2030.

To help with this, The Green Pledge has been launched which is asking people to commit to making small changes that can have a big positive impact on the environment.

Such pledges could include:

- Leave the car at home and walk more
- Take shorter showers and turn off taps when brushing teeth
- Use a reusable cup
- Turn off lights when not using them

We want everyone to have a think about the changes they can make, starting today.

People should visit <http://www.wiltshire.gov.uk/green-economy-climate-emergency> to make a pledge – it only takes a couple of minutes.

HIGH LEVEL CPT UPDATES:

My Deputy Lucy and I have now seen out our first summer period at Amesbury. This was a great success for us with building strong working relationships with our communities and partner agencies.

One of the highlights over the summer periods was our improvements surrounding our military liaison. We appreciated that the relationship needed to be strengthened and we are glad to report that our RMP colleagues regularly now attend our police briefings and assist us over the weekends. They are also now conducting joint patrols with us over the pay day weekends to ensure we have the appropriate people on the ground to deal with any issues that may arise in the town centre.

Garrison Commanders Jamie Balls and Nick Turner have now increased their community partnership meeting to include once a month meeting at The Beeches in Bulford on the last Monday of every month at 1400. This is in addition to the one run at Tidworth that runs on the same day between 10am and 1130.

Coming up we have the Wiltshire Police drink drive campaign, this runs from 1 December – 1st January to cover the seasonal period. We have been in discussions with the military and have decided to run joint operations with the RMP to target and deter any drink drivers. The first of these operations will commence on the weekend of 25th October.

We continue to have reports of speeding traffic in the Collingbourne Kingston area. Last week, 16th October PC Webster and PCSO Sam Flippance conducted a speeding operation in this area. This is a 30 MPH speed limit, in total NINE drivers were given suitable words of advice and ONE driver was reported for exceeding the 30 MPH speed limit due to doing a speed of 42 MPH. More of these speed checks will be conducted over the coming weeks in other areas across South East.

In September Amesbury Community Policing Team took part in a county wide and national knife crime awareness campaign - Op Sceptre.

This is a knife crime prevention initiative which brought together police forces, local authorities and education establishments among other agencies to tackle knife crime. Our most important audiences are our children and young adults, and we must find ways to raise awareness of the dangers of carrying a knife or owning an illegal weapon.

Fortunately in Amesbury, Tidworth, Ludgershall and Wiltshire as a whole, very few choose to leave the house with a knife or blade, and the reality is that those who do are more likely to be involved in a violent act or be injured.

As part of this awareness campaign we took one of our crime prevention tools, a Knife Arch (similar to an airport security arch) to local schools and talked to the students about the dangers of carrying knives.

WILTSHIRE POLICE

CPT Area Briefing

October 2019

No knives were found and the Knife Arch was only present for approximately an hour. Stonehenge School and Wellington Academy.

There is not a knife crime problem at any of our local schools but education is key, and we need to be passing this on to our children that it's never OK to carry a knife.

Finally, we are very grateful to the schools which helped support our campaign.

On 27th September we arranged a coffee morning that was held with Dorset Fire and rescue held at Amesbury Fire Station.....

We continue to have reports from our rural farming community regarding hare coursing and poaching. Amesbury officers joined with Salisbury officers on Saturday 19th October and conducted an operation to focus on this. This was a great success and led to the arrest of 5 persons on suspicion of poaching offences and have been released from custody pending further investigation. We will continue to work closely with our farming communities and will be conducting more of these joint operations over the coming months and are pleased to report that on 28th October we have a new PCSO joining our team. Michael Farebrother joins us fresh from training, he will be tutored for 8 weeks before taken on joint responsibility with Tina Roylance for Amesbury rural patch.

HIGH LEVEL PCC UPDATES

- **Recruitment** - Police officer recruitment continues with more than 500 applications received so far since the campaign launched on 23 September. Wiltshire Police is accepting applications until Sunday 13 October.
- **Community work** - In September PCC Angus Macpherson awarded a total of £22,500 from the Police Property Act to projects across the county which make a difference in their communities. Beneficiaries include a drop-in service for homeless people, a 12-week personal development course for unemployed young people and a pilot project using photography to engage with young people at risk of offending or exploitation. Full details are available on our website.
- **Herbert Protocol** – The PCC was proud to join Wiltshire Police, Swindon Borough Council, healthcare partners, Swindon Carers Centre and the Alzheimer's Society at the launch of the Herbert Protocol last month. It comprises of a document in which carers, family and friends of vulnerable adults can fill out key details about the individual as a pre-emptive measure in case they later go missing. This will enable the police to start their initial enquiries sooner with the aim of finding the missing person safe and well.

