3 Key Principles

- 3.1 The principles of ‘natural justice’, and Article 6 ‘Right to a Fair Trial’, which is one of the Convention Rights in the Human Rights Act 1998, require that there is a fair Hearing of Applications.
- 3.2 Natural justice is an umbrella term for the legal standards of basic fairness. This will include that:
 - 3.2.1 the Applicant has an opportunity to make representations before a decision is made;
 - 3.2.2 those making representations have an opportunity to voice their representations before a decision is made;
 - 3.2.3 the Applicant has an adequate opportunity to consider and respond to any submissions made by a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation;

- 3.2.4 the Committee does not exclude an Applicant from a Hearing in order to consider submissions from a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation.
- 3.3 It is also fundamental that there is an orderly presentation of submissions at a Hearing so that the relevant issues are properly understood, evidence is tested and that oral statements made at the Hearing are accurately recorded.
- 3.4 Ultimately the Chairperson determines the application of these rules, having regard to any submissions being made by those present and in particular the Committee Lawyer.

4 The Hearing

- 4.1 The Hearing shall take place in public.
- 4.1.1 The Committee may exclude the public from all or part of the Hearing where it considers it to be in the public interest to do so and, in accordance with the Local Government (Access to Information) Act 1985, as amended. Public includes a party and any person assisting or representing a party.
- 4.1.2 The Committee may require any person attending the Hearing who, in its opinion, is behaving in a disruptive manner, to leave the Hearing and may:
- A refuse to permit them to return;
 - B permit them to return only on such conditions as the Committee may specify;
 - C in the event that a person is required to leave a Hearing that person may, before the end of the Hearing, submit to the Committee in writing any information which they would have given orally.
- 4.2 Prior to the Hearing commencing, the Chairperson shall advise the parties of the procedure it proposes to follow at the Hearing.
- 4.3 Where a party has previously requested permission for a person(s), other than their representative, to appear at the Hearing then the Committee shall consider whether to permit that request.
- 4.4 The Committee will allow the parties an equal maximum period of time in which to exercise their rights.
- 4.5 This equal maximum time may have been notified in advance of the Hearing;
- 4.6 Where there are a number of people who have attended the Hearing to make the same representation then the Committee would normally require that a spokesperson be appointed by them to make the representations on behalf of all of those who have made Relevant Representations .

5 Presentation of Submissions

- 5.1 The Chairperson will introduce the Application.
- 5.2 In the event that the Licensing Authority has given notice to a party requiring clarification on a point(s) then that party shall respond to the points raised by the Licensing Authority.
- 5.3 Submissions shall be made in the following order unless the Chairperson directs otherwise:
 - 5.3.1 The Licensing Officer will orally present the Committee Report and will in particular advise the Committee as to:
 - A the options available to it;
 - B the considerations that are relevant in reaching its decision.
 - 5.3.2 The Applicant (or the Applicant's Representative) will orally present its submission which may include:
 - A presenting their case in accordance with the papers, which will have been circulated with Agenda papers;
 - B confirming key information and answer pertinent questions; and
 - C calling witnesses in support of the Application (see paragraph 4.3).
 - 5.3.3 A Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation will orally present their representations in turn which shall include:
 - A the grounds of the representation to the Application; and
 - B any condition(s) that the Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation would be happy to have the Application granted subject to which would cause the representation to be withdrawn.

6 Questioning of Submissions

- 6.1 The Chairperson will regulate the order in which questions are asked by Members.
- 6.2 The Chairperson and Members, voiced through the Chairperson, may question any party following the completion of their submission.
- 6.3 The Chairperson will normally permit the Applicant, a Responsible Authority/Authorities or any person/s who have made a Relevant Representation to ask questions through them of the other parties.
- 6.4 The Chairperson may direct that questions which are not relevant to the Application or one of the four Licensing Objectives are not formally put or answered.

7 Documentation

- 7.1 No party shall present new documentation to the Committee at the Hearing other than with the consent of all of the other parties. This does not preclude the Licensing Officer from correcting errors, providing updated information or an extract from a local map showing the Applicant's Premises in the context of the surrounding premises and any person/s who have made a Relevant Representation . If any party is granted permission to present supplementary papers at the Hearing they shall provide at least 10 copies at the start of their submission.

8 Intervention

The Chairperson shall permit the following interventions at any point in the Hearing:

- 8.1 The Committee Lawyer to advise the Committee on issues of law, procedure and relevant considerations on decision making. If necessary, the Chairperson may require the Committee, the Committee Lawyer and the Committee Manager to leave the Hearing so that advice can be given.
- 8.2 The Committee Manager to advise the Committee on procedure generally, or to request that statements made are repeated for reasons of clarity and so that they can be properly recorded.
- 8.3 The Licensing Officer to seek to clarify statements that have been made in light of information held on their file.

