Devolution

On 1st June 2019 a considerable amount of assets were transferred to the Town Council from Wiltshire Council under the process of devolution. History shows that prior to 1974 Chippenham enjoyed ownership of these assets but after that date the creation of a District Council network took these and many services away from the town. Wiltshire Council then inherited these in 2009 when the unitary system of local government was created - and now the process has gone full circle. The devolution of various services also went live in June but this transfer will not be fully completed until the contract between Wiltshire and Ide Verde, the external contractor, ends in June 2020.

Monkton Park

General grass maintenance is continuing in Monkton Park and a tree survey is currently being undertaken. There are continuing issues with rough sleepers, vandalism and anti-social behaviour but we are working with the relevant agencies to manage this.

Road Sweeper naming competition

The current road sweeper is out in Chippenham Monday - Friday and in the High Street twice per week at 6am. We are awaiting delivery of an 18 Tonne Road Sweeper which will be delivered in the autumn and we would like to give it a name. To give you inspiration other road sweepers are called Meryl Sweep, Dustin Timberlake and Bruce Sprinclean!

Deadline for polite suggestions via email to enquiries@chippenham.gov.uk is 25 October 2019.

Play areas

All play areas are now open including Audley Road and Barrow Green, both of which continue to have anti-social behaviour but we are working with the Police to minimise this.

Friday & Saturday market

These historic markets are now managed by Chippenham Town Council. To ensure a vibrant and bustling market for locals and visitors to Chippenham, we are looking for new traders.

Taster sessions, casual and permanent pitches are available. So come along and join our regular traders which currently include fish, cheese, bread, fruit & veg, butcher, watches, hot food vendors, home improvements, garden ornaments, clothing and cakes. Our market trading times 8.30am - 4pm both days.

If you would like more information about the market or if you would like to hire Monkton Park for an event, please contact:

Shappi Khorsandi:

Returning after a sell-out show in 2017, comedian Shappi Khorsandi is back at the Neeld on Saturday 26 October. After her stint in the jungle on I'm A Celebrity: Get Me Out Of Here, Shappi returns to the live comedy circuit with a brand new hour of sharp-tongued gags and cultural observation, featuring stories of her 20+ year career.

Hazel O'Connor:

Another act that sold out her debut show at the Neeld 2 years ago, we welcome back the first major female star of the 80s, award winning singer-songwriter Hazel O'Connor. Hazel's ageless songs include the hits Eighth Day, Will You, Big Brother, Monsters in Disguise, Calls The Tune, and If Only. Accompanied on Sunday 3 November by virtuoso saxophonist Clare Hirst (The Belle Stars, Communards, David Bowie) on sax and vocals and Sarah Fisher (Eurythmics) on keyboards and vocals, this powerful blend of voices and musicianship brings a classy touch of energy, passion and fire to Hazel's vibrant performance.

Lost Voice Guy:

Due to popular demand following a sell-out tour in spring 2019, Lost Voice Guy - the first comedian ever to win Britain's Got Talent - is back on tour and coming to the Neeld on Friday 8 November. The winner of the BBC New Comedy Award 2014, Lee has also appeared on BBC's Live at the Apollo, The Royal Variety Show, and the recent Britain's Got Talent: The Champions. He is also the star and co-writer of two series of BBC Radio 4's hugely popular comedy show, Ability. Lee is the first stand-up comedian to use a communication aid. His cutting edge material combines the political and personal with razor-sharp observations about disability and daily life.

Codebreakers:

Dr Baldwin is currently one of Britain's most experienced speakers on the Enigma machine and the work of the WW2 codebreakers. On 19 November, he will be delivering a fascinating talk on the famous German coding tool, the efforts of those at Bletchley Park and the effect it had on the Second World War. After the talk, the audience are invited to take part in a hands-on practical demonstration of one of the few surviving Enigma machines. Only about 300 are known to survive worldwide; of these, only about a Page 17 in public collections in Britain.

Strange & Wonderful Beings; The Work of Clifford & Rosemary Ellis

The exhibition celebrates the work of Clifford and Rosemary Ellis, whose artistic partnership included many iconic book cover and poster designs. Clifford Ellis is perhaps best known for his work as head of the pioneering Bath Academy of Art, based at Corsham Court.

Agenda Item 5

Chairman's Announcements

Subject:	New fly-tipping campaign: We're Targeting Fly-tippers
Web contact:	peter.white@wiltshire.gov.uk

Wiltshire Council has launched a new reward campaign to prevent fly-tipping in the county.

