#### 2 Definitions

### **3 Key Principles**

- 3.1 The principles of ‘natural justice’, and Article 6 ‘Right to a Fair Trial’, which is one of the Convention Rights in the Human Rights Act 1998, require that there is a fair Hearing of Applications.
- 3.2 Natural justice is an umbrella term for the legal standards of basic fairness. This will include that:
  - 3.2.1 the Applicant has an opportunity to make representations before a decision is made;
  - 3.2.2 those making representations have an opportunity to voice their representations before a decision is made;

- 3.2.3 the Applicant has an adequate opportunity to consider and respond to any submissions made by a Responsible Authority/Authorities and/or an Interested Party/Parties;
- 3.2.4 the Committee does not exclude an Applicant from a Hearing in order to consider submissions from a Responsible Authority/Authorities and/or an Interested Party/Parties.
- 3.3 It is also fundamental that there is an orderly presentation of submissions at a Hearing so that the relevant issues are properly understood, evidence is tested and that oral statements made at the Hearing are accurately recorded.
- 3.4 Ultimately the Chairperson determines the application of these rules, having regard to any submissions being made by those present and in particular the Committee Lawyer.

#### **4 The Hearing**

- 4.1 The Hearing shall take place in public.
  - 4.1.1 The Committee may exclude the public from all or part of the Hearing where it considers it to be in the public interest to do so and, in accordance with the Local Government (Access to Information) Act 1985, as amended. Public includes a party and any person assisting or representing a party.
  - 4.1.2 The Committee may require any person attending the Hearing who, in its opinion, is behaving in a disruptive manner, to leave the Hearing and may:
    - A refuse to permit them to return;
    - B permit them to return only on such conditions as the Committee may specify;
    - C in the event that a person is required to leave a Hearing that person may, before the end of the Hearing, submit to the Committee in writing any information which they would have given orally.
- 4.2 Prior to the Hearing commencing, the Chairperson shall advise the parties of the procedure it proposes to follow at the Hearing.
- 4.3 Where a party has previously requested permission for a person(s), other than their representative, to appear at the Hearing then the Committee shall consider whether to permit that request.
- 4.4 The Committee will allow the parties an equal maximum period of time in which to exercise their rights.
- 4.5 This equal maximum time may have been notified in advance of the Hearing;

- 4.6 Where there is a multiple of Interested Parties who have attended the Hearing to make the same representation then the Committee would normally require that a spokesperson be appointed by them to make the representations on behalf of all of those Interested Parties.

## **5 Presentation of Submissions**

- 5.1 The Chairperson will introduce the Application.
- 5.2 In the event that the Licensing Authority has given notice to a party requiring clarification on a point(s) then that party shall respond to the points raised by the Licensing Authority.
- 5.3 Submissions shall be made in the following order unless the Chairperson directs otherwise:
- 5.3.1 The Licensing Officer will orally present the Committee Report and will in particular advise the Committee as to:
- A the options available to it;
  - B the considerations that are relevant in reaching its decision.
- 5.3.2 The Review Applicant (or the Applicant's Representative) will orally present its submission which may include:
- A presenting their case in accordance with the papers, which will have been circulated with Agenda papers;
  - B confirming key information and answer pertinent questions; and
  - C calling witnesses in support of the Application (see paragraph 4.3).
- A Responsible Authority/Authorities and/or an Interested Party/Parties will orally present their representations in turn which shall include:
- A the grounds of the representation to the Application; and
  - B any condition(s) that the Responsible Authority/Authorities and/or an Interested Party/Parties would be happy to have the Application granted subject to which would cause the representation to be withdrawn.
- The Premises Licence Holder and/or their representative will orally present their representations which shall include;
- A The response to the representations made by the Review Applicant, a Responsible Authority/Authorities and/or an Interested Party/Parties; and
  - B Whether they would be happy to accept any modifications to the Licence as suggested by the Review Applicant, a Responsible Authority/Authorities and/or an Interested Party/Parties.