9 Failure of Parties to Attend Hearing

- 9.1 If a party has informed the Licensing Authority that it does not intend to attend or be represented at a Hearing, the Hearing may proceed in its absence.
- 9.2 If a party has not indicated that it does not intend to attend or be represented at a Hearing and fails to attend or be represented at the Hearing then the Licensing Authority may:
- 9.2.1 where it considers it be necessary in the public interest, adjourn the Hearing to a specified date; or
- 9.2.2 hold the Hearing in the party's absence.
- 9.3 Where the Licensing Authority holds a Hearing in the absence of a party, it shall consider at the Hearing the application, representations or notice made by that party.

10 Closing Submissions

- 10.1 The Chairperson shall allow first, the Responsible Authority/Authorities and any person/s who have made a Relevant Representation to make a closing oral submission(s) and secondly invite the Applicant or the Applicant's Representative an opportunity to make an oral closing submission in support of the Application.

11 Decision

- 11.1 The Committee, the Committee Lawyer and the Committee Manager, shall retire so that the decision may be considered in private, and to consider any legal issues raised by the Members.
- 11.2 The decision, and reasons for the decision, of the Committee shall be communicated orally by the Chairperson to the parties after the Committee has deliberated in private on the Application.
- 11.3 Written reasons shall be provided soon after the deliberations of the Application and in any event within the statutory time limits.

4. Legal Implications

4.2 The Applicant, and all persons who have made representations have been informed of the date, time and location of the hearing and their right to attend and be represented.

4.3 At the hearing all those who have made representations are entitled to address the Sub Committee and to ask questions of another party, with the consent of the Sub Committee.

- 6.3 A Responsible Authority or any person may apply to the Licensing Authority for a Review of a Premises Licence. Whether or not a Review Hearing takes place is in the discretion of the Licensing Authority, but, if requested by a person other than a Responsible Authority it will not normally be granted within the first 12 months except for the most compelling circumstances.

Reference: Application for a licence to sell alcohol
No. 2014 02262
Abbey Food City, 4 Market Cross, Malmesbury, Wilts

Dear Sir,

The attached Representative Form and attached appendix is submitted for your consideration in response to the application to sell alcohol from Abbey Food City at 4 Market Cross, Malmesbury (Ref: 2014 02262).

I am writing as a local resident who lives close by the premises and has considerable concerns about allowing this licence to be granted.

There is much evidence from the recent past that would show that the four key Licensing Objectives would be at risk and this evidence is supplied in the attached Representative Form.

It would be appropriate to review the revocation of the licence for the Guildhall (January 2012) which is in Oxford Street and close to the Market Cross where many of the previous violations took place. The police were also involved extensively in monitoring and acting upon these violations.

Malmesbury is subject to a Designated Public Place Order which was introduced to combat antisocial and unacceptable use of drinking alcohol on the streets within the Town centre. As this premises is located at the epicentre of the town it would be wholly inappropriate to reintroduce the potential for alcohol related abuse and violent behaviour.

I trust that these points will be considered and that the application will, therefore, be refused

OBJECTIVES	EVIDENCE
3. To prevent crime and disorder	SEE ATTACHED
4. Public Safety	SEE ATTACHED

Please list below any suggested actions that you feel the applicant could take to address your concerns.

In the recent past, the centre of Malmesbury and especially the Market Cross where this applicant is located have been the subject of considerable time , resources and effort by the police, local residents, Town and Unitary councillors and the Licensing authority to correct a dangerous, unacceptable social situation caused by the violation of the Licensing Objectives.

Time and effort was spent over a 5-6 year period and included two Licensing authority tribunals and much hard work to correct the situation.

Great improvements have been made but the urban blight is still much in evidence and hopefully will be tackled in the very near future.

While the fact that, there are already other retail premises close by which sell alcohol, is not reason to reject this application, the potential for this new application, if approved, to cause the failure of the four Licensing Objectives is evident.

I submit this evidence for your consideration and as detailed in the attachments to this form.

If a hearing needs to be held to determine the Premises Licence Application, the Councillors will generally only be able to consider matters that have previously been disclosed. However, additional information in support of your Representation may be considered if all parties at the Hearing agree. We advise that you detail all matters that you wish to be considered on this initial Representation, attaching additional sheets if necessary.

If you do make a Representation you will be invited to attend the Licensing Sub-Committee Hearings and any subsequent appeal proceedings relevant to your Representation.

All Representations in their entirety, including your name and address, will be disclosed to the Premises Licence applicant. A copy of Representations will be annexed to the Licensing Officer's hard copy report, which is a public document circulated to the Licensing Sub-Committee and to all those who have made relevant Representations.

APPLICATION NO. 2014 02262

This document forms part of the submission by:

**William A Sykes
Tower House

Objectives and Evidence:

1. The prevention of harm to children:

Recent evidence has shown that up to the revocation of the Guildhall licence in 2012 there was underage drinking and the granting of this licence for Abbey Food City could well have the same dangers and results.