HIGH LEVEL FORCE UPDATES

- **County Lines** – The issue of gangs transporting Class A drugs from major cities such as London and Manchester into rural counties, is one which is attracting significant media attention. Here in Wiltshire we are raising awareness of the problem, and specifically the impact these crimes have on the wider community, as they are often linked to modern slavery and organised crime, with children and vulnerable adults being exploited. Please look out for local media coverage, or go to our website for more information.
- **Domestic abuse** – This month we are highlighting the work Wiltshire Police is doing to tackle domestic abuse, including educating the public about the support that is available for victims. This campaign will include a young mother, who has been the victim of domestic violence, speaking out about her story in the hope that she can encourage other victims to come forward and get support.
- **Rural crime** - During the beginning of October we are taking part in a national week of action targeting rural crime. Our work will include providing crime prevention advice and encouraging residents to report all incidents to the police, as well as having our Community Policing Teams and the Rural Crime Team out and about engaging with our rural communities.

WILTSHIRE AREA BOARD REPORT

Community Safety Plan

DWFRS Community Safety Plan can be found on the DWFRS website;
<http://www.dwfire.org.uk/community-safety-plan/>

Prevention

We are committed to making a real difference to the lives of people in Dorset and Wiltshire. Our aim is to reduce the level of risk and harm to our communities from fire, targeting those most at risk. We do this primarily through our Safe and Well visits.

A Safe and Well visit is **FREE** and normally lasts about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

Are you or anyone you know:-

- Over the age of 65?
- Need a smoke detector?
- Have a long-term health condition?
- Suffer from poor hearing or sight loss?
- Would you struggle to escape in the event of a fire?

If you can answer yes to more than one of these questions, then please call us on 0800 038 2323 or visit <https://www.dwfire.org.uk/safety/safe-and-well-visits/>

Protection

On-going interaction by Protection Team members with Local Authorities, Private landlords and tenants regarding fire safety-related matters: external cladding systems; fire detection and warning systems; fire resisting doors (& self-closers); combustibility/fire resistance of construction materials; commercial and residential sprinklers systems and water-mist suppression systems

General Enquiries

If you have a general fire safety enquiry regarding commercial property, please email fire.safety@dwfire.org.uk and the Fire Safety Team will respond in office hours.

Fire Safety Complaint

If you wish to tell us about fire safety risks in commercial premises, such as locked or blocked fire exits, you have three options:

- You can email the fire safety department at enforcement@dwfire.org.uk
- Call 01722 69 1717 during office hours (9am-5pm).
- Call our Service Control Centre on 0306 799 0019 out of office hours (5pm-9am)

On Call Recruitment

Have you always wondered if you could join the fire service, but haven't had the opportunity to find out more? Have you found yourself seeking your next challenge, keen to give back to the local community or wanting to learn new skills including leadership and teamwork? Then becoming an on-call firefighter is for you.

As a paid position, on-call firefighters commit anywhere between 40 to 120 hours per week, during which time they must be able to respond to the station immediately.

Many have 'normal' jobs during the day, then upon their return home make themselves available overnight or during the weekends. Some of our crew respond from their workplaces during the day, and we are very grateful to their employers for releasing them to perform their vital duties.

Anyone over 18 years old can apply (although you can also apply once you are 17½) you must be able to respond and attend the fire station within 5-8 minutes, you have a good standard of physical fitness (i.e. you are generally active), and you must have the right to work in the UK.

Further information on becoming an On Call Firefighter can be found at www.dwfire.org.uk/working-for-us/on-call-firefighters/ or should you have any questions, you can call **01722 691444**.

New sponsor for Biker Down Wiltshire

Work is underway to develop a Biker Down scheme across Wiltshire, after sponsorship for the coming year was secured.

Biker Down is a national road safety initiative targeted at motorcyclists, originally conceived and started by Kent Fire & Rescue Service, and it has recently launched locally.

Dorset & Wiltshire Fire and Rescue Service has piloted the scheme with the help of Wiltshire Air Ambulance, but the support now provided by AJN Steelstock means the three-part programme can be delivered in multiple locations.

