<u>Agenda Item No.</u>	<u>Summary of Issues Discussed and Decision</u>
1.	<p><u>Election of Chairman</u></p> <p>Roger Bishton, Democratic Services Officer opened the meeting and explained that as there were only two members present the meeting was inquorate, meaning it did not have enough members that is needed to allow voting or taking decisions. It was understood that Cllr Hawker was on his way to the meeting, and his arrival would allow the meeting to reach quorum and allow voting and decisions to be taken.</p> <p>Roger advised that as the meeting was not quorate it was not possible to elect a Chairman and Vice-Chairman for the municipal year 2014-15. These items would be deferred to the next formal meeting of the Board.</p> <p>He invited nominations for Chairman for this meeting only.</p> <p>Decision:</p> <p>Cllr David Jenkins was nominated as Chairman for this meeting only.</p>
2.	<p><u>Chairman's Welcome and Introductions</u></p> <p>The Chairman welcomed everyone to the meeting of the Westbury Area Board.</p> <p>He explained that agenda items that did not require a vote or decision would be taken first, to allow Cllr Hawker time to arrive.</p>
3.	<p><u>Election of Vice-Chairman</u></p> <p>This item was deferred to the next formal Board meeting.</p>
4.	<p><u>Apologies for Absence</u></p> <p>Apologies for absence were received from:</p> <p>Cllr Jerry Wickham Ms Julia Cramp – Associate Director, Quality Assurance, Commissioning, Performance, Schools and Early Years Effectiveness Mr Keith Harvey – Westbury Town Clerk Mike Swabey – Edington Parish Council Phil McMullin – BA13 Community Partnership</p>

	<p>Cllr King declared a personal interest in anything related to the BA13 Community Partnership as his wife was the chairman.</p>
<p>8.</p>	<p><u>Chairman's Announcements</u></p> <p>The Chairman drew attention to the Public Health and Wellbeing announcement seen on page 33 of the agenda.</p> <p>Sally Hendry provided an update on the area board review. An overall review had been completed by overview and scrutiny in the context of community campuses. The outcomes and action plan had been presented to and approved by Cabinet at their meeting on 22 April 2014. A link to the cabinet papers which includes the report and action plan can be found below:</p> <p><u>Cabinet agenda and minutes - Tuesday 22 April 2014</u></p> <p>Sally noted that there would be fewer formal and more themed meetings. Times would be looked at, and the role of the Community Area Manager would be removed and replaced with a Community Engagement Officer.</p> <p>In response to questions Sally confirmed that hard copies of the Cabinet report and action plan would be available in local libraries.</p> <p>ACTION: Sally Hendry</p>
<p>11.</p>	<p><u>Youth Services</u></p> <p>With the agreement of the meeting, agenda item 11 – Youth Services was taken next to allow Mr Munday to attend another meeting which followed this.</p> <p>Mr Munday provided an update on the recent Wiltshire Council decision taken by Cabinet on 15 May 2014 on how youth services will be provided.</p> <p>There would be a change to the model of delivery, to a community-led model, the principle of which was to give money to local areas through the Area Board to commission services that had been identified locally as needed.</p> <p>A written communication would be sent to all Area Board Chairman and Community Area Managers next week, inviting them to a briefing being held on 17 June. Mr Munday recognised it was a difficult time with staff being put at risk.</p> <p>He confirmed that there would be no open access youth sessions from 1 October 2014. The Council would appoint and retain a full-time equivalent Community Youth Officer (CYO) in each of the area board areas, who could provide direct delivery, however their main focus would be to support the local offer and work with commissioning. In addition to the 18 CYO's, three Youth Support workers would also be appointed to do casework and 1:2:1 work with specific identified individuals. They would sit within the early intervention team.</p>