2. To prevent public nuisance:

Malmesbury is subject to a Designated Public Place Order which was put in place because in the past misconduct and antisocial behaviour which was caused by the purchase and drinking of alcohol in the centre of town.

The Abbey Food City premises is in the centre of town in the Market Cross where, in the past, many groups and unruly crowds of intoxicated people have gathered and caused considerable property damage, threatening behaviour and noise disruption at unacceptable times.

3. To prevent crime and disorder:

Past evidence has shown that the Market Cross is a natural place for groups of mainly young people to gather and, with a licence to sell alcohol from this premises in such a location it can only encourage people, who have been drinking, to commit criminal acts such as damage to properties (eg broken shop windows and more).

The damage caused by such criminal behaviour can still be seen in Oxford Street where there are boarded up premises, which had resulted from broken windows and antisocial acts such as urinating in the shop doorways. This urban blight has been evident since 2006.

4. Public Safety:

There would be great cause for concern, if drinking by groups of people buying alcohol from Abbey Food City were to escalate in the manner which occurred in the past.

Police records will show that the danger to public safety was serious and threatening. Obstruction of the highways was frequent and many local people had to find alternative ways home to avoid the drunken and threatening behaviour which frequently took place.

For many the area became a 'no go' area of town. This must not be allowed to occur again.

Dear Mr Bahador,

I am writing to object strongly to the application from Abbey Food City to sell alcohol from 6am to 11pm.

There are already enough outlets selling alcohol; Malmesbury does not need another one.

I believe that another shop selling alcohol will encourage young people to consume alcohol on the streets of Malmesbury (I know that under-18's are not allowed to buy alcohol, but under-18's only need an older sibling or friend to buy it for them, which is very difficult to police). This will encourage drunken behaviour (including urinating and vomit) , reckless damage and litter in the town.

Please refuse this application.

If you are representing residents or businesses who have asked you to represent them?	—

Your representation must relate to one of the four licensing objectives, which are detailed below. Please detail the evidence supporting your Representation and the reason for your representation. If necessary, separate sheets may be used.

Objectives	Evidence
1. The prevention of harm to children	For some years the High Street Coop/their predecessors had difficulties preventing alcohol sales to under age customers i.e. children. Modern technology + vigilant management has largely eradicated this. These units will not be available to the applicants.
2. To prevent public nuisance	Wiltshire police reports over last 10 years full of public nuisance reports concerning drunken, rowdy and obnoxious drinkers in the Market Cross area causing damage to public and private property in the town centre in the last 1-2 years due to high public presence, CCTV cameras and closing down one licensed premises in Oxford Street. The position has been considerably improved. There is no sound reason for asking a return to the previous situation putting unnecessary extra burden on the county police and other services.

Objectives	Evidence
3. To prevent crime and disorder	Damage caused to private and business property by drunken people on normally at weekends and later in the evening. Situation much improved last two years. See many police reports of attendance in town centre to break up alcohol related disturbances. Shooting, harassing against private property etc. We made several complaints to the police.
4. Public safety	Large groups of drinkers in Market Cross area threatening pedestrians and those in cars. We had experience of several such disturbances in experiences. Further alcohol outlets are only likely to produce additional concerns for public safety.

Please list below any suggested actions that you feel the applicant could take to address your concerns.

Withdraw application to sell alcohol - with alcohol available at the Co-op in the High Street and Kings Store there is no call for any further retail outlets for alcohol sales.
 → We object to this application.

Application #2014 02262 – Abbey Food City, 4 Market Cross, Malmesbury

Dear Mr Bahadoor,

With reference to the application at title, the Association is keen to emphasis its support for the maintenance and, where possible, growth of retail activity in the town. Thus at its Committee meeting this week it was agreed that in general terms we could support this application subject to the condition outlined below.

You will be aware that a License is in existence at the Co-op store at 8 High Street, some 50 meters or so distant from this property; although its License operates from 0700 to 2300 the store closes at 2200 thereby effectively limiting the sale of alcohol from the store to this earlier time. We see no valid reason why the Abbey Food City License application should not mirror the reality of the sale of alcohol from the adjacent Co-op store, that is 2200. Indeed by including the additional hour to 2300 we believe there is recent empirical evidence that the four key Licensing Objectives could be compromised.

The Market Cross is a focal point in the town and as such is a meeting place for young adults and a pedestrian crossroads for many of the residential areas of the town. We would not wish to see the sale and hence availability of alcohol from this premises extended beyond 2200 because of the potential encouragement of late night public nuisance particularly focused on property damage and threatening behavior.

In summary we support the application on the condition that the License is restricted to the hours of 0700 to 2200.

Yours sincerely,

Roger Budgen