## **6 Questioning of Submissions**

- 6.1 The Chairperson will regulate the order in which questions are asked by Members.
- 6.2 The Chairperson and Members, voiced through the Chairperson, may question any party following the completion of their submission.
- 6.3 The Chairperson will normally permit the Applicant, a Responsible Authority/Authorities or an Interested Party/Parties to ask questions through them of the other parties.
- 6.4 The Chairperson may direct that questions which are not relevant to the Application or one of the four Licensing Objectives are not formally put or answered.

## **7 Documentation**

- 7.1 No party shall present new documentation to the Committee at the Hearing other than with the consent of all of the other parties. This does not preclude the Licensing Officer from correcting errors, providing updated information or an extract from a local map showing the Applicant's Premises in the context of the surrounding premises and any Interested Party's premises. If any party is granted permission to present supplementary papers at the Hearing they shall provide at least 10 copies at the start of their submission.

## **8 Intervention**

The Chairperson shall permit the following interventions at any point in the Hearing:

- 8.1 The Committee Lawyer to advise the Committee on issues of law, procedure and relevant considerations on decision making. If necessary, the Chairperson may require the Committee, the Committee Lawyer and the Committee Manager to leave the Hearing so that advice can be given.
- 8.2 The Committee Manager to advise the Committee on procedure generally, or to request that statements made are repeated for reasons of clarity and so that they can be properly recorded.
- 8.3 The Licensing Officer to seek to clarify statements that have been made in light of information held on their file.

## **9 Failure of Parties to Attend Hearing**

- 9.1 If a party has informed the Licensing Authority that it does not intend to attend or be represented at a Hearing, the Hearing may proceed in its absence.

9.2 If a party has not indicated that it does not intend to attend or be represented at a Hearing and fails to attend or be represented at the Hearing then the Licensing Authority may:

9.2.1 where it considers it be necessary in the public interest, adjourn the Hearing to a specified date; or

9.2.2 hold the Hearing in the party's absence.

9.3 Where the Licensing Authority holds a Hearing in the absence of a party, it shall consider at the Hearing the application, representations or notice made by that party.

## **10 Closing Submissions**

10.1 The Chairperson shall allow first, the Responsible Authority/Authorities and the Interested Party/Parties to make a closing oral submission(s) and secondly invite the Applicant or the Applicant's Representative an opportunity to make an oral closing submission in support of the Application.

## **11 Decision**

11.1 The Committee, the Committee Lawyer and the Committee Manager, shall retire so that the decision may be considered in private, and to consider any legal issues raised by the Members.

11.2 The decision, and reasons for the decision, of the Committee shall be communicated orally by the Chairperson to the parties after the Committee has deliberated in private on the Application.

## WILTSHIRE COUNCIL

### EASTERN AREA LICENSING SUB COMMITTEE

5 OCTOBER 2012

---

**Application for a Variation of a Premises Licence; Pewsey Fast Food Centre ,  
London House, 4 Market Place, Pewsey, SN9 5AA**

#### 1. Purpose of Report

- 1.1 To determine an application for a variation of a Premises Licence in respect of Pewsey Fast Food Centre made by Serkan Macit & Mustafa Suna

#### 2. Background Information

- 2.1 An application for a variation of a Premises Licence in respect of Pewsey Fast Food Centre has been made by Serkan Macit & Mustafa Suna for which 4 relevant representations have been received.
- 2.2 Wiltshire Council (as the Licensing Authority) must hold a hearing to consider the application having regard to the representations. In accordance with Section 35(3) of The Licensing Act 2003 the Licensing Sub Committee is required to take such of the steps listed in 2.4 below as it considers necessary for the promotion of the licensing objectives. In considering the application and the relevant representations, the Sub Committee must also have regard to relevant Government guidance and the Council's Licensing Policy.
- 2.3 The licensing objectives are:
- i) The Prevention of Crime and Disorder;
  - ii) Public Safety;
  - iii) The Prevention of Public Nuisance; and
  - iv) The Protection of Children from Harm.
- 2.4 Such steps are:
- i) To modify the conditions of the licence
  - ii) To reject the whole or part of the application.
- 2.5 On 15 August 2012 an application for a variation to the premises licence at Pewsey Fast Food Centre was received and accepted as a valid application.
- 2.6 The variations applied for are summarised as follows:

<b>Licensable Activity</b>	<b>Timings</b>	<b>Days</b>
Late night refreshment	Until 03:00 the next day	Friday & Saturday

Opening hours would also need to be extended to 03:00 the next day on Friday & Saturday.