The We're Targeting Fly-tippers (WTF) campaign aims to combat the scourge of fly-tipping by offering residents a reward of up to £200 in high street vouchers if they report information that leads to the successful prosecution of an offender or the payment of a Fixed Penalty Notice (FPN).

If anyone has any information about fly-tipping in Wiltshire, they are requested to report it using the My Wiltshire app with as much information as possible. If this information leads to a successful prosecution or payment of a Fixed Penalty Notice, the person who reported it will earn a voucher of up to £200.

We want residents to provide information as possible, such as where the fly-tip is, the registration and make or model of the vehicle they saw, plus any description or photographs of the alleged fly-tippers. **However, it is essential that people do not attempt to confront anyone who is fly-tipping or put themselves in danger in any way. We also ask people not to try to rummage through or disturb the waste, as this could affect the scene and put people in danger.**

Fly-tipping costs Wiltshire Council more than £180,000 each year, it is unsightly and it is a danger to people, wildlife and the environment.

In Wiltshire, most fly-tip reports are of a commercial nature, where waste is cleared for a fee and then dumped to avoid lawful disposal costs. Penalties for offenders include an unlimited fine and/or five years' imprisonment; a £50,000 fine and/or 12 months' imprisonment; or a FPN of £400 if they are caught fly-tipping small-scale waste.

Chairman's Announcements

Subject:	British Telecom Proposed Payphones Removal Consultation
Web contact:	mary.moore@wiltshire.gov.uk

The council has received notification from BT regarding consultation on its current programme of proposed public payphone removals. The relevant Area Boards should be aware of the affected payphones in their local community, by referring to the detailed enclosed sheet.

There are currently 71 public payphones with low usage levels and BT propose to remove them following a full consultation. BT has also placed consultation notices in the relevant payphone kiosks.

As the local authority, we are required to carry out our own consultation process to canvas the views of the local community. Briefing Note Number 19-033 has been circulated to Wiltshire Councillors and Town and Parish Councils.

Consultation has been initiated to receive reasons for any objections to the removal of specific phones, as a blanket objection is unlikely to carry weight.

BT has provided some examples of factors that may be relevant, full guidance on the removal process on its website (at: <http://stakeholders.ofcom.org.uk/binaries/consultations/uso/statement/removals.pdf>)

BT offers the opportunity for parish councils and registered charities to *adopt a kiosk for just £1, thereby protecting the heritage of the community.

Details about this can also be found on BT's website (at <http://business.bt.com/phone-services/payphone-services/adopt-a-kiosk/>)

The consultation period closes on **28 January 2020**, and responses by end of business **14 January 2020** will enable us to include representations in forming our return to BT. All responses will be collated and directed to a single point of contact at Wiltshire Council: mary.moore@wiltshire.gov.uk
Mary Moore, Economic Development and Planning, who will co-ordinate the response on behalf of the council

*Defibrillators are one possible example of how payphone adoption can be put to a modern and potentially life-saving use, alongside libraries, art projects and information centres to suit individual and local community needs.

Chairman's Announcements

Subject:	Community Governance Review
Web contact:	committee@wiltshire.gov.uk

Wiltshire Council shall be undertaking a Community Governance Review in certain areas beginning on 1 November 2019.

Community Governance Review (CGR) is a process to provide opportunity to review and make changes to governance arrangements to town and parish councils. This is to ensure that they continue to be reflective of the identity and interest of local communities, and that they are as efficient and effective in their governance as can be.

From 12 July 2019 Wiltshire Council contacted town and parish councils requesting expressions of interest for any changes to governance from parishes. Expressions received were circulated to any potentially affected parish council.

At its meeting on 31 October 2019 the Electoral Review Committee approved terms of reference for a Community Governance Review to be commenced on 1 November 2019, to include the following areas:

- Trowbridge, Hilperton, North Bradley, Southwick and West Ashton
- Salisbury and Netherhampton
- Chippenham, Chippenham Without, Kington St Michael, Lacock and Langley Burrell Without
- Melksham, Melksham Without and Seend
- Derry Hill and Studley (proposed new parish)
- Wilcot (and Huish), Manningford, Woodborough and Pewsey

The following link has been established for provision of information relating to the review, and for receipt of any initial comments or submission of additional proposals:

Chairman's Announcements

Subject:	Wiltshire Green Pledge
Web contact:	http://www.wiltshire.gov.uk/green-economy-climate-emergency

Earlier this year Wiltshire Council pledged to be carbon neutral by 2030, and its councillors have agreed to seek to make the county of Wiltshire carbon neutral by 2030.