Christmas Day help needed

A call is being put out for people to help manage the volunteers who form such an important part of the annual Christmas Day lunch held in Trowbridge. The event has grown substantially since it was started at Trowbridge fire station, and it is now hosted at County Hall in the town. CM Kate Dewey, who works in Fire Control, has been the organisational lynchpin for several years but juggling the logistics, guests and volunteers as part of the charity Company for Christmas is now too much work. Anyone who would like to offer their help would need to be at County Hall on Christmas Day and, ideally, have availability in the days beforehand to help with setting up the venue. If you would like to get involved, please drop Kate an email as soon as possible or give her a call on 07855 746121.

The approach from the North is a very straight road and traffic approaches too fast. The accidents are I believe from driver error (driving too fast and losing control at the roundabout). I believe measures such as additional signage, road markings and rumble strips may be required on the approaches to the roundabout from the North.</i></p> <p><i>Also, barriers on the footpath on the Southern section of the roundabout heading Southwards may be required to protect pedestrians. 		The A303 junction improvement near Cholderton will now not commence until the New Year and will run for seven weeks. They will be night time works between 7PM and 7AM.		
	Speed limit request, Wellington Academy	MC reported that both Tidworth and Ludgershall PCs had requested a reduction in the speed limit outside of the Wellington Academy to 30 mph. Previous attempts had been unsuccessful, but the Councils believe that now the married quarters have been completed nearby, the situation had changed. GR confirmed that as none of the properties front onto the A3026, the area still does not meet the criteria for a 30-mph speed limit. Whilst the Group sympathised with the request, it reluctantly agreed not to spend its limited resources on a request that had no chance of success.		
	20 mph request, Enford	GR to visit the site before any request is formally submitted.		GR
	Speed Indicator Devices (SIDs)	DB asked about the policy for SIDs. AC gave him the new guidance issued for PCs by WC but stated that CATG cannot fund them, but the Area Board may be able to assist. DD stated that SIDs can be purchased for around £700-800. Collingbourne Ducis were purchasing several brackets to fix on posts so that their SID can be moved from one location to another easily.

Clinical Commissioning Group

November 2019

The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

News

Three CCGs to merge

Over September and October we've been progressing the proposal to merge with Bath and North East Somerset, and Swindon CCGs.

In September, the GPs in the region voted in favour of the merger proposal. Following this the Governing Bodies of the three CCGs agreed to submit an application to merge to NHS England and Improvement. This application was made with a proposed merge date of 1 April 2020.

We are pleased to say that NHS England and Improvement have approved our application and we will become BSW CCG in April next year.

We will continue to provide you with updates over the coming months.

New Chief Operating Officer for Wiltshire

Earlier in the year we started building one management structure for the three CCGs to take us into the possible merger and a lot of those roles are now in place, with some vacancies still to be filled.

In the new structure, each of the three CCGs has a Chief Operating Officer role. Ted Wilson, Director of Community Services and Joint Commissioning, has been appointed as Acting Chief Operating Officer for Wiltshire. Recruitment is ongoing to find a permanent appointee.

The Chief Operating Officer for Bath and North East Somerset CCG is Corinne Edwards and Swindon CCG are also currently recruiting for their COO.

Our Health Our Future – the results

Earlier in the year we asked the people of Bath and North East Somerset, Swindon and Wiltshire to help us shape the future of local health and care services.

More than 2000 people took part in Our Health Our Future by completing a survey and talking to us at events and on the streets.

People taking part in the survey said they would like to be given the opportunities, advice and information they need to live healthier lifestyles and be more aware of symptoms of diseases such as diabetes and high blood pressure so they could seek help earlier.

They said it should be easier to see staff at surgeries and waiting times for appointments and operations in hospitals should be reduced.

Lots of respondents also said they didn't always feel listened to or taken seriously by the health and care professionals they saw. Younger respondents said they would value better access to mental health services and support.

The survey results, alongside separate findings collected by independent health champion Healthwatch, will now be used by health and care leaders as they develop plans for how services across the area will be organised over the next five years.

The Our Health Our Future website has the full results – www.ourhealthourfuture.org.

Governing Body meeting

Our next Governing Body meeting will be BaNES, Swindon and Wiltshire (BSW) Governing Bodies in common meeting on Wednesday 13 November 2019 at 5.00pm at Cumberwell Park, Bradford on Avon, Wiltshire, BA15 2PQ.

Military families' experience of Health and Social Care Transition

We've launched a survey to ask military families how they access GP surgeries, dental care, mental health, social care and other services.

