And subject to the following additional condition:

1. Prominent, clear and legible notices must be displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and the area quietly and not loiter close to the entrance.

Reasons

The Sub Committee have considered the written evidence presented in the agenda together with the oral evidence given at the hearing, noting in particular the concerns of the representations in respect of noise disturbance and litter.

The Sub Committee also imposed an additional condition to address the concerns regarding noise nuisance.

The Committee noted that all parties were in agreement with the suggested amended Licensable Activities, hours and days detailed above.

In reaching its decision the Sub Committee has considered the relevant provisions of the Licensing Act 2003 (in particular Sections 4 and 18); the guidance issued under Section 182 of the Act and the Licensing Policy of Wiltshire Council.

The granting of this licence is without prejudice to any other consents or approvals that may be required.

The Sub-Committee had regard to comments about recorded music potentially having the same impact on local residents as live music. It was therefore suggested that the recorded music should be at a level to the satisfaction of the Council's Environmental Health Department.

Right to Appeal

All parties have the right to appeal to the Magistrates' Court within 21 days of receipt of this decision.