To help with this, The Green Pledge has been launched which is asking people to commit to making small changes that can have a big positive impact on the environment.

Such pledges could include:

- Leave the car at home and walk more
- Take shorter showers and turn off taps when brushing teeth
- Use a reusable cup
- Turn off lights when not using them

We want everyone to have a think about the changes they can make, starting today.

People should visit <http://www.wiltshire.gov.uk/green-economy-climate-emergency> to make a pledge – it only takes a couple of minutes.

Chairman's Announcements

Subject:	Warm and Safe Wiltshire – help available this winter
Web contact:	https://www.warmandsafewiltshire.org.uk/

Warm and Safe Wiltshire is a single point of contact cold homes and energy saving advice service set up specifically to assist the health service in Wiltshire. The service is run by the Centre for Sustainable Energy (CSE), an independent charity, on behalf of Swindon Borough Council and Wiltshire Council.

The service provides a range of support both over the phone and through home visits. The telephone advice line is available to all residents and provides support which includes information about insulation and heating, guidance on heating systems, advice on understanding energy bills, help with ensuring a client is on the best energy deal, signing residents up to the Priority Services Register and fuel debt support.

Home visits are provided on a case-by-case basis and are especially useful where issues are challenging or difficult to discuss and support over the phone. As a guide, householders should have a vulnerability, such as an older occupant, low-income or health condition(s), to receive a home visit.

Wiltshire Community Foundation administer a Surviving Winter grant of £300 per person to help vulnerable residents pay for winter costs.

Warm and Safe and Age UK are the referral partners who can help clients complete the application form process and compile the necessary evidence for Wiltshire Community Foundation to make their decision.

The grant is administered on a first-come-first-served basis and it is in two rounds this winter. It should be noted that funds are limited.

- Round 1 opened 21 October and is open until 13 December 2019 **(Please note Warm and Safe have allocated all grants in this round but are adding clients to a waiting list for round 2)**
- Round 2 opens 13 January to 20 March 2020

Chippenham BID Statement 02/12/2019

Chippenham BID is a business representative organisation that began on 1st April 2015 after a successful ballot in which every business who would be liable to pay the Chippenham BID levy was entitled to vote. BIDs have a 5 year life and in order to be renewed they need to be voted in again by the businesses liable for the BID levy. Chippenham BID undertook a renewal ballot in October and November 2019 and unfortunately the result, although close with a 47%/53% split, was against the BID continuing into a second term. This means that Chippenham BID will close by the end of March 2020.

Over the last 5 years, Chippenham BID has delivered a range of projects to support the business community who fund it. Business to business projects include a cost reduction project that has identified savings of over £100,000 for Chippenham businesses, a mystery shopper programme, Pubwatch administration, a subsidy for businesses wanting a Christmas tree, networking events, an online exclusion scheme for use in business crime reduction and promotion of levy paying businesses on the BID's social media and website, Chippenham Connected. Recently Chippenham BID has initiated a town centre worker discount scheme and supported the installation of ShopAppy, which gives small and micro businesses the chance to have an online presence without having to set up their own online shop. Chippenham BID has also delivered the Chippenham Business Awards since 2017, which has quickly become Chippenham's biggest B2B event and it funded the free town WiFi and football counters, as well as the refurbishment of a public toilet that would otherwise have closed.

Chippenham BID also invested heavily into a public events programme, which it delivered in partnership with Chippenham Town Council. The events programme saw the resurrection of Chippenham Carnival after an absence of 16 years, the introduction of Chippenham Soap Box Derby and the growth of the Christmas light switch-on event. It also saw events such as the outdoor cinemas, chilli fiesta, steampunk festival, summer garden and Easter events. In addition, Chippenham BID sponsored other local events such as the Folk Festival and the Rotary fireworks night.

