Objectives

By the end of the workshop participants will:

- Have explored the demography of Wiltshire, their wards, and how it might affect upon their work as elected members and the concept of 'fairness'.
- Have updated themselves briefly on the legal framework and in particular the new Equalities Act 2010.
- Have explored issues of homelessness and unemployment, myths, stats, facts, and perceptions...and...What does it all mean to us as elected members here in Wiltshire?
- Have explored issues surrounding and supporting the unemployed; the realities and the scare stories, and again, how can we help as elected members?
- Have discussed and explored issues of travellers and community safety ...who is at risk in reality and ...what can we do? What is our responsibility as a council?