**Currently the premise is licensed for late night refreshment until 01:00 the next day on Friday & Saturday.**

A copy of the application from Serkan Macit & Mustafa Suna is attached as **Appendix 1.**

Four complaints were received from the Police in December 2008, July 2010, January 2011 and May 2011 regarding Pewsey Fast Food Centre opening beyond their licence hours resulting in groups of youths hanging around the Market Place, Pewsey causing ASB.

Each time a letter was sent to the premises reminding them of their hours.

Pewsey Fast Food Centre applied for a Variation of their premises licence in January 2009 to extend the opening hours until 02:00 am next day on Friday and Saturday evenings. This was refused at a Hearing for the following reasons:

- The reason given by the Licensing Sub-Committee was that the statutory licensing objective of preventing crime and disorder is highly likely to be prejudiced by the grant of the application, on the basis of the evidence given.'

Once the police and LA had advised the premises to close at the correct time (01:00 am) the incidents of ASB were greatly reduced. On this evidence the police ascertained that to increase the hours would result in the ASB rising again.

### **3. Consultation and Representations**

3.1 The application process requires the application to be advertised, by the applicant, in a local paper within 10 working days, starting on the day after the authority receives it and a public notice (on pale blue paper) to be posted on the premises and the Licensing Authority to advertise the application on its website, for a period of 28 consecutive days, starting the day after the authority receives the application. During the consultation period 10 relevant representations have been received from Interested Parties, and 1 from Responsible Authorities.

4.2 The Applicant, all Responsible Authorities and Interested Parties who have made representations have been informed of the date, time and location of the hearing and their right to attend and be represented.

4.3 At the hearing all those Responsible Authorities and Interested Parties who have made representations are entitled to address the Sub Committee and to ask questions of another party, with the consent of the Sub Committee.

Whether or not a Review Hearing takes place is in the discretion of the Licensing Authority, but, if requested by an Interested Party will not normally be granted within the first 12 months except for the most compelling circumstances.

**Subject:** Application to Vary Premises Licence for Pewsey Fast Food Centre  
**Attachments:** DSCF2277.JPG

Dear Jane,

**Re: Premises Licence Application for Pewsey Fast Food Centre**

I write on behalf of the Environmental Health department to object to the granting of the variation of the premises licence at the above premises. We recommend this application be refused because we are of the opinion that it is likely to lead to public nuisance for people living nearby. The application is therefore not in accordance with the "prevention of public nuisance" licensing objective.

The Fast Food Centre is in the centre of a large rural village and there are residential properties in close vicinity. The upper levels of the building are currently being redeveloped into a number of residential properties that will have bedrooms and living rooms facing on to the high street where the shop front is situated.

The premises has been opening until 1am and I have been advised by the local Neighbourhood Policing Team that groups of people gather outside of the premises at night and that some of these people are connected with Antisocial Behaviour (ASB) in the area. I have been advised that the Police are concerned about these people remaining outside of the premises until 3am. The Police have received complaints about noise coming from the takeaway until 1am; it would therefore be likely that should the premises be open until 3am noise from people gathering would be a problem until this time.

In addition to this the Fast Food Centre has an extraction system that expels through a flue on the flat roof on the back of London House. The first, second and third floors of the building are currently being redeveloped into five residential properties. There will be bedrooms and living rooms that will face out onto the back of London House where the extraction flue is situated. The applicant has submitted no information or evidence that this system will produce an acceptable level of noise during the additional hours applied for. During a visit to the area on 4<sup>th</sup> September at around 4pm the ventilation system was observed producing a significant and prominent level of noise. When making this observation I was in the yard at the back of the premises around nine meters from the flue. It should be noted that at the time of my visit background noise levels were significantly higher than they would be during the early hours of the morning. The equipment would be therefore likely to have a much greater impact during the early hours of the morning when background noise levels will be significantly lower. I would highlight that the units above the take away are currently in the process of being converted into five residential properties at least two of which will be very close to, and overlooking, the ventilation system.