HIGH LEVEL PCC UPDATES

- **Recruitment** - Police officer recruitment continues with more than 500 applications received so far since the campaign launched on 23 September. Wiltshire Police is accepting applications until Sunday 13 October.
- **Community work** - In September PCC Angus Macpherson awarded a total of £22,500 from the Police Property Act to projects across the county which make a difference in their communities. Beneficiaries include a drop-in service for homeless people, a 12-week personal development course for unemployed young people and a pilot project using photography to engage with young people at risk of offending or exploitation. Full details are available on our website.
- **Herbert Protocol** – The PCC was proud to join Wiltshire Police, Swindon Borough Council, healthcare partners, Swindon Carers Centre and the Alzheimer's Society at the launch of the Herbert Protocol last month. It comprises of a document in which carers, family and friends of vulnerable adults can fill out key details about the individual as a pre-emptive measure in case they later go missing. This will enable the police to start their initial enquiries sooner with the aim of finding the missing person safe and well.

HIGH LEVEL FORCE UPDATES

- **County Lines** – The issue of gangs transporting Class A drugs from major cities such as London and Manchester into rural counties, is one which is attracting significant media attention. Here in Wiltshire we are raising awareness of the problem, and specifically the impact these crimes have on the wider community, as they are often linked to modern slavery and organised crime, with children and vulnerable adults being exploited. Please look out for local media coverage, or go to our website for more information.
- **Domestic abuse** – This month we are highlighting the work Wiltshire Police is doing to tackle domestic abuse, including educating the public about the support that is available for victims. This campaign will include a young mother, who has been the victim of domestic violence, speaking out about her story in the hope that she can encourage other victims to come forward and get support.
- **Rural crime** - During the beginning of October we are taking part in a national week of action targeting rural crime. Our work will include providing crime prevention advice and encouraging residents to report all incidents to the police, as well as having our Community Policing Teams and the Rural Crime Team out and about engaging with our rural communities.

Survey seeks views on council's Advice and Contact Service

Healthwatch Wiltshire is asking for the views and experiences of people who have been in touch with Wiltshire Council's Advice and Contact team.

The Advice and Contact Service was set up in April 2018 to provide support and information on adult social care services. Any adult living in Wiltshire or thinking about moving to the area, including family and friends, can contact the team to find out how social care and other services could help.

The Healthwatch Wiltshire survey will look at how well this new service is working and identify any areas that could be improved.

Stacey Sims, Healthwatch Wiltshire Manager, said: "People have told us that they struggle to find the information they need around adult social care and that carers and people who pay for their own care find this especially difficult.

"Because of this feedback and the development of the new Advice and Contact team, we would like to hear from anyone who has used the service to share their experiences with us.

"Your feedback will then be shared with the team and their commissioners so they can understand what's going well and where improvements can be made."

How you can get involved

Two versions of the survey are available online, and can be completed depending on how you accessed the Advice and Contact Service.

If you contacted the team by telephone, go to www.smartsurvey.co.uk/s/adviceandcontacttelephone

If you contacted the team by email, go to www.smartsurvey.co.uk/s/adviceandcontactemail

If you prefer, you can have a chat about your experiences with a member of the Healthwatch Wiltshire team, either on the phone or in your own home, please call us on 01225 434218 or email us at info@healthwatchwiltshire.co.uk to arrange.

All feedback is anonymous.

More information about the Advice and Contact Service is available at adults.wiltshire.gov.uk

Transforming Maternity Services Together - update

Thank you to everyone who took part in our consultation and shared their views with us. There were many suggestions for how we can improve services and these will help inform our future plans.

Since we started this process in 2017, more than 4,500 mums, families, staff and partners in the community have shared their views and ideas about how to deliver a safe and positive birth and maternity experience for families in B&NES, Swindon and Wiltshire, as well as prepare them to approach parenting with confidence.

Our proposals have been rigorously examined by the South West Clinical Senate and an independent expert panel which included a GP, an obstetrician, representatives of mums and dads, a midwife and a quality improvement lead. We have also consulted with a joint B&NES, Swindon and Wiltshire Health and Overview Scrutiny Committee and worked through the NHS England assurance process.

A final set of recommendations will be submitted to a joint meeting of the BaNES, Swindon and Wiltshire Clinical Commissioning Groups Governing Body on Thursday 16 January 2020 where a decision will be made.

This meeting will be in public and will take place at the Lackham Campus, Wiltshire College from 10am – 12 noon. More information will be available on the CCG websites shortly and papers will be published on the sites on 9 January 2020, in advance of the meeting. If you have any queries, please email us at maternity.transformationBSW@nhs.net

You can still find information on the proposals on the [Transforming Maternity Services Together website](#).