This summer, as part of the Army Basing Programme, 4,000 service personnel and their families relocated to Wiltshire from Germany, and we want to find out about how easy it has been for them to find new services and the continuity of care they have received after they have been transferred.

We're also keen to know how health services in Wiltshire compare to where they lived before.

To find out more or complete the survey please visit: <https://www.healthwatchwiltshire.co.uk/military-families-project>

The survey will be running until the end of December when all the findings will be analysed and shared in a report.

Lovell Area Board Partner Update

Lovell are pleased to report progress continues at a pace across the Salisbury Plain Training Area Service Family Accommodation Project. The Bulford and Ludgershall SFA estates were completed during this past summer. The Bulford SFA entrance at Double Hedges is now open and we are currently completing the landscaping works at this entrance. The Plumer Estate is now home for more than 150 Service families. At the Ludgershall site, the construction compound is now fully cleared and we anticipate the completion of landscaping works in the coming months. The Corunna Estate is now a thriving part of the Ludgershall community with a vast number of new residents. The Larkhill SFA site construction continues with delivery of circa 14-15 homes per week to our client, the DIO. As of November 12, 2019, we have delivered 182 Service Family Homes at Larkhill and we are happy to confirm that the project continues to progress ahead of our target programme.

Further to the recent Tidworth Area Board Community Awards, we were delighted to be invited to receive, alongside the LGWCG, the local community award for the renovation of the Ludgershall Centenary Garden. We were pleased to assist in this community endeavour and remain very proud of the garden and that Lovell have been able to contribute towards this legacy for the local community.

Update for Tidworth Area Board

Name of Parish/Town Council	Everleigh Parish Council
Date of Area Board Meeting	25 November 2019

Headlines/Key successes

- A Harvest Festival service took place in St Peter's Church on Saturday 5th October. The Church was decorated extremely well by the Ladies of Everleigh, who arranged stunning flowers. Our vicar, Jo Reid, conducted an excellent service. The children gave a great rendition of the Harvest Thanksgiving and hymns were heartily sung. Harvest gifts were gratefully received and donated to the West House Farm Residential Care Home in Collingbourne Ducis.

Projects

- The village now has a new defibrillator, located by the noticeboard at the junction of the A342/The Street. We are most grateful to the Tidworth Area Board for a community grant of £462-50 to cover half the cost of purchasing this important equipment; the Parish Council provided matched funding

Forthcoming events/Diary dates

- Our final event of the year, a Christmas Carol Service, will take place at St Peter's Church on Saturday 7th December at 5pm. This is a good opportunity for the village to get together at this festive time of the year, to hear the Christmas story and to sing traditional carols. We will also be laying on mulled wine and mince pies after the Service.

Report to	Tidworth
Date of Meeting	25/11/2019
Title of Report	Community Youth Grants

Purpose of the report:

To ask Councillors to consider the following applications seeking funding from the Tidworth Area Board.

Application	Grant Amount	
Applicant: Enfold and Avon Valley Youth Club Project Title: Oxenwood Visit June 2020	£1010.00	
Total grant amount requested at this meeting	£1010	

2. Main Considerations

Councillors will need to be satisfied that grants awarded in the 2019/20 year are made to projects that can realistically proceed within a year of the award being made.

Area Boards have authority to approve Area Grants under powers delegated to them by the Cabinet member for Communities, Campuses, Area Boards, Leisure, Libraries and Flooding. Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance 2019/2020.

Community Youth Grants will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

Community Youth Grants give all local community and voluntary groups, Town and Parish Councils an equal opportunity to receive funding towards community-based projects and schemes.

3. The applications

Applicant:	Amount Requested from Area Board:	
Enfold and Avon Valley Youth Club Project Title: Oxenwood Visit June 2020	£1010.00	
This application meets grant criteria 2019/20.		
Project Summary: In September 2019 Enford and Avon Valley Youth Club set up a new group for secondary age young people. We recognised the		

need to provide a safe place for older children to meet and to communicate with their peers rather than roaming the streets. The intention was to provide an environment that was welcoming unobtrusive and self-regulating. Currently the club has 17 members 15 of whom are regular attendees. It is the intention of the club to enable the 15 members of the senior group to visit Oxenwood in June 2020.

Community Engagement Managers Comments

The group are providing more than 50% of the costs mainly through fund raising

The application meets the grants criteria and can be considered for funding