During the visit to the area mentioned above I also observed cooking odour in the area of the take away and ventilation system. As described above the ventilation system unfortunately discharges well below the level of the windows, which serve the building which has mostly residential use. Arrangements of this kind are very likely to result in the residents above experiencing, and being significantly affected, by fumes and odour from the ventilation system in certain weather conditions.

I attach here a photograph of the extraction and ventilation system serving the take away and the units above which are in the process of being developed. This photo illustrates the proximity of the residential units to the take away and its ventilation system and the height at which the ventilation system discharges fumes/vapours/odours.

Given the nature of the area and location of the existing and future local residents nearby we do not think the extension of operating hours applied for here is appropriate. If the licence application is granted each of the matters described above are likely to cause public nuisance and we therefore recommend that this application is refused.

Regards

**APPLICATION FOR THE GRANT OF A VARIATION OF PREMISES LICENCE RELATING TO THE PEWSEY FAST FOOD CENTRE, LONDON HOUSE, 4 MAKET PLACE, PEWSEY**

Please refer to the Notice referring to the above application which was published in the Gazette and Herald on 15 August 2012.

I object to this application for a two-hour extension of The Fast Food Centre's business from 0100 to 0300 hours on the mornings of both Saturday and Sunday. Pewsey residents in Market Place, North Street, Phoenix Square, and High Street are already subjected to late night noise from inconsiderate loud customers, vehicle movements and running engines, together with additional litter, with a closing time of 0100 hours. Residential accommodation is increasing in the immediate area with the conversion of other parts of London House and the Greyhound public house to apartments. New houses are also being built on the old Whatley's site. There is therefore already potential for increased noise from these developments during The Fast Food Centre's current business hours. To have to endure yet another two hours of noise from revellers is unacceptable and prevents people in the vicinity getting a decent night's sleep.

Yours faithfully,

Ceinwen J Jones (Miss)

Sirs,

Ref : PEWSEY FAST FOOD CENTRE APPLICATION FOR EXTENDED HOURS

I would like to object in the strongest possible terms to this application for the following reasons ;

Pewsey already has a significant youth problem which is reported almost weekly in the local paper and usually involves antisocial/criminal behaviour. A large number of bored youths hang around the village takeaway and kebab van, shouting, dropping litter, dodging between the traffic etc. They already have no respect for the village or its residents and the pavement outside the takeaway is usually strewn with discarded wrappers and spilt & unwanted food which is not cleared up by the takeaway owners before it closes for the night.

Most of the shops in the Market Place have residential accommodation above them. Pewsey is a village and they should be entitled to the peace that goes with village life.

Pewsey is usually deserted by 11 o'clock – the only people who would benefit from the takeaway being open until 3am are the very youths that abuse the privilege of living in such a civilised location.

I sincerely hope that Wiltshire Council would not even consider this application – it is totally inappropriate for the village, completely unnecessary for all but the unwanted minority and will only serve to exacerbate an existing problem.

Dear Sirs,

With reference to the application to extend the opening hours of the kebabs shop in the market place from 1.0 am to 3.0 am, I wish to complain the noise at the weekends is already bad enough - with people leaving pubs and takeaways without any further prolonged nuisance. I am 92 years old and disabled and can do without this added problem. I hope you will take notice of my complaints.

Yours Sincerely

You may, or may not, have spotted the above application tucked away at the back of this week's Gazette and Herald? It appears that the Kebab Shop are applying again to extend their opening hours.

They are hoping for permission to remain open until **3am Fri/Sat and the same again on Sat/Sunday**. Their current closing time is **1am** and as you are probably well aware this already invites late night noise, disruption and litter in the residential area of Market Place, North St, River St and High St., Phoenix Place. Some parts of London House, next door to the shop, are in the throes of being converted into apartments, the Greyhound just a few doors away is designated to be the same. New houses on the old Whatley's site will also be in close proximity. To permit yet more noise, cars arriving, leaving, - late night revellers, shouting, screaming etc is not acceptable for local residents.

The police have a wide area to monitor and understandably cannot always be on hand, or even in the village, to deal with any late night nuisance and I would strongly recommend that this application is not accepted.