	<p>It was hoped that an apprenticeship scheme would be available from next year, providing an opportunity for engaged young people who were interested in a career in youth work.</p> <p>Whilst embracing the localism principle of enabling communities to do more for themselves he recognised that it would not be fully embedded before March 2015.</p> <p>When asked about the existing youth centre Mr Munday confirmed that an audit of youth premises was currently underway and no decision had been taken regarding premises, which formed part of the corporate estates budget.</p> <p>He drew attention to the significant challenges facing the Council and accepted that current relationships with youth workers may in time be made with new people.</p> <p>Mr Munday explained his understanding was that 48% of young people who responded to the consultation had preferred the community-led model, with 28 preferring to keep existing arrangements. Other options had been offered but the community-led model had been the preferred option. All views had been taken in account from all areas of the community.</p> <p>The criteria for the allocation for funding would be announced next week, and although understood this was based on the area board funding formula, it would be a Wiltshire Council Cabinet decision and transparent what each area would receive.</p> <p>Mr Munday confirmed that mapping work had been carried out in the voluntary sector and the CYO would enable these relationships. Wiltshire Council accepted the need to support communities, and would address any needs identified where there was no support available.</p> <p>A Local Youth Network (LYN) which would include the existing Youth Advisory Group (YAG) would be set up in each area with the key principle of young people having a voice and influencing delivery. These would be run by the CYO. The CYO would have access to a range of services through the early intervention team. Open access would change unless the Area Board used their funding to try and deliver a local open access model.</p> <p>Specific training events were being planned for Area Board members, CAM's and CYO's (if in place) to build knowledge on commissioning and procurement.</p> <p>The Board thanked Mr Munday for the update.</p>
9.	<u>Health Matters - Update from the White Horse Health Centre</u>

	<p>Dr Debbie Beale provided an update to the Board, noting that the extra facility was beginning to be used one day a week, with plans to increase.</p> <p>Dementia services had been developed with Alzheimer's Support, and changes to who could diagnose meant that waiting lists were down to three weeks from 9 months last year.</p> <p>A day surgery unit was being developed for vasectomies, hernias and it was hoped cataracts would be treated there soon.</p> <p>The challenge was the recruitment of GPs. Over the next three years between 400 to 600 GPs would reduce hours or retire. The government was encouraging a seven day working week, from 8am till 8pm. There was an ongoing recruitment drive and a new partner would be starting in August. Nurse practitioners skills would be increased and multi-disciplinary teams developed. She noted a shortage of Occupational Health Therapists and Physiotherapists.</p> <p>In response to questions Dr Beale confirmed that electronic notes provided a summary of patient's visits, and there was a need to understand the patient, perhaps by working in teams to get continuity of care. Care closer to home was being developed and it was thought that community hospitals would not be opened.</p> <p>The Board thanked Dr Beale for her update.</p> <p>Cllr Hawker joined the meeting at 7.50pm.</p>
10.	<p><u>White Horse and Bratton Camp</u></p> <p>Cllr King highlighted the recent improvements in the White Horse area and plans to set up a community group. Recent improvements include:</p> <ul style="list-style-type: none"> • Information boards; • Birdproof litter bins; • New bollards; • Dog fouling reminders <p>He thanked Leo Wirtz, Senior Countryside Ranger and his team and appealed for volunteers to join the community group, asking them to email <u>Sally Hendry</u>, <u>Cllr King</u> or <u>Leo Wirtz</u> with their interest.</p>
12.	<p><u>LEADER Funding 2015 - 2020</u></p> <p>Alan Truscott gave a presentation on LEADER funding. He explained that during this transition year they were reviewing the areas and working with Wiltshire Council to ensuring funding was across the whole council area. A full bid for funding would be presented on 5 September 2014</p>

Westbury had previously received funding from both Plain Action and Sowing Seeds in the last ten years.

There were currently 5 Local Action groups within Wiltshire:

- Cotswold ANOB
- Plain Action leader
- North Wessex Downs Leader
- Heart of Wessex Local Action Group
- New Forest Leader

Mr Truscott noted that this was the first national programme that had used national statistics. Westbury had not been included as a market town, and this was being addressed with DEFRA.

They had identified three themes: - Military, Climate Change / Environment and Economy and objectives identified around Skills and Training, Business and Employment, Communities and Low Carbon.

In response to questions Mr Truscott explained that they did not promote equipment like steam turbines or bio-digestive plants, just funded projects. It was up to communities to come to them.

The Board thanked Mr Truscott for attending.

The announcement that mini re-cycling sites would be maintained for the next 12 months in certain areas which did not include Westbury was discussed.

Decision

The Area Board agreed that the board's concern over the removal of mini-recycling sites be fed back to Wiltshire Council and it be requested that the list of sites to be maintained for 12 months be revised to include Westbury.

The Chairman thanked everyone for attending.