If you want to give your point of view to the authorities, please contact either or both of the addresses given in the application above before the date stated.

cc Police, Parish Council, both addresses above.

Dear Sir, as last time, a lot of concern has been shown by local residents who would like to object to this application.

**Regarding: Variation of Premises License relating to The Pewsey Fast Food Centre, London House, 4 Market Place, Pewsey.**

Dear Sir / Madam,

I recently became aware of the application for extension of opening hours for the above business over the weekend period.

Currently, their closing time is at 1am, however, The Pewsey Fast Food Centre is requesting that time to be extended to 3am on Saturday and Sunday mornings.

**I would like to formerly object to this application on the basis of the noise disruption created by customers of The Pewsey Fast Food Centre.**

Over the weekend period, we are often woken up between midnight and 2am with people loitering outside the Pewsey Fast Food Centre, who tend to be drunk and creating a nuisance in the form of shouting and screaming.

We have two small children, whose bedroom is on the road side of the Pewsey Fast Food Centre. They are sometimes woken, as are my wife and I on the opposite side, by this noise, which does not bode well with our sleep pattern and consequently ours and our children's day to day functioning the following day.

I would expect that granting the license opening hours to 3am would only encourage more of the same behaviour, lasting longer into the night. This is unacceptable.

The residents in the centre of Pewsey already have to put up with a certain amount of drunken and disorderly behaviour between the hours of 11pm and 1am due to the location and opening hours of the Pewsey Fast Food Centre.

Extending the opening hours will almost certainly have a detrimental effect on everyone living in the vicinity, not to mention our children who deserve a decent night's sleep for their development.

I look forward to your reply.

Yours Faithfully,

Tom Bott

Dear Sirs

I write to urge you to refuse the application by the Fast Food Centre in Pewsey to extend their opening hours.

There is already a serious problem in the village with antisocial behaviour and extending the opening hours of the Fast Food Centre would certainly exacerbate the problem.

Extending the opening hours on the evenings/ mornings in question will lead to the revellers moving from the Moonrakers pub when it closes, along to the Fast Food Centre. This will cause substantial nuisance to the people along their route and around the Food Centre itself.

Additionally I do not believe, that apart from the late night revellers, there is any call from villagers for a kebab at 2-30 in the morning.

Finally I would like to mention the fact that any further extension of opening hours will further stretch the resources of the already struggling Police Unit in the village.

Yours faithfully

Howard Reed

4, MARKET PLACE, PEWSEY**

We wish as residents of Pewsey to express our opposition to the proposed extension of opening hours to 3.00 am Friday/Saturday and 3.00am Saturday/Sunday

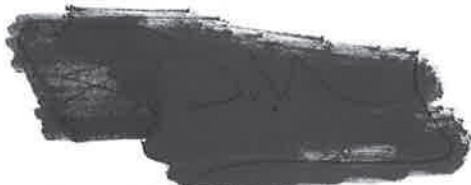

Their current closing time of 1.00 am already invites late night noise disruption, possible anti social behaviour and litter in the residential area of the Market Place and North Street.

This residential area is currently planned to be extended by the present conversion of the next door premises to the fast food centre into apartments and just a few doors away the Greyhound Public House is planned to be converted in the same way.

To permit the current disruption to be extended to a later time, particularly on a Sunday is not acceptable to us and we believe other local residents.

With the wide area covered by Wiltshire Police we understand they cannot always be available to police late night nuisance and therefore we strongly recommend this application is refused.

Dear Jane,

Pewsey Parish Council is in receipt of a letter objecting to the proposed extension to the opening hours of the Kebab Shop at 4 Market Place, Pewsey. This proposal was considered at a meeting of the Parish Council last week and is strongly opposed on the grounds of noise, litter and disruption in the centre of Pewsey at this late hour. The parishioners who live in and around the centre of Pewsey are supported in their view that 1am is quite late enough and the shop should close at this time.

It is also noted that the Parish Council were coincidentally informed of this application and consider that it would be most helpful to be included routinely on license applications that affect the village.

With kind regards

Alison Kent  
Clerk to Pewsey Parish Council
